NEXT MEETING: January 17, 2001

January 2001 – and it's a space odyssey!

Bites from the Big Dog...

Well, you lived through a whole year with me as your CD – hard for me to believe too. 2001 starts with some changes to the staff. **Carl & Cris Hauser** are still our ACDs (whew! – thank goodness for that!). Following E-2's idea from a couple of years ago, we have **Tim & Anita Kendrick**, who will be our Assistants to the Assistant (along with Tim continuing as our Webmaster and Anita maintaining our scrapbooks). This is a training position that will allow them to become more familiar with chapter operations. They will then become Carl & Cris' ACDs when the Hauser's take over the chapter. **Joyce Jones** will continue as our concierge and you will still see **Fred Hicks'** smiling face passing the hat as our sheriff. **Jim Pennington** with assistance from **Brenda** will maintain our membership and historical facts. **Pat** will continue to publish our newsletter and will also take over the organization of the phone tree (more on that later). **Bob & Tril Childers** will be hosting our pins & patches table and organizing our participation in parades. Our chapter treasury is still in good hands with **Lori Hicks** keeping track of the funds. **Rich & Linda Elsen** will be coordinating our two biggest events of the year – the picnic and chili dump along with some other activities as special events coordinators. **Butch Royse** will be wowing us with his educational presentations as our Rider Educator and **Betty Royse** will keep having her ways & means with us. Butch will also organize our participation in the MS150 and he and Betty will still be the proprietors of our watering hole. Our sunshine lady, **Pauline Petroviak**, will still keep us informed about our chapter family and keep the sunshine in our hearts. **Rich Hesse** (I really think he prefers to be called "Richie") will tell us where to go by managing our ride and event schedule for the year. **Nancy Hesse** has taken on a newly created role for Chapter L – but you will have to come to the first meeting to see what that is all about – it's called "PR". And saving some great news until last,

we have a new Chapter Couple for 2001 – **Rick & Bobbie Harless**. Rick & Bobbie have been long time members of Chapter L and we are so glad that they have let us honor them by being our COY. Last, but surely not least, Pat will be there to keep me organized and make my costumes. And me – well I am the official “figurehead” this year. These people do all the work – I just get to have fun – and hopefully you will too. You just can’t fail when you surround yourself with great people.

I was personally very sorry to hear about **Tom Oxier’s** death. Tom had participated in many of the Stag Rides and he will be missed by his friends from Chapter L. Our deepest sympathy to Bernice and his family.

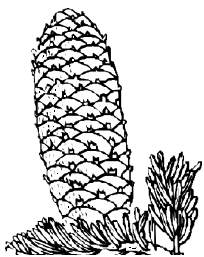

Don’t forget that Cabin Fever is just around the corner. If you haven’t sent your registration in yet – well, now it is going to cost you a penny more! The theme is The Wild West and, even though Chapter L does not have an official entry in the no-talent show this year, you can bet your spurs that we will be raisin’ a ruckus and hootin’ and hollerin’. Join us and have some fun.

In Ohio, “Pride Matters” and that means we are proud to wear our chapter shirts and/or vests. Have your chapter pride showing at the next meeting – “L” Yes!

So...I hope to see you for our first meeting of the new millennium on January 17th. Don’t forget – we may not have it all together, but together we have it all! Let’s just have one “L” of a good time.

Tom Runck – Big Dog – Mr. Pinky

Did You Know:

- You can use pinecones to forecast the weather; the scales will close when rain is on the way.
- The term “three dog night”, attributed to Australian Aborigines, came about because on especially cold nights, these nomadic people needed three dogs (dingos) to sleep near them to keep them from freezing.
- Playing cards were issued to British pilots in WWII. If captured, the cards could be soaked in water and unfolded to reveal a map for escape.
- Employees of Ben & Jerry’s get three pints of free ice cream a day.

Back Seat Driver...

