Tidbits from Tim

Happy New Year! What great weather we had for the annual New Years day ride to Famous Dave's. The food and service were, once again, excellent. It was good to see old friends from many chapters in the area.

I hope everyone is planning on joining us at Cabin Fever this year. We've got some good ideas brewing for the parade on Friday night. I've asked Dave King to try to give Chapter L a break this year and not assign any duties since we've worked so hard for so many years in a row. He thinks he'll be able to do this so we'll have the entire weekend for just fun. Maybe we'll have time to introduce some new friends to the Big Yellow Moon...

As I mentioned last month, the Ohio staff has come up with a new incentive to promote visits to other chapters in your section called "Passport". For each completed Passport your name goes in the hat for a drawing for some very nice prizes. I'll cover this in detail at the January meeting.

The 2006 Ride Schedule is available on the chapter web site. I want to thank Sheli & Roy Williams for hosting the meeting and putting the schedule together along with merging changes from the officer's meeting. We'll try to keep it up to date as changes occur.

There are many good rides planned this year. Due to a lot of requests we also plan to bring back the chapter campout in September. If you have a tent, sleeping bag, camper, RV or motor home, plan to join us for lots of fun...

That's all I have for now. See you soon...

Tim

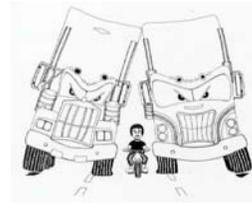

M.A.D Mrs. CD (Motorist Awareness Division)

As Tim and I sat down and started discussing our staff for 2006 one of the positions that stood out was for our Motorist Awareness Division fondly known as the MAD Coordinator. After the fall officers meeting I visited the Region D website (<http://www.geocities.com/~regiond/>) and began reading the information. I knew I would like to share this information with our chapter, our friends and the public so you now have a MAD Mrs. CD. Now there is a title.

The National Department of Transportation reported 79,081 motorcycle crashes in 2003. This number has risen each year by about 3000 accidents. Based on this data one would estimate there were approximately 85,000 accidents in 2005. This number is startling. So what are we going to do about decreasing this number? We are going to BE AWARE and MAKE OTHERS AWARE. The Region D website has a quote that says it all..."In "Ride Aware!" we believe crashes are predictable, preventable and culmination of many factors."

Designed by Justin Calloway, McCallum High School Advertising Design, Austin 1990. This illustration from the National Association of State

Motorcycle Safety Administrators (SMSA) shows one of biggest challenges on the road today. Whether in a car or on a motorcycle sharing the road with a tractor-trailer can be hazardous. The more

facts we know the better prepared we will be. Motorcyclists like pedestrians, bicyclists, and in-line skaters share the same issues of having lower visibility, less stability, and less protection. How do we make sure a truck driver is AWARE that we are on the road? We stay out of their Blind Spots and ensure they can see us. Trucks have large blind spots to the right and rear of the vehicle. Smaller blind spots exist on the right front corner and mid-left side of the truck. The worst thing a driver can do is to cruise along in the trucker's blind spot, where he cannot be seen. If you're going to pass a truck, do it and get it over with. Don't sit alongside with the cruise control set 1 mph faster than the truck is traveling.

I hope each month to share some piece of information that will help change the statement "Motorcyclists Are Dying to Be Seen". With each little bit of knowledge we gain and share with others someday we will say "Motorcyclists are PROUD to Be Seen".

Anita

Notes from Our ACD

I hope everyone had a happy 2005 holiday season with family and friends. The weather and temperature finally cooperated and many southwest Gold Wings converged at Famous Dave's BBQ for the annual New Year's Day luncheon. Everyone attending had

good times and good food. This ushered in the start of the 2006 Gold Wing ride year.

Check out the Chapter L 2006 ride schedule on the website. There are many great activities scheduled almost every weekend throughout the year. Start making your plans now to participate with your fellow Gold Wingers this 2006 riding season.

