Tidbits from Tim

By Tim Kendrick

It is hard to believe that it is August already. Where has the summer gone? We have a lot of activities remaining this year and hope you are ready for some fun. The chapter picnic is scheduled for August 12th at the Elsens' Pavillion. Richard & Linda very kindly open their home to us for our many activities in the fall and I would like to take time to once again say THANK YOU!

Last year the picnic was a scorcher and it looks like we may have another one. The ladies have promised the baby pool will be there again and anyone, who wants to put their feet in the ice water, will be welcome. I do have some concerns about rumors of "bunny" bathing suits appearing. I can only tell you this bunny is permanently retired.

September will be a great month as well. Anita and I are looking forward to the Chapter campout. We are very excited about enjoying some campfire food and fun. (There is always food in there somewhere isn't there?) The Chapter Dance is also in the month of September and we hope to have a great turn out. This is one of our biannual fundraisers and it will help to pay the rent for our new meeting room for the up coming year. We always have a lot of fun at the dance...music, dancing and just spending some relaxing time with friends and family. Doesn't get any better.

I hope to see everyone at the meeting.... Have a great month.

Tim

M.A.D Mrs. CD (Motorist Awareness Division)

By Anita Kendrick

Are you hot enough? Wow, we're sure having a warm one. Please remember to be safe out there in this heat. I can't believe it is August. I am having a true aging crisis, with our grandson ready to make his appearance any time and the fact that I just picked up Nate's senior pictures, I really feel older than my years. Top that with the fact that Jacob is entering high school. Tim and I think we should be joining the R & R group anytime.

I hope everyone is getting ready for our fall fun. We are starting to enter a very busy time for Chapter L. The chapter picnic is just a week or two away, followed quickly by our Chapter Dance and we wind down with the famous Chili Dump. Throw in the camp out and we should be having a great time.

One last note- please plan to join us at the August gathering as we celebrate our Chapter Birthday! We always have a great time and love any chance to have "cake". See you all soon.

Anita "Mrs. T."

Notes from Our ACD

By Roy & Kathy Richard

Congratulations again to Jim and Brenda Pennington on being selected the GWRRA International Couple of the Year at Wing Ding 28 in Nashville, Tennessee. GWRRA, Chapter L, Ohio District and Region D can all be proud of Jim and Brenda; they will be GREAT representatives for GWRRA.

Where has this summer gone? Before we know it the Labor Day weekend and the Region D Rally will be here and officially the summer of 2006 will be over. It sure seems as though we have had our share of hot weather this summer. Be sure to keep cool and drink lots of liquids on those rides.

The month of July started out with Chapter L members attending Wing Ding 28 in Nashville, Tennessee. I heard that there were a record number of attendees, a goal to try to break at next years Wing Ding 29 in Billings, Montana. The weekend after WD28, we helped with the MS150 fundraiser. Our brother-in-law, Jim Couk from IN Chapter K signed up and helped us with the MS150. Jim enjoyed the event and I expect him to sign up again next year. There were over 850 bicyclist who made 100 to 150 mile trip from the Robert Center (I-71 exit 50) to the University of Dayton and back. The weather, food and accommodations were great and the cyclists really appreciated the Gold Wings assistance at the road intersections along the route.

We attended A-2, E-2 and X-2 monthly gatherings this month and also A-2's Cruise-in. It was another hot day for the cruise-in but water balloons and squirt guns sure helped keep everyone a little bit cooler. We attended Chapter L's monthly gathering

at the Green Township Senior Citizens Center and the following weekend we led a ride to the Drake Center to visit Clyde Jones. Joining us were Pauline Boderone, Jack Elsen, Dan & Diane Daulton, Bud Smith, and Fred & Lori Manning. Clyde looked GREAT and he really looks forward to all visitors. Clyde did mention on more than one occasion that he was going to walk out of the Drake Center and with his determination and attitude I would not doubt it and probably sooner than later. After visiting with Clyde we ate dinner at Sorrento's in Reading, Ohio.

