Tidbits from Tim

By Tim Kendrick

International Couple of The Year – what an honor! A title well deserved by Jim & Brenda Pennington. All the years they've supported GWRRA at the National, Region and District levels, in addition to several local chapters, are part of the reason this honor is so appropriate. They are charter members of Chapter L and have served on the staff in many positions, including Area Representatives (former title of the Chapter Directors).

I can't think of a better or more deserving couple to represent the organization at an international level. Anita and I are very happy for Jim & Brenda, and very proud of their achievement. If you think of all of the very difficult steps at each level in the selection process they went through and all of the preparation and stress involved and the very good competition, it's an even more impressive accomplishment. Please join Anita and I in congratulating them the next time you see them.

I want to thank everyone who turned out for our first Cruise-In in a while. We had good weather and the residents and staff at Mt. Healthy Christian Home seemed to enjoy our company and our bikes. Kenny Jauch offered rides in his sidecar to many. As a matter of fact, he had one resident who had to take two rides around the grounds and was reluctant to get out even after that.

This was a fund-raiser for the home to help them purchase a set of patient lifts. They sold food, drinks and desserts to raise money. I haven't heard how they did. They need about \$2,000. I hope we at least gave them a good start.

As many of you know, Clyde Jones was involved in an accident while on an out-of-town ride a few weeks ago. His injuries were pretty severe. He has been transferred to Drake Center Hospital to continue his recovery. He's made a lot of progress but, unfortunately, has a long way to go also.

I stopped by to check on him a couple of days after he was admitted. He sends his regards and wishes everyone well. He did tell me "I think I'm done riding..." We'll see about that... I'm not sure he can stop. I think it's in his blood.

I would like to encourage everyone to send him a card or stop by for a visit. This will help him keep his spirits up and surely speed his recovery.

The riding season is about half over but some of the best activities of the year remain. We have lots of good rides, the picnic, dance & chili dump are still ahead. I encourage everyone to check the schedule and take a ride with L...

Happy Fourth of July! I love summer. I am a true warm weather girl. It just makes me smile to think of going outside and having the sunshine just warm you through and through. It has certainly been a great summer. We had a wonderful turn out for the Cruise-In at Mt. Healthy Christian Home. Hopefully we helped raise some funds for their new patient care lift that will be used to help many of the residents. If you were not able to attend but would still like to make a donation please see Cris Hauser. I really enjoyed watching the smiles on the faces of the residents as they were brought outdoors to see the bikes and meet the people. Some lucky residents were treated to a ride in Ken Jauch's sidecar and I believe one smitten "young" lady didn't want to get out and conned Ken into a second trip. Ken you are such a push over.

Last week we enjoyed the Concert on the Green. The Cincinnati Pops are truly amazing and I hope to get to return next year. It was a great way to relax after work. As most of you know we had some great excitement over the past couple of weeks. Our dear friend Clyde Jones was brought back to Cincinnati to continue on his very long road for recovery. Prayers continue to be needed to help Clyde on this long journey. Last but not least.... today when I received the message that Jim & Brenda were named the International Couple of the Year, I just could not sit still. I was telling everyone at work the story of Jim & Brenda and their true love of their GWRRA. Chapter L has such a rich history and this is a wonderful addition to our story. Jim and Brenda I could not be happier for you. I know that your love for the organization and the people will be shared now around the world and who better to represent us. While Tim and I were unfortunately not able to be there in person, our spirit was. I can not wait to see you both and give you hugs and one big L YES!

In closing, I hope each of you take a moment to reflect on what a wonderful place we live and the

freedoms we enjoy. Please remember all of the men and women who have served for our country. Their dedication past, present and future are thanks we should never take for granted. God Bless!

Anita "Mrs. T."

Notes from Our ACD

By Roy & Kathy Richard

The first month of summer has come and gone in a hurry and the riding season is in full swing. Get a copy of Chapter L's or the Combined Chapter Ride Schedule and sign up for a Rally, Chapter Ride or Chapter activity. We started out the month of June attending the First Sunday of the Month Dinner Ride hosted by Bud & Peggy Smith who had dinner at their home for everyone. Then on June 7th just before midnight Seattle time our daughter Karin who had been overdue for two weeks with her first baby delivered by emergency c-section our first grandchild. Our phone rang around 3:30AM EST and our son-in-law Brad announced the birth of Lilah Katherine who weighed 8 lb. 11 oz. Kathy made flight arrangements at 4AM that morning to fly to Seattle the following Saturday. Grandpa Roy will be on his way to Seattle the end of July. While Kathy helped Karin in Seattle, I stayed busy here in Ohio.

I was able to attend E-2's Cruise In. It turned out to be a cloudy day. It did rain early in the morning and just about the time the event ended it started to rain again. I also attended the Buckeye Rally in Ashland, Ohio. It was a wonderful weekend to be outside with our Ohio GWRRA friends. There were 1563 attendees from 14 states for a salute to the Armed Forces. Roger & Penny Hurley and the Ohio District Staff worked hard to put on a wonderful Rally. They deserve a big "THANK YOU" for all of their efforts.

