Tidbits from Tim

By Tim Kendrick

June is finally here and with it the heart of the riding season. There have been a few changes recently at Chapter L. We met for the first time at our new meeting location last month. Green Township Senior Center is going to work out just fine for us I think. It's saving us a good bit of money. Our funds have gotten a bit tighter over the past year or two so this means we won't have to add another fund-raiser to the schedule. That also means no additional work for the staff and no new costs to the membership. In all respects, this is a good thing.

The room is much bigger and more comfortable, although I have to admit... we've been meeting so long at Lakeridge; I'll miss it a bit. We had a lot of laughs in that room over the years and a lot of heart-felt moments too. Good times with friends who are no longer with us and many Christmas Parties that stay vivid in our memories.

We're still learning how best to set up the room for our functions. The good thing is that the hall staff is willing to work with us to make it the best it can be for us. Terri Gamble, the facility manager, and her husband ride a Gold Wing and have attended a few of our meetings in the past so they understand what we do at a meeting. She's been very helpful throughout the process of leasing the hall and this we appreciate very much.

Another change recently is that we've added another staff position. Dave Heim has joined as our Assistant Chapter Educator, working with Jim Pennington. As many of you know, Jim & Brenda will be out of town for an extended period this summer so Dave will be filling in for Jim while he's away. This also means Jim will have a well-trained, qualified team member that he can rely on for help when he needs it. The Chapter Educator position can be very demanding of your time and energy.

Jackie joined the staff a few months ago as one of our Motorist Awareness Division coordinators, working with Anita. She's really interested in this position and will be a good addition to the staff as well.

I'm really excited to have them on our staff. Going forward it's important to add new energy and new ideas to how we do things. This often comes from new staff members. It also helps keep the chapter fresh and viable and helps keep our membership interested and involved in what we're doing. What

this all comes down to is that it makes Chapter L a great place to be for our members and staff and that's what we're here for, isn't it?

Buckeye Rally 2006 is almost here. We've got a good group going up again this year so join us if you can. Chapter L will be working gate security on Friday morning (8:00 AM to Noon) so your help would be appreciated.

That's all I have for now. Take care and ride safe!

Well what did you all think of our new meeting hall? I was so excited, as it was my first trip there as well. Lots of room to spread out for the meeting and I am already planning for our Christmas Party. This extra room will ensure we can have great time... But hey that is not until December-maybe I should focus on things that are just around the corner.

Are you ready for some fun with some of the nicest people you will ever meet? If so plan to join us at the Ohio Buckeye Rally. This year we are returning to Ashland Ohio for a Salute to our Armed Forces. It should be a great time. The folks who live in Ashland welcomed us with open arms last year so we are very excited to return. There will be lots of fun activities at the fairgrounds as well as some great riding roads near by. Our summer and fall are jammed packed with lots of great activities. Some great rides are planned for the season and don't forget Dancing in the Moonlight our annual fundraiser will be here before you know it. It's a great way to have an evening of fun and relaxation while helping to support the chapter. I hope to see you all at our activities as well as our monthly gathering. Ride Safe.

Notes from Our ACD

By Roy & Kathy Richard

Spring sure went by in a hurry. It's the Memorial Day weekend and the beginning of summer. Get a copy of Chapter L's or the combined Chapter Ride

Schedule and sign up for a Rally, Chapter Ride or Chapter activity.

We started out the month of May attending Chapter T-2's fundraising Spaghetti Dinner in Dayton. Then we attended the First Sunday of the Month Dinner Ride hosted by Tim & Anita Kendrick at the Hearthstone Restaurant in Metamora, Indiana.

We hope everyone continues to participate in the Passport program. We attended chapters J, E-2, A-2, Kentucky G and Indiana G-2 gatherings and enjoyed meeting more GWRRA members. We led a ride to Young's Dairy Restaurant for dinner, joining us were Jack Elsen, Pauline Boderone, Bud & Peggy Smith. We also led a ride to Chapter K's Blessing of the Bikes at the Church of the Nazarene in Troy, Ohio. Chapter L members attending the service with us were Tom & Barb Burns, Randy & Gail Hiser, Dave & Terri Kuhn, and Joe Rosemeyer. Then, we went to the Fairborn Quaker Steak and Lube for lunch. We attended X-2's Chili dinner & Memorial Weekend ride. X-2 was hosting visitors from West Virginia Chapters K and B.

