Carl's Comments

Carl Hauser, Chapter Director

Hi all,

A lot of you have been giving me hell about not getting you updates on Cris' progress. Well here it is. We took her to the Orthopedic Doctor on the 29th of July. He said she was growing bone all over the place. Which is a good thing. She is walking with a cane, and is putting 100% of her weight on it. She hopes to be able to start driving in the next couple of weeks and riding shortly there after. All of you thoughts and prayers have been greatly appreciated.

A group of us went down to the Free Store on the 24th of July to deliver all of the can goods that we have been collecting over the past 6 months. As we pulled in with our Santa hats over our helmets, people gathered to find out what was going on. Christmas in July was a big success; we delivered 600 pounds of can goods. Thanks to all that went with us and to all that donated to this worthy cause.

On Saturday the 31st we ventured up to Pickerington to the AMA Museum. We got to see all of those other H bikes and some of their history. From there we went to the home of Dave & Marva Pettit, they are the most northern members of Chapter L. Dave, Marva and Lois treated us all to a fantastic picnic lunch. Thanks Dave, Marva and Lois Pettit for all of you hospitality.

On Sunday we went up to the Hurley's for the Sectional Picnic. There was a great turnout and the weather was great. Thanks Roger and Penny for all you have done for the Southwest and good luck as our District Directors.

Chapter L's Picnic is THIS weekend Aug 14th. I hope you can all attend and bring your families. Don't forget a covered dish to share, with food in it, your drinks and some chairs.

The Region D Rally is approaching rapidly. It is Sep. 16th – 19th. Cris & I will be attending and would like to know who would like to join us. Let me know if you plan on being there so we can meet up and have some fun together.

Cris & I hope to see you all at our next gathering on Aug. 18th 7:30 PM at Lakeridge Conference Center, 7210 Pippin Rd. We will be celebrating our 19th Birthday.

Chit Chat With Cris Mrs. CD, Region D Rep Lady Riders & Newsletter Editor

Can you believe that it is already August and time for our annual Chapter L Picnic? The weather should be great and we know the food is always good. So make sure that you bring a cover dish and your own drinks to Rich & Linda Elsen's house on August 14 for some fun.

Brenda and Jim will be doing the children and adult games this year and have asked that you be there to participate. The games will start at 2:30 p.m. and end around 4 p.m. They have split the children up by age brackets to make it fair for all. The age brackets will be 2-3 year, 4-6 year, 7-9 year, 10-12 year & above 12- Adult.

We are planning on eating around 4:30 p.m. but don't hold me to that because it depends on the chef. There will be an after dinner hay ride for those that wish to have a roll in the hay.

Hope to see everyone at the picnic on August 14th and also at our 19th birthday party meeting on August 18th at 7:30 p.m.

Cris

Pins & Patches

Hi Everyone! Well it's that time of the year again when Tom and I see **double**. Oh no! (Zachary's favorite words) we haven't been hitting the bottle. We are just preparing for our **twin** grandsons Spencer and Zachary's second birthday by purchasing **two** of everything. So, we were thinking that you might like matching shirts or **twin** pins, patches or flags. It's not terrible **two** or **double** trouble for us to order in sets. So if you are needing an item or **two**, please stop at our table and we will be glad to take your order.

Congratulations and Happy 19th Birthday Chapter L. May we all travel together safely for another 19 years, have fun times and make great memories. Hope to see everyone at our August meeting.

Well August is here and that means HOT SUMMER FUN is ready to wind down. It always seems to me that once August is here, our good weather riding days are getting shorter. Something else ... whenever August is here it reminds me that our GWRRA Chapter is having an anniversary celebration of receiving our Charter from GWRRA in Phoenix.