Pat Runck – Mrs. CD

The holidays were here and gone already. Seems we spend so much time getting ready and then, in an instant, the season has ended. Our time with family and friends was great and Tom was a very good boy when it came to surprising me with nice Christmas presents. I think he wants that new GL1800 very badly. He can be glad we already ordered it though – good grief, I just opened our CG&E bill and almost had a heart attack. I hope warm weather is on the way soon.

I feel like Tom is part of the old Cheech & Chong recording when they are trying to decide between “Door #1, Door #2 or Door #3. You know the one – “I’ll take #1, no wait, #3, no wait, #2....” That’s how it has been at our house deciding on the COLOR of the new bike. I have finally just said, “I DON’T CARE!” I think he is now leaning toward yellow (the color I actually said I liked after seeing it in person). So much for listening to me prior to placing the order for the blue one. By the time he gets his mind made up, they will be taking orders for 2002 models.

Don’t forget to check out the new ride schedule. I think there is something for everyone. Can’t wait to see you at our next gathering on the 17th. It seems like a long time since the Christmas party. Hope to see you there.

Pat Runck

Be Happy - It’s 2001

We finally can officially welcome the beginning of the new millennium and the new Honda Gold Wing GL1800 has arrived. But the best news of all is that it will be a whole year dedicated to the –01. Isn’t it great? The whole world will know how awesome –01s are and 2001 just has to be a great year because of it. Have you hugged your –01 lately? Heck, if you don’t have one – just go and hug somebody else’s. We’re all family here, you know.

Association Affairs – Thanks!!

There was no meeting for December 2000 ... just our annual Christmas Party. We had very good attendance at the party again this year. The Lakeridge Conference Center was filled with tables and seated approximately 85 members, guests and visitors. We hope everyone enjoyed the evening and we invite you to come back again and again! Santa once again visited us as well as a weird elf wearing turned up shoes. I am sure there will be photos at the next meeting! Brenda had nearly everyone involved in a Christmas Carol puzzle-type get-together after which the participants sang a few Christmas carols. Some of these photos are on our web page. We hope everyone enjoyed the evening!

A loss in our Chapter family

We want to extend our sympathy to **Bernice Oxier** and family in the loss of her husband **Tom Oxier**. For those that don't know, Tom died suddenly just before the end of the year. Tom and Bernice have been a part of Chapter L for the last several years. Tom was 57 years old and died of an apparent heart attack. Again, our sympathy to Bernice ... he will be missed!

Membership Updates

In an effort to bring the membership records up to date at our next gathering, I would like you to

FOR GWRRA ! confirm

your current information with me including your special dates, phone numbers, Membership Number as well as your expiration date. Please see me when you attend January's meeting.

Parting Thought:

Chapter L will be 16 years old this year (seems like just yesterday). I will be updating our phone list soon. For now, don't forget our

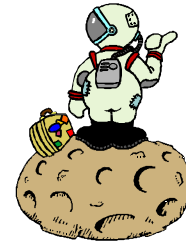

gathering on January 17, 2001 at Lakeridge - 7:30 for the get together. - - - "Road Runner"

Have a Happy New Year and a great riding season in 2001. Will there be a 2001 Space Odyssey??!!

Entertainment Books

We would like to thank everyone who participated in this fund-raiser for our chapter. Due to your outstanding effort in selling the books and associate cards, we sold 56 books and 7 associate cards. We had sales of \$1,532.93 and a profit of \$497.07. As you can see, there is a pretty good percentage of profit made through the sales of these books. We will be selling the books again in 2001, so keep us in mind. Our top three sellers were: **Tril Childers, Ruth Barry, and Pat Runck**. Thanks to everyone for your support.

Safety Tip of the Month

If the weather and roads are clear and you're sneaking in a winter ride on a mild day, be cautious about the extra risks of black ice, salt or gravel in the corners, and motorist's lack of awareness due to closed cars and grime-obscured windshields.

Ride Coordinator

Rich Hesse

The new 2001 Ride Schedule is ready to roll. If you have access to our website, there is a nice version of it in calendar format. You can print off each month-at-a-glance and hang it on your refrigerator. That way you won't miss out on any of the fun.