We joined Carl & Cris Hauser for a cookout at Dave & Marva Pettit's home in Pickerington, Ohio. Again it was another hot weekend but the food and company were great. Well it has been another busy month and we are looking forward to more rides and Chapter activities next month.

Next month's Chapter L activities include the First of the Month Dinner Ride, annual Chapter Picnic at Rich & Linda Elsen's farm, monthly Chapter Gathering at the Green Township Senior Citizen's Center, multi-Chapter Dinner Ride to KingFish Restaurant, Kentucky Rally and the Region D Rally in Lebanon, Indiana. Watch for the Weekly Reminder for dates, times and ride information about upcoming Chapter activities.

If you haven't signed up for an upcoming ride, call the ride leader or coordinator or sign up at the next Chapter meeting. We hope everyone is attending our southwest Ohio section chapter meetings and activities and is getting their orange Ohio Passport cards signed. Remember to send in your completed card. Each completed card is entered into an end of year drawing for a paid registration to either next years Cabin Fever, Buckeye Rally or Region D Rally.

T-CLOCK Inspection

Reading this month's Wing World I came across the "Back to the Basics" article about the pre-ride routine known as T-CLOCK. I am guilty of not going through these steps often enough and thought it might help myself as well as others to get into a better routine if I used this as my topic for the month.

T – Tires and Wheels. Use a tire gauge to check air pressure. Visually check wheels, tires (tread depth, wear, weathering, bulges, and imbedded objects), valve stems, wheel balance weights, brake pads and calipers.

C – Controls and Cables. Determine cables are connected, do not interfere with steering and are not worn. Determine that all levers and pedals work freely and properly.

L – Lights and Electric. Have a buddy confirm that headlights, taillights, brake lights and directional signals are illuminating properly. Check for any dashboard warnings. Confirm CB operation prior to riding.

O – Oil and Fluids. Follow your owner's manual instructions to verify you have enough oil, gasoline, hydraulic fluid and coolant.

C – Chassis and Drive Train. Visually inspect the bike's frame for obstructions, cracks, etc. Check final drive fluid level.

K – Kickstand. Check for free movement; tighten fasteners and proper function of engine cut off feature (if applicable).

Chapter Treasurer

The eighth month of the year has arrived. It is National Back to School Month, National Psoriasis Awareness Month, National Investors Month, Admit You're Happy Month, Women's Small Business Month and in many European countries, August is the holiday *month* for most workers (now I like that idea!). There are 31 days to enjoy riding and if you feel like taking a long ride, head over to the 66th Annual Black Hills Motorcycle Rally in Sturgis, SD.

Now for a July review – we had 76 friends at our July meeting and we inducted another "L"ucky kid as a Chapter L "brat." Tony Heim, who is also Level II in the Rider Ed Levels Program, is our newest inductee and you will definitely notice his smiling face, chapter shirt and vest and official pin.

Last month Pauline Boderone brought back the traveling door prize – in a brand new bag. Bud Smith was our "L"ucky winner and inside the bag

he found a “gold” brick (hopefully not to drop on his healing foot), bottled water, candy and 20 lottery tickets. We will have to find out if he won anything. Can’t wait to see what Bud fills the bag with this month. You could go home with the traveling door prize – all you have to do is pick up your tickets at the door for attending the meeting or bring a door prize to be eligible to win.

Jim Beeber was July’s lucky membership draw winner and he rang L’s Bells and won \$5.00. Just like in June, as fast as I wrote the check, Jim insisted on donating it back to the chapter. Thanks a “L”ot, Jim!

The door prize table was full of great give-aways in July thanks to the generous donations of the following people: Rick & Bobbie Harless, Roy & Kathy Richard, Jack Elsen & Pauline Boderone, Randy & Gail Hiser, Bud Hensler, Terri Kuhn, Dave, Jackie & Tony Heim, Andy & Janet Andrea, Karen Tomlin, Jucky Wyckoff, Tim & Anita Kendrick and Pat Runck. Thanks a “L”ot!