Our May gathering at the Green Township Senior Citizens Center on Epley Lane inaugurated the first of many meetings in a very convenient location and more spacious facilities. A map of the new meeting location are on Chapter L's website (<http://qcwr.org>), if you did not get a chance to attend last month please plan on going to a meeting soon and see the new gathering location.

Chapter and GWRRA activities for the month of June include: 1st of the Month Dinner Ride, Chapter E-2 & R Cruise-Ins, Honda Hoot, Ohio Buckeye Rally, Chapter L Cruise In @ Mt. Healthy Christian Home (this is a fundraiser to help the nursing department by a new lift for the residents), and a ride to the Concert on the Green at Union Central Life Insurance in Forest Park (look for the sign up sheet at the Chapter meeting night).

Watch for the Weekly Reminder for dates, times and ride information about upcoming Chapter rides. Many Gold Wingers are having a fun time riding, join in on the fun and sign up for a Rally or Chapter ride. Hope to see you at the next GWRRA activity.

Chapter Educator

By Jim Pennington

Today, we are in Elko, Nevada at the Region F/Nevada District Rally. We have had a great time at this event and we have had fantastic and exceptional weather here. The exceptional part was riding in the rain in Indiana, Illinois and Iowa. Along with the rain, it was accompanied by wind until we got into Nebraska. After leaving the eastern part of Nebraska there was no rain or wind. From this time on and for the next few months many people will be planning on long vacation type rides. When you plan these type rides you have to go back and pick up the Boy Scout Motto, "*Be Prepared.*"

So you are saying, "What has this got to do with the Chapter Educator newsletter article?" My answer is ... no matter how alert you are while riding; you have to *be prepared* for about anything. My example – Be very alert when crossing bridges in areas where you may encounter canyons below where a crosswind may be blowing at 25 to 45 MPH. Believe me, this will definitely play a part in your ability to hold a steady line. It may just surprise you to see a windssock mounted near either end of a long bridge. I would take this to mean there is a possibility of a crosswind out on the bridge. Be aware that many times there are signs that affirm that there could be a crosswind. **Be prepared!**

You should also *be prepared* for just about anything. OK, let's get back to the *SEE* acronym. Remember SEARCH, EVALUATE and EXECUTE! Generally, when you SEARCH for something, you will find "something" and that could also be "anything" that is a hazardous condition to motorcyclists and motorists alike. That is what you should be searching for – things that can be hazardous to you and your passenger or when riding in a group, something hazardous to the entire group. Once "something" is found, you have to EVALUATE the hazards and make the call to avoid a serious situation that could endanger someone. Once you have made that call with your ability to correctly EVALUATE, you must then EXECUTE your previous decision on how to avoid the condition that would be hazardous. That "EXECUTE" decision could be weaving, swerving, slowing, stopping, and signaling by hand or by CB radio so that the hazardous condition can be avoided. Anytime you ride; you should keep that *SEE* acronym in your mind.

While at this Rally in Nevada, we ran into several people we have known before. In fact you would be surprised to find out that a couple who used to attend our own Chapter L and was a "Former" Chapter Director of Chapter A-2 are now Assistant District Directors of Nevada. Small world! We spent a lot of time with them talking about various things from "back home." It could be possible that they may even be the Nevada District Director in time.

I guess you want to know who this couple is? Anyone who has been around for 3 or more years should remember them. The answer to the question is --- Larry & Teri Ivie.

Planning a 2-wheel vacation? Go somewhere – and be prepared!

Wow, it is hard to believe that June is here already. Riding season is definitely in full swing and Buckeye Rally is just around the corner.

We had a great turnout for our first meeting at our new location in Green

Township. Anita & Kathy did a great job of running the meeting. Wasn't it nice to have room to move around? We had 86 people in attendance and it definitely was not crowded. This place is going to work out great!