Historically speaking ... 1985 - nineteen years ago August 24, the Ohio State Director (now District Director) was Dale Kurth. Chapter L Area Rep was Bill Wergowske and the Assistant Area Rep was Elmer Jauch. A Charter Ride was planned and 18 riders/co-riders braved the rain and rode to St. Mary's, Ohio for our Charter. The Assistant State Director was Jim Trent who met us there and presented us with our GWRRA Charter. The 18 who rode that day were: Bill Wergowske, Jim Pennington, Brenda Pennington, Roger Armontrout, Mary Armontrout, Billy Mullins, Margaret Mullins, Ed Gorman, Judy Gorman, Paul Dion, Henry Arnold, Jim Nickerson, Ken Truax, Mabel Truax, Al Rolfes, Lois Rolfes, Bo Capehart and Kathy Peck. Speaking of Kathy Peck ... she made our first banner and that banner was displayed at the very first Cabin Fever and for quite a few rallies after that. The original banner was retired at the end of 1990 as Jim & Pauline Petroviak, the new A/R's following Brenda and me, had a new banner made and presented us with the original one.

Getting back to History ... nineteen years ago this past April 13 (a Saturday), Chapter L had its "get acquainted" meeting with 23 in attendance. That included 10 to 12 visitors from other chapters in or around Dayton. The first OFFICIAL meeting was held on May 22, 1985 with 32 in attendance. A logo design contest was announced for an official Chapter Patch with the chapter colors being selected as gold and blue. The third official meeting was one where the winner of the patch design was announced. Kathy Peck won it! Imagine that!

Time marched on into 1987 and Brenda and I assumed the Area Representative position at the Indiana Rally in Merrillville. The same year Chapter L became the largest chapter in Ohio. From our meager beginnings Chapter L grew and grew to the point that in the fall of 1987, Chapter A-2 and E-2 were branched off to start new growth in the north and east of Cincinnati. During that time Chapter L has been recognized as having Kathy Peck as our Chapter Queen, Ohio Queen and Region D Queen

as well as Wing Ding Princess in 1987. Continuing in 1987, Chapter L also won the prestigious award of "Largest Chapter in Attendance" at Wing Ding with 76 registered members in attendance. Then at the State officers Meeting in Columbus in the winter of 1988, Chapter L's Assistant Area Reps were Barry and Judy Zobel and they were selected to be Ohio State Couple of the Year for 1989.

Positive growth in Chapter L from its inception spread also over State lines to Kentucky G and Indiana G-2 as they started up along the way. There were many from Chapter L who attended Kentucky meetings and the Indiana meetings as well. Quite a few Chapter L members are Charter members of both Chapters. Mike Wright the Indiana State Director at the time, came to Chapter L's Mall Show while in town to try to select someone as Area Rep for IN G2 since Ed Gorman who worked so hard to get G2 off the ground, had accepted another job and was leaving town.

I am pretty proud of Chapter L and what we have accomplished during the last 19 years. Thanks to the Charter and earlier members of Chapter L who helped pave the way so that there could be Chapter A-2, E-2 and X-2 in the Southwest part of Ohio. At

the August meeting I will introduce all of the Charter Members present. Time marches on and our next one will be the big 20!

Life is short, ... time to find some longer roads.

Jim

RALLIES AND CONCIERGE

At our July gathering, I made a survey of those in attendance to see who refused to attend any of the remaining rallies on our 2004 schedule. As a result, I was compelled to offer a proposal for having some t-shirts made up to celebrate the situation and bring us all a little closer together in some way. After a brief discussion, it was apparent that some thought it was a great idea, but the proposal was ultimately not adopted. However, there is a new proposal presented here for the first time. Those wishing to be properly counted out should fill out all the remaining state rally registration forms, indicating "non-registrant" beside your name, and send them in with no money. Perhaps our chapter can win the award for "most ain't coming". Remember to sign your forms.

Diane and I have reserved a block of 20 rooms for next year's Wing Ding XXVII in Fort Wayne, Indiana. Wing Ding dates are Monday, July 4th through Thursday, July 7th, so the reservation covers the nights of July 4th, 5th, and 6th. Our hotel will be the Quality Hotel, which is also the host hotel. The hotel phone number is 1-260-484-7711 and our group name is "Chapter L of Ohio". The Ft. Wayne CVB Housing Bureau has been helping us get reservations, and their number is 1-800-767-7752.