Pauline Boderone will be taking notes for me at the August meeting since Tom and I will be gone on our annual trek to Michigan. Can’t wait to go “Up North” for some fishing and relaxing. Don’t forget that Chapter L’s next meeting is at 7:30 PM at the Green Twp. Senior Center. And remember...together we can have one “L” of a good time.

Pins & Patches

Hi Everyone! Last month we introduced a new item. It’s a T-shirt that you can have customized your own way. You might want to have a picture of your kids, grandkids, and significant other, favorite pet or motorcycle printed on the front of the shirt. Also, along with the picture you can have anything written on the front or back of the shirt. All you need to do is send us an email or give us a picture along with your shirt size. We look forward to taking your order. Just stop by and see us at the next Chapter L meeting.

Chapter “L” Ride and Event Calendar

By Roy & Sheli Williams

Hi to all... We certainly hope that everyone has been able to enjoy this summer so far. We have had one “L” of a great season so far for riding. There have been some wonderful rides this summer. Roy and I had an opportunity to ride an “Open Ride” a couple of weeks ago.... What a great turn out! Joe & Terri Rosemeyer lead the ride though Indiana then towards Butler State Park, we of course had to stop at Dairy Queen, followed by dinner at Bob Evan’s. Warm weather, beautiful roads and great company made for a lovely day to ride. Andy & Janet Andrea, Walt & Diane Hart, Steve Albert, and Rick Himmelhaver (friend of Joe’s) were all there to enjoy the day with us.

The Chapter Picnic is fast approaching, which means the cooler weather should be right around the corner. Start planning ahead for the late September and October activities. The Chapter L dance is September 16th, you should think about buying those tickets now! For those who are unaware, the dance is a fundraiser for the Chapter. We certainly want to see everyone at the Elsen’s Farm enjoying themselves. Bring your family and friends as well.

A Trip to see Clyde

By Dan Daulton

As many of you may know there was a contingent of Chapter L members who went on a short ride to visit with our incapacitated comrade, Clyde Jones, on Saturday the 22nd of July. Clyde is in room 413 at Drake Center on Galbraith Rd. Visiting with Clyde, when we arrived, was his daughter, Kim, Ed Ely and Joan Hendrick of E-2. It's always a wonder to me how the presence a few friends, whether known or unknown, can lift the spirits of someone to the point of great enjoyment, even though you are flat on your back. I say this because Clyde's spirits seemed to elevate more than a few notches when this motley crew entered his room. Clyde's condition is serious but he is approaching his

recovery with the tenacity of a bulldog and progressing well.

While we were there an interesting story was related about Clyde and his new electric wheel chair. It seems that the first day he got to operate the chair on his own, he was pursued down the hallway by no fewer than fifteen women. This feat in it self is an extreme ego booster! (Not the operation of the chair... being pursued by the ladies) We stayed with Clyde until his meal was served and consumed and, so as not to tax his energy too much, left with hugs and well wishes for a speedy recovery.

As is the case of all assemblies of "Wingers", we did what we do best... *we went out to eat*. A great time of fellowship and nourishment followed as we talked, ate, and generally had a great time.

Remember that Clyde would appreciate all visits to his bedside with the enthusiasm of a kid in a candy store.

Visiting from chapter "L" was Roy & Kathy Richard, Jack Elsen & Pauline Boderone, Fred & Lori

Manning, Bud Smith and Dan & Diana Daulton.

Awesome roads ahead ... and we are ready to ride!

By Jim & Brenda Pennington
International Couple 2006-2007

Wing Ding 28, Nashville, Tennessee, and the Opryland Hotel & Convention Center will remain in our memories for a very long time. On Saturday we met with the ten other Region Couples and the International Couple of the Year Coordinators, Tom & Kathy Peck, for a tour of the Wing Ding areas with Ed Price of the Event Management Group. For those who did not attend this Wing Ding, Opryland is very, very spacious and exciting. During this time we enjoyed getting to know each other and preparing for this once in a lifetime opportunity for each couple to have the opportunity to be selected as the International Couple of the Year.