Just to highlight the upcoming schedule for January, there is the annual Dinner & Movie (please notify Brenda Pennington if you plan on attending) on January 21st. And in February there is the first Sunday of the Month Dinner on Feb.5th. The Wine & Dine Dinner is Feb 18th (contact Roy and Kathy Richard to make your reservation). Cabin Fever is scheduled for February 10th, 11th, and 12th. It is a fun weekend and a nice way to break up the winter months.

If you haven't already made reservations, sign up or call and have your name added to the list for these Chapter L events. In addition to our chapter, look at the other area chapter websites (A-2, E-2, X-2, Indiana G-2, Kentucky G) and check out their ride schedules, maybe there is a ride or event that might fit into your plans.

Hope to see you at the next GWRRA activity.

Roy

Looking back . . . with
Brenda Pennington,
Chapter Historian 2006

The newsletter for the chapter in January 1989 had for a headline: Chapter “L” is rooting for one “L” of a team – Go Bengals -- Who Dey think will beat them Bengals!” above Jim Borgman’s editorial cartoon with a large Bengal tiger laying in the stadium with NEXT... as a title. Sometimes history repeats itself, and this year’s Bengals are great and most of Cincinnati is excited about their 2005 success! **L yes!**

Continuing in the January 1989 newsletter had Ed & Diane Packard leading the Polar Bear Ride or Penguin Ride on New Year’s Day. Eight Gold Wings (Ed & Diane, Jim & Brenda Pennington, Fred & Lori Hicks, Mike & Judy O’Rourke, Butch Royse, Bob & Babe Pille, Ken & Robyn Woodruff, and Jim Nickerson) along with three 4-wheelers (Bill & Yvonne Tieke, Ron King, and Jim & Pauline Petroviak) had a beautiful, sometimes sunshiny, ride to Hueston Woods to meet and eat together at

the Lodge with friends from Chapter A-1 as well. It was a bit cool, but after all there was ice and snow to be seen . . . and temperatures in the low 30’s! Ed Packard (and Diane) were the Ride Coordinators for 1989 and we had a fun filled full and enjoyable riding schedule.

Looking back, many of the same named people listed 17 years ago are still riding and enjoying the friendships of Chapter L members today! The continued success of **Chapter L yes!** is because of these lasting friendships and the new friends we make monthly with visitors and new members.

L yes! as our history reveals, we had “friends for fun” in 1989 and 2006 will be a great year for making history for Chapter L while continuing to have a fun time enjoying friends, the meetings, activities and rides.

Happy New Year Chapter L yes!

Brenda

Rider Education

By Jim Pennington

Years pass quickly and soon everything is changed! You wonder, where I am coming from with that statement? Well, 2006 marks the 21st year of our own Chapter “L” and with that I look back on some of the positions I held as Chapter “L” emerged into a solid based GWRRA Chapter in the Cincinnati area. You see, back then in 1985, my first coordinator positions were Ride Coordinator and Safety Coordinator. Everyone knows what the Ride Coordinator does and this has not really changed. The Safety Coordinator dealt with rider safety and knowledge. The focus was the same, but the program has been vastly improved. It is now the GWRRA Rider Education Program.

Now there is an entire DIVISION within GWRRA that has developed their mission - **“To save lives through quality, world class education.”** The slogan – **“Safety is for life”**

Let’s get serious now, the GWRRA Rider Education Program (REP) is intended to make the motorcycle environment safer by reducing injuries and fatalities and increasing motorcyclist skills and awareness. As the new Chapter Educator, I would like to see everyone here in chapter “L” get into the REP “levels” program.

The REP does not propose to have all the answers. However, our close-working relationship with the Motorcycle Safety Foundation (MSF), as well as additional GWRRA programs and studies, has provided a wealth of information for use in establishing a comprehensive Rider Education Program. Through **Commitment, Education and Application**, we can reduce our accident rate significantly.

Listed below are several benefits of a fully implemented GWRRA Rider Education Program at the Chapter level:

- ❖ Increased Rider Knowledge
- ❖ Increased Rider Safety Skills
- ❖ Prevention of Accidents
- ❖ Reduce Injuries
- ❖ Reduced Fatalities
- ❖ Improved General Public image of motorcyclists
- ❖ Enhanced enjoyment of motorcycle riding

The motorcycle community is already realizing many positive benefits from the GWRRA Rider Education Program. Through the efforts of the Rider Education Officers and participation of the membership and others, we will reach our goal of establishing the safest motorcycle environment possible.