Sunday June 25, I attended the Cruise-In at the Mt Healthy Christian Home. There were approximately 25 bikes participating in the fund raiser event for the home. Judy Wyckoff won "The Resident's Choice Award" voted by the residents of the home. After Kathy returned home, we led a ride to the annual Forest Park "Concert on the Lawn" at Union Central Life Insurance on Waycross Road. Tim & Anita Kendrick, Dan & Diane Daulton, Butch Royce, Barb Burns joined us to listen to Eric Kunzel and the Cincinnati Pops Orchestra. The program was

great but the evening was cut short when rain clouds moved in.

We hope everyone is attending our southwest Ohio section chapter meetings and activities and is getting their orange Ohio Passport cards signed. Remember each completed card is entered into an end of year drawing for a paid registration to either next years Cabin Fever, Buckeye Rally or Region D Rally.

The June Chapter gathering was our second meeting at the Green Township Senior Citizens Center on Epley Lane. The facilities are very spacious and conveniently location. A map of the new meeting location is on Chapter L's website (<http://qcwr.org/>). If you haven't had a chance to attend yet, please plan on going next month.

Chapter and GWRRA activities for the month of July include a First of the Month Dinner Ride by Jeff & Becky Weddles, Wing Ding in Nashville, Tennessee, MS150 Bike fundraiser, A-2's Cruise In, Honda Homecoming. Watch for the Weekly Reminder for dates, times and ride information about upcoming Chapter rides. Hope to see you at the next GWRRA activity.

Chapter Educator

Greetings from your Assistant Rider Educator
By Dave Heim

I don't know how I will be able to fill the shoes of the previous two Rider Educators, but I'll do the best I can while Jim is away. First of all I would like to congratulate Jim and Brenda for being the new International Couple of the Year and I am glad that my family and I were able to be there and be a part of the celebration.

RIDING IN HOT WEATHER

The weather that we encountered while at Wing Ding is the reason for my first newsletter article. Riding in hot weather can be very uncomfortable and dangerous. Following are some tips that I found that help cool us down and keep us safe

- Drink water, Gatorade or some form of electrolytes prior to your ride
- Increase use of salty snacks to help retain body hydration
- Dress with light colored and light weight fabrics
- Short sleeves are actually hotter on your skin and increase chance of sunburn

- Use sunblock on exposed skin
- Cover your neck with a soaked, cold bandana
- Soak your Silky or skull cap with cold water
- Stop frequently, stretch, move around, drink water, cool down in the shade
- Ride early in the day before temperatures rise
- Having a choice of roads, take the road at higher altitude
- Check out some of the new cooling riding garments at www.ridecool.com
- Cover the black seat of your motorcycle with a white hand towel
- Ladies suggestion: ice in the bra...thanks to Lori Manning

To prevent dehydration and hypothermia, a motorcyclist should stop every thirty minutes to consume at least a quart of water plus prepare another quart to consume while riding between breaks. Water, milk, fruit juices, as well as many of the commercially available "sport" drinks are excellent fluid replenishes, but do not drink anything containing alcohol or caffeine as they will actually dehydrate your body.

You can also reduce dehydration by wearing light colored, loose fitting clothes and drenching these clothes with cool water at each thirty-minute break. This artificial perspiration can make the body feel 20 degrees cooler and reduce the loss of body fluids. At 60 miles per hour on a 90° F day a soaked shirt and jeans will be bone dry within twenty minutes. If you experience nausea, dizziness, headache, fatigue, rapid pulse, shortness of breath, disorientation, cold and clammy skin or hot and dry skin, you should take immediate steps to rapidly cool down the body.

The best and fastest method is to get into a tub of cool water and add ice as fast as you can stand it until you core temperature has returned too normal. If a tub is not available, a cool stream or lake will help and if that is not available simply soak your clothes with ice water from your cooler.

July is here and that means that half of 2006 is over already. I hope you have been enjoying the riding season so far. As many of you have probably heard by now, Tom and I sold our bike in May. With his job at "the happy place" and his absolutely crazy work schedule, we have so little time to ride it just didn't make sense to have the bike sitting in the garage

under cover. It has a new home with a very happy new owner in West Virginia. We met him to deliver the bike over in Athens, OH and when he saw Tom on the exit ramp he was actually jumping up and down, he was so excited. That just made us feel good – knowing the bike was going to someone who would appreciate and enjoy it as much as we have. If Tom's work situation ever changes you can bet he will get another bike. For those of you who believed the rumors that we were leaving GWRRA – well that is just not true and I just wanted to set the record straight. And no, Tom did not sell the bike because I no longer wanted to ride. Trust me, he would never have sold the bike because of that – he enjoys riding stag as much as with me on the back. It is just a very different situation for us right now and we are taking each day as it comes and trying to make the best of it.

