SPRING HAS SPRUNG! LET'S RIDE!!

Carl's Comments

Ha, guess what! After a long hard winter, ride season is finally here.

I would like to thank all that attended our Bake Sale and meeting last month. Again it was another great success. We raised over \$1,100. This money is used to offset our operating expenses (i.e. Newsletter, hall, Etc.) And what did you think of those Auctioneers? **Tom Runk**, **Gary Kuchera**, & **Jeff Weddle**. Were they great, or what? Jeff had to go to church twice on the following Sunday to make up for his discretion.

On March 29th & 30th we had our Mall Shows. It was a great weekend for it. Good weather to ride over on Friday, and then snow on Saturday. The Ky-G show had 71 bikes in it, and the Middletown show had 27 bikes. Fun was had by all that attended.

Last weekend was the "One Breath at a Time" benefit dance for Kelly Stumpf. If you missed it, you missed a lot of fun.

This past month we lost a friend and Chapter "L" member, **Bob Ulrich**. Bob was a very warm hearted person. Even though Cris & I haven't known him long I will never forget Him. Nor will forget about Indiana Indians, or Indiana Teepee's. Please keep Vivian in your thoughts and prayers.

There are a couple of things coming up in May; I would like to remind you about. First is the MS WALK. It will be on the 10th of May. If you can not walk in it, you can help us out, on your bike, as safety riders. We need as many walkers and riders as we can get. There will be a sign-up sheet at our gathering. Come help MS out. After the walk we will ride up to X-2's Treasure Hunt.

The second thing is the "Blessing of the Bikes". This will be on Sunday May 18th, in Troy, Ohio. I will be leading a group up Sunday morning. Leaving from Bob Evans on Colerain at 8:30 AM.

Our next gathering is on the night of a Full Moon, No, not an Elsen Moon, a Full Moon. Each Full Moon has a name. (Full Moon, Harvest Moon, etc.) Find out what the name of this Full Moon is, and let me know at our gathering.

Cris & I hope to see all of you at our meeting on April 16th.

Chit Chat with Cris (Mrs. CD)

Hi Everyone, Do you have riding fever yet? I do. You know they say that "April showers bring May flowers" well let's skip the showers and get right to the flowers.

I can't wait until the Tennessee Rally. Jeff & Becky have some neat rides on the rally schedule. I also have a shopping list for the Rally Vendors for some new toys for my new toy (bike) that Carl bought me.

Since, I had a great response to the BRC, (Basic Rider Course) I have made arrangements for 12 more spots. The dates for the 3rd BRC class is Wednesday, September 24th @ 6:00 p.m. – 10:00 p.m. for the classroom & Saturday, Sept. 27th & October 4th @ 8:00 a.m. – 1:30 p.m. (for the first 6 spots) & 1:30pm – 7:00 p.m. (for the next 6 spots).

If I have totally confused you about the times and you are interested, please feel free to contact me at **work** (513) 931-5000, ext. 116, **home** (513) 851-0714 or by **cell** (513) 368-0705 and I will explain. I will be making a list of those interested and when I receive the registration forms I will bring them to the next chapter meeting.

Looking forward to seeing everyone at our meeting and also at the Tennessee Rally.

Keep smiling!

Cris Hauser

ACD - Tim's Topics

I want to thank everyone for making the Bake Sale such a success. It was a profitable night for the chapter and an entertaining time for everyone!

The warmer weather is finally here and the schedule is getting busy. If you look at the Ride Schedule, you'll see we've added a lot of the "Open Rides" to dates where nothing specific was scheduled. I want to encourage everyone to participate in these rides when they have time. Nothing beats a mystery day ride when you don't have much to do...

Tech Day is coming on Sunday, April 13th (which may already be passed depending on when you read this). This is a great opportunity to get your bike ready for the riding season, or help friends do the same.

Later in the month our annual ERC course is being offered. If you're in the levels program, you need to take this course every two years to maintain your level. Contact Tom Runck if you have questions.

The Tennessee Rally is in just a few weeks also. To me this signals the official start of the riding season. There are a number of groups going at different times so if you're going to attend the rally you should be able to find a group to ride down with. Gary Kuchera will discuss this at the meeting.

Anita and I went to the benefit dance for Kelly Stumpf-Eads last night. Many Gold Wingers from many different chapters were in attendance. The meal was excellent and everyone seemed to have a good time.

That's about it for now. We hope to see you at the next meeting. Ride safe...