Some of the more popular hotels near the Allen County War Memorial Coliseum include the following:

- . Quality Hotel (Host) – 3330 W. Coliseum Blvd.
- . Amerisuites
- . Baymont Inn
- . Courtyard by Marriott

Our list of rallies remaining for this year has dwindled to:

WEST Virginia – Flatwoods, W.V. – AUG 12-14

KENTUCKY – Paducah, Ky. - AUG 27-28

REGION D – Marshall, Mi. - SEP 16-18

**WINGS OVER THE SMOKIES –
Asheville/Fletcher, N.C. - SEP 23-25**

VIRGINIA – Salem, Virginia – OCT 7-10

Please remember to check the tables at our monthly get-togethers for rally flyers, reservation forms, and signup sheets. If you can't find something let us know. Also let us know if you have any suggestions for motel accommodations. Our number is **513-385-2356**. Thanks for pausing here and we'll see you at the next get-together if not elsewhere.

ACD Newsletter NOTES

By Tim Kendrick

A few words from the ACD...

I'm a couple weeks post-op and everything is going well. I want to thank everyone for the get well cards and well wishes. Going through something like this

is easier when you know you have so many friends hoping for a speedy recovery and good outcome?

Anita and I went to the southwest section picnic at the Hurley's this past weekend. It was the best turnout ever, according to Roger, with over 120 in attendance. Most folks came on bikes. It looked like a rally in progress. All we needed was a few vendors... Roger had a good setup with large canopies providing shade for all since it was a warm afternoon. His pool was open to everyone too. A brief water fight between a few members of X-2 and E-2 provided some extra entertainment. There was plenty of good food and time to chat with members from other chapters. You should try to attend next year if you can...

Our annual birthday meeting is coming up on the 18th of this month. Chapter L will be 19! As usual we will be celebrating the occasion and honoring those who got us here. We hope you can make it to the meeting.

Fall is fast approaching and with it some of our biggest events. The picnic is this month, the dance in September and the Chili Dump in October. We hope you can attend each of these and spread the word to others that you think might be interested in attending.

Each of these events is being held at Rich and Linda Elsen's farm. We truly appreciate this generous offer from them year after year. Please remember to thank them the next time you see them.

That's all for now... Ride Safe!

Motorcycle Sensations

I received this article from Dave Taylor and thought you would enjoy reading it also. I think this says it all.

Driving a motorcycle is a sensual, visceral, and immediate experience. It's the blast of air parting in an almost physical way around your body. It's the feel of heavy steel machinery between your thighs and knees as you move through turns, running a good road in the morning. It's the taste of wet grass, deep woods, damp riverbanks, and freshly cut hay

that finds its way to the back of your throat. You know and experience what is around you and feel the very sensation of motion itself, in a way that you never can behind the wheel of a car.

In a car you drive a road, on a motorcycle you feel it. On a motorcycle every rise and dip, every change in surface or cant, every turn or straightway, is a temporal and physical experience. In a car you are enclosed, removed from what is without by the machinery that moves you. The windshield, the air conditioning, the heater, the radio, the upholstered cradle of your seat, the locked doors, the surrounding frame, they all separate you from the

reality of the road and weather. On a motorcycle the machine and the environment are an integral part of the experience. As you come home in the afternoon, the sun touches your shoulders with great warm hands. Somewhere in the middle of a long day of riding--especially on curves, where lean and torque, body and bike angle, gravity and speed, determine the physics and the line of movement--the machine becomes an extension of the body, a melding of what is human and what is mechanical.

I have heard the criticisms and they are true: on a motorcycle you trade safety for sensation, enclosure for exhilaration. A steering wheel, an airbag, and a roll cage are, however, poor substitutes for the motion and the freedom of a motorcycle.