We had 66 people attend June's gathering and it was great to see Dan & Karen Childs amongst the group again. It sounds like Dan is looking for a bike to ride so if you know of one available you might want to get in touch with him. I am sure that Carl has contact information.

Ron Bien was June's lucky membership draw winner and he rang L's Bells and won \$5.00. As fast as I wrote the check, Ron insisted on donating it back to the chapter. Thanks a "L"ot, Ron! Arlene Gadd brought the traveling door prize back filled with nuts, tic-tacs, a squirt gun, a water bottle and a McDonald's gift certificate. Pauline Boderone was the lucky winner and she will bring it back in July for the next "L"ucky winner. You could go home with the traveling door prize this month. Just pick up your tickets at the door for attending or bring a door prize to be eligible to win.

The door prize table was overflowing with great stuff in June thanks to the generous donations of the following people: Arlene Gadd, Tim & Anita Kendrick, Roy & Kathy Richard, Walt Bohanan, Jim & Brenda Pennington, Jack Elsen & Pauline Boderone, Rex Vaught, Randy & Gail Hiser, Fred & Lori Manning, Jim & Angie Beeber, Judy Wyckoff, Debbie Winkler, Dave & Terri Kuhn, and Jackie & Tony Heim. Thanks a "L"ot!

Hope to see you on Wednesday, July 19th for Chapter L's next meeting at 7:30 PM at the Green Twp. Senior Center. And remember...together we can have one "L" of a good time.

Take care,

Pat

Hi Everyone! You can't go very far now days without coming across a number of acronyms. Here are a few that we all recognize. UPS (United Parcel Service) and TLC (Tender Loving Care). My all time favorite is GWRRA (Gold Wing Road Riders Association). So here is a new one for you. It's TLCLS (Tired Looking Chapter L Shirt). If you have a dingy old TLCLS just give us a call or send us an email. We will order you a new one ASAP (As Soon As Possible). You will be looking JLN (Just like New). We look forward to seeing you at the next Chapter L meeting.

Cabin Fever 2007

By Randy & Gail Hiser

We had our first planning meeting on Friday, June 23, 2006. Tim & Anita Kendrick, Jack Elsen & Pauline Boderone, Tom & Barb Burns, Cris & Carl Hauser, Debbie Winkler, Dan & Diane Daulton and Randy & Gail Hiser were present.

We discussed our parade entry for the 2007 Cabin Fever theme — "A Walk Down Memory Lane". There were a lot of suggestions and good ideas. We finally picked one and started to put the details together. Sounds like another "most excellent" parade entry from Chapter L.

There was even talk about doing another "In the

Barn” type activity for Saturday night if approved by the State. Keep those rocker bars coming!

If you would like to come to Cabin Fever but could not make this first meeting, there will be another get together after our picnic in August. The more the merrier. If you have never attended a Cabin Fever, just talk to any of the above mentioned people. They would be happy to talk to you about all the fun we have, not only at Cabin Fever but also in planning and preparing for it.

Dear Fellow Gold Wingers,

My name is Tony Heim. I am 9 years old. I am from Chapter L, Cincinnati, OH home of your new International Couple of the Year, Jim & Brenda Pennington. I just got home yesterday from my first Wing Ding and boy, was it exciting.

I met a lot of important people with GWRRA in the last five days thanks to my friend Judy Wyckoff. I got my picture taken with Don Brock, the “Head Dude”, he was really nice. Bob & Juanee Barrington, the 2005-2006 International Couple of the Year were the nicest people in the world. I was very impressed that they rode 43,000 miles in the last year visiting many rallies. Jim & Brenda Pennington will do a fantastic job representing

GWRRA just as Bob & Juanee did. I also got to meet Shirley and her bodyguard, Benny.

Judy asked me to help time the Couple’s presentations, and then I got to sit in the very front row for the Opening Ceremony. My dad and step-mom were jealous.

The most important things I did while at Wing Ding was attending a Co-Rider seminar and buying a new riding jacket. I was anxious to earn my Level II patch for my new vest and I also needed a summer jacket.

Riding the Natchez Trace was beautiful and fun. We had a picnic lunch. At the beginning of the Grand Parade we got a little off course, but came right back. We didn’t stay for the fireworks because we were really hungry.

As we left for home on Wednesday I told everyone “See you all in Billings”.

Thank You

A huge thank you to the Goldwingers who participated in the fundraiser at Mt. Healthy Christian Home on June 25th. We were able to raise over \$800 to put towards the purchase of a new hooyer lift for our residents in healthcare. Your generosity was over and above our expectations.

The new lift has been order and we are working on raising money to purchase a second lift. Our residents enjoyed seeing the motorcycles and even taking rides. The event was successful to say the least and a lot of fun. Thanks again!