Tim Kendrick

Pins & Patches

Hi Everyone. The signs of spring are all around us. Just yesterday, I saw Ms. Mallard Duck roaming the neighborhood looking for a place to nest. Kids' wearing shorts and flip flop shoes. And my all time favorite, those Road Work Ahead signs followed by a flagger with a stop sign and orange barrels. I actually enjoy seeing these signs because it means we can leave winter behind. We can also put on our Chapter L shirts and go for a ride on our new Wing. Oh! Did I say **NEW WING**? If you haven't already heard, we are now the proud owners of a candy red, 1800cc Gold Wing. Come on back to our table and check out all the new merchandise along with a photo of our new Wing. Hope to see you all at April's meeting.

A NOTE FROM A MEMBER

This note was sent to Rich & Linda Elsen from member, Vivian Ulrich regarding the death of her husband, Bob.

I want to thank everyone for the kindness and thoughtfulness shown to me in memory of Bob . Also, thanks for all the enjoyment and good times we've shared together. Bob really enjoyed our get-togethers. He always looked forward to the next time. We have made so many good friends since joining "L". Like everyone says, we're all family and always there when needed. Thank you again and I love you all.

Vivian

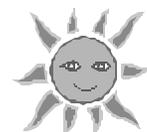

SUNSHINE

It's time to "spring forward" into April. The time has changed and the weather is warming up. I'm starting to see bright shiny GoldWings everywhere I go. Ah... how I love spring. This has been a somewhat quiet month for our friends and families. This past Friday night many of us joined company at the "One Breathe at a Time" fund raiser for Kelly Stumpf. Unfortunately Kelly was in the hospital again at the time, and was not able to join us. We had a great time visiting and bidding on great items at the auction. Tim and I had to leave fairly (had to get home to the kids...I'm not sure they even knew we were gone) early so we were not there to see the final outcome but from the looks of things it was heading towards a great outcome. Please keep Kelly in your prayers as she waits for a new set of healthy lungs.

Speaking of thoughts and prayers, please remember the Ulrich family as they are dealing with the loss of our dear friend Bob. Bob succumbed to the effects of melanoma this month. We will all miss him greatly. If you would like to send a card to Vivian you may mail it to. 8637 Eagle Creek Road, Cincinnati, Ohio 45247.

Well that is all the news I have at this time. If anything you would like to share give me a call or email me at 829-7163 * akendrick@cinci.rr.com. Until next month, remember, "A smile is a curve that sets a lot of things straight." – Unknown

L Yes - I Like to Rally

Gooooooooooooooooooooooooooooo evenin' chapter "L". How the heck are ya all?

Becky and I are "rally" doing well, and we are "rally" looking forward to the "Spring Fling". How about you? Are you going? Have you made reservations?

Are you going to ride with Greg Hauck Friday afternoon? Are you going to ride with Tom Runck? Are you going to ride with me? What about Carl & Cris, the Kendrick's or Kuchera's?

Remember this is the first "rally" good ride of the year, and one of the best. We also have several different groups traveling down on different days.

1) Tom and Pat Runck are leaving some time on Wednesday. Call Tom for more information.

2) Jeff and Becky Weddle are leaving Thursday morning. That group will meet at the McDonald's parking lot at the end of the Western Hills viaduct. This is just off the Harrison Ave. exit off of I-75. We will be departing at 8:00 am sharp.

3) Carl and Chris Hauser are leaving Thursday evening around 5:00 pm. Call Carl for more details

4) Gary and Donna Kuchera and Tim and Anita Kendrick are leaving Friday evening, again call them for more details.

All you need to do is pick the day you want to down and make the call. I promise you a "rally" good time and some "rally" excellent rides.

If your not going we "rally" think that you are going to miss some "rally" good riding and a "rally" great weekend.

PS Do not forget about the Indiana Rally coming up May 16th and 17th.

Chapter "L", you're the greatest!!!!!!

Rally often and ride safe,

Jeff and Becky Weddle

HOW to do it!

One day a retired and housework-challenged husband decided to finally wash a favorite sweatshirt.

Seconds after he stepped into the laundry room, he yelled to his wife and asked, "What setting do I use on the washing machine?"

"It depends, ... what does it say on your shirt?" was the reply.

He yelled back, "Cabin Fever 1995." (She never did answer him!! She just came in, sent him to the garage and laundered the shirt herself!)

DINNER RIDE REPORT

Jeff and Becky Weddle led the dinner ride this month. We traveled west into Indiana, to Clifty Falls" state park. The original plan was for a picnic, but with the cooler weather we opted for plan "B", dinner at "Clifty Inn".