Sunday, the day had arrived that we knew was coming since being selected as the Region D Couple of the Year in September 2005. We heard each and everyone of you as we entered the room with Tom & Sandy Taggart, the Region D Directors—a beautiful sound of love that we will never forget. And, then with all the oomph we had,

we went to the front and center stage and did our best to be ourselves and represent each GWRRA member of Chapter L Ohio and the surrounding area chapters, the District of Ohio, and Region D.

Our journey down this exciting road began when we agreed to be honored by Chapter L of Ohio as their Chapter Couple. The next new road was on to Ohio District Couple of the Year. Then the Region D Couple of the Year selection showed us some new roads throughout Indiana and Michigan. And then on Monday, July 3rd on our 47th wedding anniversary, at Wing Ding 28 opening ceremonies, we were announced as the International Couple of the Year. That announcement paved our way to the International Road which will lead us across the United States and Canada and as our grandkids would say ... to "infinity and beyond!" WOW, we love riding the GWRRA road!

This is an absolute honor and privilege for us to be GWRRA ambassadors for the coming year and represent each of you. We thank God for the blessing of this opportunity to let our lights shine during this coming year as we continue our journey – running down the GWRRA road.

It is our hope that all your journeys this year are safe and happy ones and as we continue our journey we will meet many new friends – "friends for fun safety and knowledge" – who are all important to this great GWRRA family!

Still here, still doing it, and still loving it – the "road runners"

Thank You

By Jim & Brenda Pennington

By the time you read this you will know that we are having a great ride in Alaska. Brenda and I want to thank Carl & Cris and all of Chapter L that went to Nashville and supported us at WingDing. I realize that there were those who wanted to be there and couldn't due to work schedules. Again, thanks to everyone in L, A-2, E-2, X-2, KYG, ING2, the Ohio District Staff and the Region D Staff for your support, whether you were there or not.

We wish everyone could have ridden with us through the Ice fields Parkway from the Lake Louise area to Jasper.

Paulines' Preposterous Poetry

By Pauline Boderone

June, July and August, where did our Summer go?
We left July with problems, some of you might know.

Linda Elsen took a fall, she tested the strength of concrete,
She broke left arm and her jaw, it wasn't very sweet.

Dave Kuhn's dad wrecked his bike coming home from work one day;
A John Deere tractor pulling discs really got in his way.

The entire road was taken when he came over the hill,
Thank GOD he had his helmet on, he took a nasty spill!

Remember these people in thought and prayer,
Let them know we really do care!

Chapter Couple 2006

Carl & Cris Hauser

Summer is coming to an end with Chapter L turning 21 this month. I guess that means that we are finally legal? Make sure that when you attend a function or attend the chapter meeting to stop by and see me so that I can get my hugs. When you see Carl and he asks you if he hugged you yet, just tell him No! He really likes when the ladies say no because that means he gets another hug.

For those of you that cannot attend the weekend ride on Saturday September 9th – Sunday, September 10th with Greg Hauch and would like to have some fun close to home, come join Carl & I at Mt. Healthy Christian Home's Fall Festival from 10 a.m. – 4 p.m. @ 8097 Hamilton Avenue. They are having a Classic Car & Bike Show. The registration fee for the Car & Bike show is \$5.00. There will be a "Best of Show" Award. They also will have some Local Crafters, Food, Clowns, Face Painting, Hourly Door Prizes, Music and Cornhole.

If you are a Crafter and would like to reserve a space you can contact Bev Noland @ (513) 931-5000, ext. 102. There is still plenty of room for any Local Crafters to set-up.

Carl & I are planning on entering our bikes and spending the day shopping at the crafters and promoting Motorist Awareness to all who attend the Festival. I will have a sign-up sheet at our August Meeting so don't be square come join the fun. See you at Chapter L's Birthday Meeting.