This year we will promote the REP to everyone and encourage each rider and co-rider to sign up for the Levels Program and take a Rider Course, whether it is a course for beginners or for experienced riders. I will have copies of the Levels Applications for everyone to get involved with safety. If you can afford to ride a Gold Wing, you can afford to be the safest rider you can, ... through **Commitment, Education and Application**.

Keep the rubber side down and watch out for left turns!

Chapter Treasurer
By Pat Runck

Happy New Year! The first day of 2006 was beautiful and I am sure some of you were fortunate enough to take a ride on your motorcycle to start the year off right. We didn't make it to Famous Dave's this year but I am sure a lot of you did. Hope you had a great time.

A New Year also means a new ride schedule and lots of things to do. Make sure you pick up a new

ride schedule at January's meeting and plan to join your GWRRA friends for some fun together, even though it probably won't be on two wheels quite yet. Don't forget to get your registration in for Cabin Fever too. That will be here before you know it.

Back in November Carol Pott won Chapter L's traveling door prize so we will see what goodies she has filled our lunch box with and who the new winner will be in January. And don't forget to drop your current membership card into the jar on the registration table. That's how you become eligible to be January's membership draw winner and then you will get to ring "L's Bells" for a chance to win \$5, \$10 or even \$15 dollars. Now that would be a great way to start off the New Year.

The Christmas party was a great success, even though attendance was down a bit with 78 people. The food was excellent again and there was plenty of it. I hope that all of you enjoyed Christmas as much as Tom and I did this year. My mom was feeling great and my whole family was together having an incredible time. As with most good things, the time just passed too quickly but what wonderful memories we made this year. Hope your holiday was as enjoyable.

Don't forget that we will be starting the door prize give away again in January too so if you got some crazy gift you think needs to be passed on January is the month to do it. Seriously, we really appreciate your continued generosity in always providing us with great door prizes each month.

Well, that's about it for January so far. I sure hope this great weather holds so we can thumb our noses at CG&E and those high bills with which they keep threatening us. Hope to see you at Chapter L's next meeting on Wednesday, January 18th. See you soon and remember...together we can have one "L" of a good time.

Take care,

Pat

Pins & Patches

Hi Everyone! Tom and I are back for another year as your Pins and Patches Coordinators. We hope everyone had an enjoyable Christmas Day and will have a fantastic New Year. After Christmas, I was standing in the customary long return line taking back clothing that didn't fit. I

was thinking that one advantage when you purchase an item from Chapter L is no long lines. You very seldom have to return an item because the clothing runs true to size. Just come on back and browse our display table. We are looking forward to helping you again this year.

Chapter "L" Ride and Event Calendar

By Roy & Sheli Williams

Happy New Year! We sure hope that everyone had a happy and safe New Years Eve! 2006 should prove to be a very interesting year for Chapter L. We have had great input for the ride schedule this year. It looks as though Roy and I will be your Ride Coordinators this year without our good friends Jeff and Becky Weddle. They are finding that life is becoming very demanding with 3 teenaged boys and Jeff in school. Roy and I wish them all the best and thank them for their time that they have given to us as mentors and friends.

We started the New Years off to a great start at Famous Dave's. Roy and I were unable to attend however; it is rumored that no one left hungry.... Way to go Chapter L!!!!

Upcoming Rides & Events:

Sunday, Jan 15th "Fried Cat" Dinner Ride. Hosted by Roy and Sheli Williams at The Dynasty Buffet (Colerain Ave). This should be in the Entertainment Book" and we will plan on meeting for dinner at 5:30 p.m. Weather permitting; Roy may plan a short ride prior to dinner with his new GPS Santa brought him for Christmas. I personally doubt if the weather will cooperate, but if it's above 49* he just may do it! If you are interested, please call us (513) 941-5171 so we can reserve enough seats and keep you posted on an impromptu ride.