The attendees were as follows: **Jeff & Becky Weddle, Carl & Chris Hauser, Walt & Diane Hart, Jack & Pauline Elsen, Rich & Bobbie Harless, Tom & Barb Burns** and **Neil & Brenda Hardebeck**. Three couple showed up on bikes, however the start of a little drizzle chased two bikes back home. There was one couple that stuck it out. Guess who!! That's right Jeff and Becky.

The drizzle ended just before ride began, and with in five minutes the sun was out. Jeff claims that out side of a few gusts of wind on the way up, and the ten minuets of light rain on the return trip, it was a great ride. However Becky rode back with the Burns in their Durango.

I would like to congratulate **Becky Weddle** for passing the "Basic Rider Course" and earning her endorsement. Well-done Becky. Tell Jeff that it is his turn to ride on the back. If he complains tell him that you owe him two.

Thanks again to everyone that participated in the ride. We sure enjoyed everyone's company.

Sincerely,

I 'm not telling ...

Jeff & Becky

Mall Show Wrap-Up

Just wanted to thank the participants and visitors who took part in the multi chapter mall show on the weekend of March 29th and 30th at Towne Mall. We had participants from Chapters X-2, E-2, A-2 and L. The weather outside was cold and rainy but the atmosphere inside the mall was warm and sunny. The mall management was great to work with and as far as I know, there were no complaints from the participants or the mall management. I would like to thank Ron Walters for the slide shows and Doug Bullman & Steve Wooden for their assistance during the weekend. Hope you all have a safe riding season and we look forward to another fun year.

MEMBERSHIP

Hope everyone enjoyed the Bake Sale, I Did!

Membership in GWRRA is more like being part of a family. We belong to an association and that makes us a group of one. We care about what we do and how it affects others. So, let everyone you meet know that we belong to a family that lives with **Friends for Fun, Safety and Knowledge** as our creed.

I'm glad to see that our members are working to help keep our membership going and growing. We need to retain and recruit as an ongoing part of meeting other Gold Wings and Associate members' wherever we may find them. Recruiting is something that everyone can do. If you run into another motorcyclist be it a GoldWing or not, talk to them about the benefits of belonging to GWRRA. Then offer them a membership form and tell them about our meeting location so they can join all the fun. If you need any membership forms we always have some at the membership table at each gathering. Make sure you put your name on the membership forms you hand out so you get credit for the recruiting efforts.

If you are not aware of it GWRRA has a new recruiting offer out. Each time you recruit someone his or her name and yours goes into a drum for a drawing. The Grand prize is a brand new **Honda Silverwing**, plus the recruits qualify for the rewards program also. Check out the Free Renewal program. Your membership will be renewed one year for recruiting **three (3) new memberships**. You can get up to three renewals. Check it out in the latest issue of Wing World, page 63.

If you have been to one of our meetings in the last year all Chapter L needs you to do is check off your name on the printed list. If you bring a guest with you, please have them fill out an information sheet. We ask them to fill out this sheet so we can learn a little more about them, and we can send them our newsletter.

For anyone who has not updated their information in the last 12 months. We have printed off information sheets from our database for each member. We will have yours at the sign-in table when you check-in. Please take time to check your information such as birthdays, anniversaries, membership numbers, phone numbers and addresses to insure it is correct. If corrections are needed please make them and return the sheets to the sign-in table.

We had 96 people at the April gathering. Three of those were first time visitors, **John Harris of Kentucky G**, and **Pat and Debby Branigan from Ohio X-2**. Pat was also the winner of the **\$10.00** Membership draw. See it pays to go to L. I want to thank each of them for coming and joining us and

hope that they had a good time. We want everyone to feel welcome so you will come back real soon. Remember new members and visitors should feel comfortable and welcomed by everyone. If you see a new face go introduce yourself and say Hello. You never know who may be our next new Member or Associate Member.

As a point of information if anyone that now receives the newsletter, by regular mail and would like to receive it by E-mail (which would save us some of our postage and copying expenses). Just let us know at the membership sign up table and give us your E-mail address if we don't already have it.

While you are at the sign-in table don't forget to drop your membership card in the jar for the membership draw. Each week we giveaway **\$ 10.00** to one lucky member, but you can't win if you don't have a **current** GWRRA membership card. Your card will be returned to you before the end of the meeting. If we run late we will have it at the sign-in table after the meeting.