Bowling Party

Our bowling party is coming up on Sunday, January 21st from 1:15-3:15PM at Colerain Bowl. Cost is \$8.00 and includes your shoes. Please

The Brunch Bunch

On January 7th a group of hungry Goldwingers met at the Argosy Casino Buffet in Lawrenceburg, IN for breakfast. The "Brunch Bunchers" included: **Rick & Bobbie Harless, Tom & Pat Runck, Butch & Betty Roysel, Walt Hart, Tim & Anita**

Kendrick, Tom & Donna Heitfield, Fred & Nolan Baurichter, and Carl & Cris Hauser. See you on February 4th for another gathering of the Brunch Bunch at Argosy Casino in Lawrenceburg, IN.

Can't wait to be rolling on 2-wheels instead of snowballs.

Free Store

Chapter L was very generous in its donations to the Free Store again this year. We packed up the back of the Suburban and headed downtown to drop off 252 pounds of food for those less fortunate. It couldn't have been easier – we pulled in their drive-thru service drop-off location downtown, they unloaded everything and we were on our way. We had a great assortment of all kinds of non-perishable food items.

Thank you for your support during the past year. We will be continuing this event this coming year also.

Do as I say, not as I do...

In Washington, firefighters had to stand and watch the Colfax fire station burn to the ground. Five fire crews had to stand helplessly by after they realized all the fire fighting equipment, safety gear, hoses, and the fire trucks were locked inside the

building and nobody had keys. The station was old and

did not have a sprinkler system. The station was equipped with smoke detectors, but the room where the fire started did not have any. Firefighters stated that the fire started when a faulty extension cord shorted out and sparked the blaze. Damage was estimated at over one million dollars.

We are looking for volunteers who would like to help out with making calls for our phone tree. We are going to split up the membership list so that each volunteer would only have a few calls to make – that way we can get important information out quickly to the chapter. If you would like to be part of this "communication chain" in our chapter, please let Pat Runck know (385-4556). Thanks so much for your help!

Things You Just Need to Know...

- It seems that Carl Hauser just keeps getting himself in trouble and somebody is always there to make sure we know about it. Back on December 15th (remember how COLD it was?), Carl locked his keys in his truck while it was running! He had to call Robin to get him back in. Now Carl, you have just got to stop getting into such predicaments. We are beginning to wonder about you.
- It was so good to see Walt Bohanan up and about at E-2's meeting last week. Walt is recuperating from total hip replacement surgery. Keep up the good work, Walt.
- E-2 has a new meeting place beginning in February. They have moved to the New England Club on Rt. 125 (Beechmont Avenue). This is exit 65 off I-275. Turn right off of the exit and go approximately 2 miles. You will see a Sibcy Cline building on your left – turn left past this building on New England Club Drive and you are there. It is a non-smoking facility.

Ice Cream Screamers

Dinner/Ice Cream/Dessert Rides

Our Wednesday night ice cream/dessert rides actually include dinner most times. It seems that the opportunity to get out of the house mid-week for ride, meal and dessert with friends is a perfect combination for a Goldwinger. We have a good turnout every week!

DESSERT/DINNER RIDES -- WERE YOU THERE?