Wednesday, Jan 18th Chapter L's first meeting of 2006. Don't miss this meeting, you'll be introduced to your new staff for 2006 and our newly appointed Chapter Couple.

Saturday, Jan 21st Jim and Brenda Pennington will host their annual "Dinner & Movie" at the Mt. Healthy Christian Home at 5:30 p.m. I hear that Brenda plans on making her famous "Sloppy Joe Bar~b~q" and Jim has all the photo's from 2005 gathering. Last year's get together was great fun reminiscing with friends. If you couldn't go last year,

plan to be there this year. It is a great evening with friends! Jim and Brenda will have additional info at the next meeting.

Sunday January 22nd Dress rehearsal for Cabin Fever at Jack Elsen's Place @ 2 p.m.

Friday, Jan 27th ~ Sunday, Jan 29th Tennessee Chapter B Chili Cook Off Jim and Brenda Pennington are hosting this ride. Jim tells me that they need to know who all is going by the Meeting night January 18th. Registration forms will be available at the January meeting. The price is \$15.00 per couple pre-registered. Please see Jim or Brenda to get registered and they will send in all registrations at one time. Payment will be due and registration by the 18th. Jim will have motel accommodation information at the meeting. I hear that this event is a great time. We will have additional information at our next Chapter Meeting.

Sunday, February 5th First of the month Dinner ride TBA – Brenda & Jim Pennington

Friday, February 10th ~ 12th "CABIN FEVER" Get your hula skirts and your Don Ho records because this will be a Fun One.... Be sure to get your registration in now or you may be too late! Chapter L has a "doozy" of a plan again this year! So If you haven't been apart of the planning committee, it's never too late. We can always use additional hands to help. This year we (Chapter L) has been given a reprieve, another chapter will be providing "In The Barn". We will all be able to enjoy the entire Friday and Saturday night escapades!

Saturday, February 18th Wine & Dine at Vinokelt with Roy & Kathy Richard. There will have a sign-up sheet at the January meeting. Reservations are for 6:30 p.m.

Sunday, February 19th Safety Sunday in Fairborn. Time TBA Jim Pennington

Your new 2006 ride schedules will be available at the January Meeting. Don't forget to pick one up before your leave the January 18th meeting.... Also, once you have time to look over the ride schedule for 2006 and if you would like to suggest a ride or would like to lead one, please let us know. We are looking for new ideas and new ride leaders/planners. It takes us all to plan a good year of rides. Roy and I have listened to suggestions and complaints about the ride schedule, our conclusion is, if you want to see changes you'll have to "VOLUNTEER" to be apart of the change.

Let's all work together to make 2006 one of the best.

Happy New Year to all!

Roy & Sheli

With our sincere thanks

Our year as Ohio Couple of the Year will soon be coming to a close, as the 2006 Ohio Couple will be chosen at Cabin Fever in February. We have enjoyed representing Chapter L and the District of Ohio for 2005 and continue as the Region D Couple for 2006. We appreciate EACH OF YOU for your kindness to us in this honored position for GWRRA. As we prepare to go to Wing Ding in Nashville TN in July, we will do our best to represent the GWRRA spirit of Chapter L, Ohio District, and Region D during the International Couple selection -- we're going to be ourselves and let our lights shine brightly! L yes!

Chapter Couple 2005

By Bud & Peggy smith

Well it is hard to believe that 2005 has come to an end and we are now into 2006. We have had a great time with Chapter L and enjoyed all the activities of the Gold Wing group that we attended. We have looked back on this year and realized that we went to many of the rallies, dinner rides and special events that we could. But the most important thing is that we got to meet many new friends along with doing things

with the friends we cherish already. We would like to thank Tim and Anita first for asking us to be our Chapter Couple. We had a blast doing that. We tried to attend as many chapter meetings of the different southwest chapters as we could and hope to continue to do that in 2006.

We are looking forward to Cabin Fever and the Hawaiian theme and we know that riding season is shortly after that. It should be a blast to see everyone in flowered shirts and grass skirts.

Here is to a great 2006 year and we hope to ride and be involved for many more years to come. L YES to warm weather and to a safe and fun-riding season to all.