Don't forget to check your GWRRA membership card expiration date. So you don't allow your membership to lapse. If you have access to the Internet it is very easy to renew on line. It is quick and you can renew day or night 24/7. We also have membership forms available at the meeting too. Make sure you carry them with you – you never know where you will meet your next GWRRA friend.

We hope to see you at our next Chapter L gathering on April 16th at 7:30 PM at the Lakeridge Conference Center.

Rick and Bobbie Harless

MS-150 UPDATE

A sign up sheet will be available at our April meeting along with a general information sheet. Please take a copy of the information sheet even if you don't sign up immediately. This will give you information you may need to make your decision at a future date.

Let us know if you have any special needs for your dorm room if you choose to sleep over or for your safety check assignment.

We will be attending some of the other local GWRRA chapter meetings to solicit volunteers and explain what the MS-150 is all about.

We hope to get great participation for this worthy cause and thank you for your consideration.

Reaching over to KY G and Region N

As I had said in last month's article, I was going to support KY G in their Mall Show this year. On Friday, March 28, the weather was threatening and I decided to move up the departure time for getting over to the KY G Mall Show. This years show was held on March 29 - 30 at Crestview Hills Mall. **Walt Hart** and I rode over together and put our bikes in since I had promised several members in KY G that I would support this show. **Wayne Marks** another "Buckeye" had his bike in the show too. The Kentucky G Mall Show, now known as the **Charles H. Skelton Memorial Bike Show** was not crowded, yet plenty of people were interested enough to come visit. Several members from **L and E-2** stopped over and visited.

Charlie Skelton, who was C.D. last year, passed away just after the 2002 show. **Charlie** was dedicated to GWRRA and to his Chapter and he loved to talk and show his trike. There were a lot of people showing for this Mall Show with 71 beautiful motorcycles in the show.

The show wound down around 4 pm on Sunday. I would like to see more than 2 bikes from Chapter "L" and L's sibling chapters come over to the Bluegrass State next year.

Thanks! **Jim**

CHAPTER PHOTO ALBUM

by Brenda Pennington

Smile! You could be in the Photo Album

Thanks to our COY Walt & Diane Hart for providing Cabin Fever photos for the Chapter Photo Album. Walt & Diane gave us their "doubles" when they had them processed. I had other promises for CDs with photos and they came in too. Remember when you're on a Chapter outing and take pictures, please share them with me for the picture/history album for Chapter L. Please give me anything from January 1st on and we'll get going on 2003's book. Did anyone get a few photos on the dinner rides? If so, bring them to one of our gatherings so that it may go down in history. - Thanks -

Brenda

SAFETY - Rider Education

By Tom Runck

I want to take this opportunity to sincerely thank everyone for their support of our annual bake sale. I'll bet when you saw Jeff and Gary come out with "Bake Me" and "Buy Me" that there was no doubt in anyone's mind that I would be my favorite saying, "Bite Me." I also want to say a big "Thank-You"

to Tim Kendrick for the "Sold" sign and bell. That was too cool. We all had a great time – hope you did too.

I can't believe I am actually planning to go to the Smokies with everyone and have no plans of doing the Gap – I guess I am all "Gap'ed" out and really ready to explore some new riding challenges. Speaking of challenges – remember to keep your wits about you when you are in those twisties. This is the time of year when most of us don't have any significant saddle time yet. Then we find ourselves on some of the most challenging roads we ride all year. What does that mean? It means we may not be as prepared as we should be or think we are and we just might not set up properly for that next mountain turn. Remember - it is always better to enter the turn in a slow, controlled fashion – not fast enough that you need to be on the brakes. Look through the turn and then twist the throttle. You've often heard me refer to how I love to make the GoldWing dance well a smooth and controlled turn makes for one heck of a great ride.

When in Tennessee, I hope to have the pleasure of leading some of you brave souls on Saturday for a day ride. We will be leaving from the hotel parking lot at 8:00 AM and going to breakfast and then taking our ride. We should be finished by late afternoon and make it back in plenty of time to meet the rest of the gang for dinner. We will not be riding on the Gap or the Cherohala. I hope you can come along.

I am happy to report that our ERC class is full. Everyone taking the class deserves a big pat on the back for taking the time to sharpen their riding skills which ultimately makes for a more pleasurable and safer ride for them and you.

Our next upcoming Rider Education event is Skills Day Southwest. This will be held on Saturday, May 31st from 10:00 AM-2:00 PM at Stebbins High School on Route 4 at the Harshman Road Exit in Dayton. I will have more details at the May meeting. This is a great opportunity to practice your riding skills in a controlled environment and mingle with GoldWing friends.

See you on the 16th.