- Speaking of E-2, it was VERY coincidental that Pat Runck won the coveted Tupperware canister at the last meeting. There must have been some ticket-tampering going on. You may be sorry when you see what she fills it up with for the next meeting.
- At the New Years Day dinner at Max & Erma’s, it seemed that Elmer Jauch needed to increase the dosage of his blood pressure medicine. One certain Joe Rosemeyer had him all exicted. Who needs Viagra when “Rosey” is around?
- Lymon Gaines got the job of “light” man for one corner table at Max & Erma’s. He must not have done a very good job of moving the light every time Jack Elsen got up, though, because Jack came home with some extra bumps on his head. Next time Jack says he’s “light”-headed, just blame it on Lymon.
- We were glad to see Mike & Judy O’Rourke at Max & Erma’s too. They were supposed to be in Reno gambling away the rest of the Christmas money. Their flights got messed up and they ended up spending a wonderful day with their Goldwing friends instead. Heck of a lot cheaper too, we bet.
- Terrie Mays came to Max & Erma’s with her best black leather “riding” gear on. It was suggested that this needed to become mandatory riding apparel for all –01s. Dream on, guys.
- We had a lot of trouble with desserts disappearing at Max & Erma’s this year. Jack ordered apple pie a la mode, got up for a minute, and when he returned, half of it was gone. Same thing happened to Carl Hauser’s caramel chocolate pecan cheesecake. Carolyn Siermann lost her apple pie much the same way. Seems that the phenomenon of the Horgan Golden Fork is alive and well in 2001. Yes, Georgia Horgan will eat anything – including your food. Watch out – your dinner is not safe.

Get “Ripped-Off” at Chapter “L” - again!
 That’s right, we’re going to rip-you-off again this year through the sale of our 25 cent rip offs for St. Joseph Home. See us before or after the meeting and we will be glad to rip you off. It’s fun, fast and easy and for a great cause. See you on the 17th. Thank-you,
Jim & Pauline Petroviak

New Years Day Ride

Well, a ride it wasn’t but New Years it was. The beautiful weather we had for riding last year

just wouldn't be duplicated this year. So, we met at the nice and warm Max & Erma's restaurant in Kenwood for some hugs, food, and fun with friends. We had 71 people join us and we had a great time. Those who braved the cold weather were: Tom & Donna Heitfield, Carl & Cris Hauser, Tom & Pat Runck, Tim & Anita Kendrick, Lymon & Wanda Gaines, Charlie & Elizabeth Estep, Bob & Tril Childers, Lola Murray, Dave & Cathy King, Dan & Georgia Horgan, Rick Hollman, Susan Adams, Tom & Cookie Salamon, Marshall Goodman, Rick & Bobbie Harless, Rich & Linda Elsen, Russ Schauer & Heather Sutter, Rick & Carolyn Siermann, Jack Elsen & Pauline Boderone, Elmer Jauch, Tom & Jan David, Fred & Nolan Baurichter, Jim & Marsha Jones, Pat & JoAnn Marston, Ron & Debbie Fread, Ken & Nancy Fread, Tom & Barb Burns, Joe Rosemeyer & Terrie Mays, Jim & Pauline Petroviak, Jim & Brenda Pennington, Rich & Nancy Hesse, Dennis & Martha Moffett and MacKenzie, Mike & Judy O'Rourke, Howard Ploegsma & Kathy Skinner, George & Roberta Vandal, Ruth Barry, and Clyde & Joyce Jones. There is just no better way to start a new year than with Goldwing friends. Thanks to everyone for making the start of this year so much fun.

prolonged, as when producing sputum from deep inside the chest. A breath and a cough must be repeated about every 2 seconds without let up until help arrives or until the heart is beating normally again.

Deep breaths get oxygen into the lungs and coughing movements squeeze the heart and keep the blood circulating. The squeezing pressure on the heart also helps it regain normal rhythm. In this way, heart attack victims can get to a phone, and between breaths, call for help.

We didn't have door prizes at our Christmas party but we had a great gift exchange instead. This was followed by Christmas caroling, directed by Brenda Pennington, and then a visit from Santa (Clyde Jones) and his pink-legged elf (who else?). Lots of Free Store donations were brought in and there was snow on the ground. It was a great evening.

This month our membership draw will be at \$5.00 and we will be collecting pull tabs again. I hope to see you all on the 17th at Chapter L's January get-together.

Rider Education

SAFETY IS FOR LIFE. Without help, the person whose heart stops beating properly and who begins to feel faint, has only about 10 seconds left before losing consciousness. However, these victims can help themselves by coughing repeatedly and very vigorously. A deep breath should be taken before each cough, and the cough must be deep and