I want to wish Chapter L a happy 19th birthday this month. I am looking forward to seeing everyone on the 18th to celebrate this happy occasion. This would be a great time to give yourself a present too by signing up for the GWRRA Rider Education Levels Program. See me at the meeting to get signed-up or to renew or to find out more about this important benefit of belonging to our association. It is a great time to make a personal commitment to safety. Remember...**Safety is for Life!**

Yippee – it's August and that means it is time for two really nice times to get together that start with "P" – Chapter L's Party to celebrate it's 19th birthday this year and the annual Picnic on August 14th at the Elsen farm. In addition to this there are some great rides planned for the month too.

Tom and I just haven't been able to participate much this year due to all the time required helping my mom & dad while my mom has been dealing with chemotherapy and cancer. Besides that we have had four family weddings since April and now our son, Tom, Jr., is getting married in September. So, this is just a year when all the Goldwing fun has had to take a back seat, so to speak. Our annual vacation to Michigan is coming up at the end of the month and boy, am I looking forward to that. We will have to miss Butch & Betty Royse's ride up to the Henry Ford Museum (something Tom has wanted to do for a long time) but actually might see everyone on the road home that weekend since we will be heading south at the same time.

As usual, our door prize table was overflowing at July's meeting and our list of door prize donations came from: Tom & Cookie Salamon, Jim & Brenda Pennington, Fred & Lori Manning, Bud Hensler, Tom & Pat Runck, Tom Young, Walt Bohanan, Ed Ely, Joan Herrick, Jim & Pauline Petroviak, Steve Albert, Jack Elsen & Pauline Boderone, Tom & Barb Burns, Debbie Winkler, Roy & Kathy Richard, Andy & Janet Andrea, Butch Boeing, Judy Wyckoff and Western Hills Honda. Quite a few people went home with some great stuff for their Goldwings thanks to the items from Western Hills Honda. Personally, I think it is great to hear the news about the new faces at the dealership.

Fred Manning claimed our traveling door prize last month and he won all kinds of goodies that he can use for his next craft or school project. It will be fun to see what he fills the traveling lunch box with for our birthday meeting.

Hope you can join us to celebrate Chapter L's birthday on August 18th. I am sure we will have some goodies to eat in celebration and as always we really appreciate your donation of door prizes too. See you soon and remember...together we can have one "L" of a good time.

Take care, Pat

Sunshine Update on Patients

Cris Hauser: Good bone growth, walking with a cane, She is not to drive a car or motorcycle until she is able to walk without a cane or any assistance. Cris is doing great! She is even traversing the steps at home and not on her behind.

Joe Rosemeyer: The heart is still not working properly. Dr. Waller has him set for the procedure in Oklahoma on Sept. 27th. The reason for the delay is too much radiation in his body From the past ablations. Keep Joe in Your prayers.

Ray Hiser: Still in need of your prayers. I have not been able to reach the family. Please keep the prayers coming. Ray and Gail need our spiritual support!

Cookie Salamon: She has a small ankle bone break. She is in a cast for 6 weeks. She tells me boredom has set in! Knitting and crocheting only occupy you for so long! Her spirits are great and I know we will see her often, cast and all! You can't keep good women down.

Pauline Monroe: Her broken foot has healed well. She still cannot get into dress shoes. She thanks everyone for the prayers and good wishes.

Amie (Rick & Bobbie Harless' Daughter) She is still in the hospital, but daily doing better. Mom, dad, sister and husband are pushing her to continue doing things on her own. She is able to roll her own wheelchair; she is being put in a stander, she is not real happy with hospital food, and continues to ask for Skyline! Good news is we may see her at home at the end of September. Continue your prayers the road ahead is long!

Peggy Muchmore Smith: Wed., Aug 4th underwent bypass surgery. Keep Peg in your prayers! With her love of life and GWRRA I am sure we will see her back in the swing of things very soon!

If anyone has been forgotten, I apologize. We all wish you good health and pray to see all of you back with us real soon.

Chapter "L" Ride and Event Calendar

EXTRA! EXTRA! Ride Coordinators MIA!

Isn't there a song that goes "summer's here and the riding is easy"? Close enough for us. Actually the riding is the easy part. It is the scheduling that is tough. As many of you know Jeff is in school and that has taken a serious chunk of our "free" time and with three busy boys at home well, you get the picture.