Treasurers Report

by Pat Runck, Treasurer

No foolin' – it's April and boy am I glad about that! Just a few more weeks to go and a lot of us will be enjoying the great riding roads Tennessee and North Carolina have to offer. We are so fortunate to have this motorcycling paradise so close by. If you will be going to Tennessee and are feeling really brave, you might want to venture over to the Tennessee "Spring Fling" rally and watch a reenactment of X-2's Cabin Fever no-talent (and I do mean NO talent) show. I'm hoping they bring home a winner!

As much as I hate to do it – I am going to go back to March but for a very good reason. I want to personally thank everyone who so generously donated to and purchased from our Bake Sale. It was awesome. We had 96 people in attendance and had 63 culinary delights donated. Here comes the drum-roll.....and thanks to our generous bidders and our wacko "Bake-Me", "Buy-Me" and "Bite-Me" auctioneers (Jeff Weddle, Gary Kuchera and Tom Runck) – we raised \$1,136 which will definitely help us offset our monthly expenses for printing, postage and hall rental. We asked, you answered and we all win. What a great group.

We had some visitors at our meeting and one lucky guest from Chapter X-2 – Pat Branigan – was our \$10.00 membership draw winner. It always pays to go to "L".

I hope to see you all at our meeting on April 16th. Don't forget to bring your door prizes and your current GWRRA membership card. You don't want to miss out on being our next \$10.00 winner. The April recipient of the "On The Spot" award has already been selected (unless somebody else does something as bad as this one was). You don't want to miss it. See you soon and remember.....together we can have one "L" of a good time.

Take care, *Pat*

R & R Report

Well, the first official R & R (Retired & Riding) ride had 14 hungry bikers turn out at Wendy's on Tuesday April 1, 2003. The concept of this ride is to keep the retired riders active in things other than cutting grass and painting, (lesser important things that can be done at a later time).

Joining me on the first ride were: **Fred Hicks, Rick Harless, Jim Beeber, Bige Napier, Chuck Geggie, Joe Lupo, Walt Hart, Butch Royse, Andy Andrea, Paul Lowe, Ed Packard & Elmer Jauch**. It was pretty amazing that we had 8 GL 1800's, 2 Valkries and 3 GL 1500's and 1 GL 1000.

We left Wendy's at 9:30 and trekked out across some backroads in Ohio and crossed over into Indiana via Carolina Trace Road and eventually made our way to Brookville Lake. From there we went on to Osgood Grub Company for lunch. From Osgood we rode to Vevay, Indiana, circled around and headed back to Ohio. By the time I arrived home I had 170 miles on the clock. Nice ride!

HAPPY!

Due to a mix-up on Grammy night, Madonna, Britney Spears and Christina Aguilera are forced to share a private jet in order to arrive in time for the ceremony.

Once up in the air, Madonna pulls out a \$1000 bill and says, "I'm going to throw this \$1000 bill out the window and make someone down below very happy."

Not to be outdone, Britney rips a \$1000 bill in half and throws it out the window, saying, "Look, I just made two people really happy."

Not even noticing Britney's stupid move, Christina brags, "Look, I'm going to throw 1000 \$1 bills and make a lot more people a little happier."

At this point the pilot, who has overheard all this bragging and can't stand it anymore, comes out and says, "I think I'll throw all three of you out of this plane and make 250 million people happy."

HAPPIEST

A couple is lying in bed. The man says, "I am going to make you the happiest woman in the world" the woman says, "I'll miss you."

HEALTH NOTES

It is well documented that for every minute that you exercise, you add one minute to your life. This enables you at 85 years old to spend an additional 5 months in a nursing home at \$5000 per month.

SUMMER IS COMING and so is camping with your motorcycle

I used to camp years ago and here are a few tips for those who like to camp.

- When using a public campground, a tuba placed on your picnic table will keep the campsites on either side vacant.
- Get even with a bear who raided your food bag by kicking his favorite stump apart and eating all the ants.
- Old socks can be made into high fiber beef jerky by smoking them over an open fire.
- When smoking a fish, never inhale.
- A hot rock placed in your sleeping bag will keep your feet warm. A hot enchilada works almost as well, but the cheese sticks between your toes.
- While the Swiss Army Knife has been popular for years, the Swiss Navy Knife has remained largely unheralded. Its single blade functions as a tiny canoe paddle.
- Lint from your navel makes a handy fire starter. Warning: Remove lint from navel before applying the match.

Wacky names

Q: What is the name of the bad lion tamer?

A: Claude Bottom!