Coordinating our busy lives with chapter rides and events can be a challenge. In the month of July we were only able to attend one event, the A-2 cruise-in. We really had a great time and it is great times like these that remind us why we joined GWRRA, for friendship, fun and safety. We want to thank Debbie and the A-2 crew for a job well done. Reluctantly, Jeff and I left wishing we could stay longer but parenthood called and back to the "nest" we flew. We realize that everybody is busy but, take a look at the ride schedule and see if there is at least one ride or event you can attend. You'll have fun. You'll be among friends and best of all; you'll fly back to your "nest" smiling with your GWRRA battery recharged, looking forward to the next time. We are.

MS-150 Wrap-up

First of all Andy and I want to thank all who volunteered to work for the MS-150 bicycle tour. The MS committee couldn't have done it without the help of our volunteers: John Moermond, Greg Andrea, Ed Ely & Joan Herrick, Chuck & Melanie Geggie, Walt & Diane Hart, Carl (& Cris in spirit) Hauser, Sam & Donna Peterson, Butch Royse, Bud & Peggy Smith, Dan & Georgia Horgan, Clyde Jones & Terry Crouthers, Dave & Terry Kuhn, Pat & JoAnn Marston, Roy & Kathy Richard and Tom & Cookie Salamon. You were all fantastic and you used great judgment when situations called for a change in assignments. Great job! The MS-150 Committee can't thank our volunteers enough. We make the ride so much safer and much more fun for the riders when we cheer them on. They also apologized for not giving us the final route changes. It seems that the route people didn't have my e-mail address and the MS committee got so many e-mails the last week that they didn't forward it on to us as requested.

Everyone had dinner at the Miami University dining hall around 5:30 and the food selection was excellent. True to form, no Gold Winger went away hungry!!! One of the nicest parts of working for the MS-150 is not only the food but also the time we all spend together in the evening on the front steps of the dorm. The conversation and laughs are the best! We actually got a good night sleep. Poor Butch froze in his room however and when Andy told him the next morning that he could have adjusted the thermostat in his room Butch couldn't believe he missed seeing that. Bud and Peggy asked for a wake up call from Andy and me and when I tried to call them on his cell phone, the call went straight to his Voice Mail. It turns out that Bud put it on charge all night. Way to go Bud! No one knew what room they were in so they overslept. Believe it or not, they made it on the road in time but they were moving mighty fast. We also learned that the night before, Bud wiped off Andy's bike. What a nice guy! Also thanks again to Peggy for doing a wonderful job of being our room mother at the dorm.

It was an early morning and we all had a wonderful breakfast. We were on the road about 6:50 AM and believe it or not, many bicyclists were on the road by 6:15.

The MS-150 committee reported at our latest meeting that the route might be changed next year. Miami University may no longer be able to accommodate this event. If that is the case, the committee plans to begin and end the ride at a local high school such as Lakota East or Wilmington with overnight accommodations at the University of Dayton. Parts of the route remain the same but of course the end will be changed. They will be meeting with Miami University on Sept. 9th to make a decision. We'll keep you all posted.

God bless and thank you again.

Janet & Andy

Dinner Ride Sunday September 12th

This ride will take you on an 85 mile ride, on some nice country roads in Kentucky and ending near Ft. Mitchell at the Log Cabin Inn for dinner. It is in the Entertainment Book on Page A71. We'll be leaving from the K Mart parking lot on Colerain Ave. at 2:00 PM. and hopefully arrive at the restaurant around 5:30 PM. Some may prefer to meet us at The Hampton Inn by Rt. 8 and 3rd. St. in Covington. We'll look for you at the front entrance driveway.

Anyone that can't join us for the ride can meet us at the restaurant. We should be there around 5:30. Take I-275 to the Madison Pike exit and take Route 17 South. Go about 3 miles and turn left at the first light at a Marathon gas station. Take the first street to your right and you'll see the log cabin on your left. The reservation should be under GWRRA.

Hope to see you there!

Andy and Janet