Walt Hart was May's lucky membership draw winner and he rang L's Bells and picked up a check for \$10.00. Now that will go a long way to helping pay off that kitchen remodel, right Walt? It definitely pays to go to "L." Jim Pennington returned the traveling door prize lunch box and Arlene Gadd was the "L"ucky winner. Arlene went home with a beautiful motorcycle clock, a flag to put on her motorcycle antenna, and a DQ gift certificate. How appropriate that an -01 won the door prize on -01 night. Can't wait to see what Arlene fills the lunchbox with at June's meeting. You could be the lucky winner this month. Just pick up your tickets at the door for attending or bring a door prize to be eligible to win.

We had lots of great door prizes at May's meeting. The ladies brought flowers and other special goodies to make sure our door prize table was overflowing. Thanks to the generosity of the following people we had some great door prizes to give away: Carl & Cris Hauser, Bill & Carol Pott, Tom & Barb Burns, Janet Andrea, Angie Beeber, Debbie Winkler, Roy & Sheli Williams, Dave & Terri Kuhn, Gary & Donna Kuchera, Jim Pennington, Jim & Pauline Petroviak, Tom & Cookie Salamon, Diane Hart, Dave, Jackie & Tony Heim, Joan Herrick, Ed Ely, Gail & Randy Hiser, Karen Tomlin, Judy Wyckoff, Rick & Bobbie Harless, Walt Bohanan, Tim & Anita Kendrick and Pat Runck. Thanks a "L"ot!

Hope to see you on Wednesday, June 21st for Chapter L's next meeting at 7:30 PM at the Green Twp. Senior Center. And remember...together we can have one "L" of a good time.

Take care,

Pat

Pins & Patches

Hi Everyone! I can hardly wait to spend Memorial weekend in the great outdoors. I hope that Mother Nature is kind to us. She sure has given us enough rain lately. Just in case she is still is on her rampage, you may want to purchase an extra Chapter L shirt to keep you dry. Also, are you a Veteran or have a family member in the service? We are able to order flags for every branch of the service. We also have POW and American flags available. Just come see us at our new location at the June's Chapter L meeting.

Membership

By Carl & Cris Hauser

I have been asked, "Why should I try to recruit new members to join GWRRA and/or our chapter" well this question has been answered so well in this month Wing World and I think its worth repeating.

- ◆ More Gold Wings = More Fun!
- ◆ More diverse talent and experience network.
- ◆ More people to take on more aspects of Chapter leadership.
- ◆ More ideas, fresh energy, and enthusiasm.
- ◆ Positive exposure to Rider Education within the Chapter.
- ◆ More FRIENDS!

Along with bring more FRIENDS into Chapter life, I would like to ask your help, when you see someone NEW or someone you just have not met yet, say "HI" shake their hand, give them a hug, make them feel welcome. This is what Rick and Bobbie Harless did to us and now they have another FRIEND for life.

Hey wingers it has been a while since I have had the honor of addressing you via the newsletter. I hope that all of you have been well and have been enjoying the riding season thus far.

I am sorry to here about Clyde and Terry, and I want them and their families to know that they are in all of our prayers. We love you Clyde and Terry and pray for a speedy recovery for the both of you.

Helen, Ga. is a wonderful little Swiss Alps town nestled neatly in the mountains of northern Georgia. What really make it nice are the absolutely magnificently well-paved sweepers and twisties that surround it. Wow what a ride!! Do not take my word for it, just ask Butch Royce, Steve Albers, Dave and Teri Kuhn, Roy and Sheli Williams, Bud and Peggy Smith or the tail gunner (that's the drag rider) Tom and Barb Burns. Oh yeah, you can also ask my better half Becky. She will tell you how awesome it was. (By the way the women shopped till the guys dropped).

Let me give you just a few examples: Cumberland Falls, Rt. 68 out of Sweetwater all the way to 60, Georgia's end of 129 (even better than Deals Gap), Rt. 28, Warwomen Rd. and the Blue ridge just to name a few. The weather was clear and dry and the company was great. What else do you need? Oh by the way the food was pretty darn good as well.

I want to give a special thanks to Butch Royce for leading the group the last half of Sunday and home on Monday. Becky and I had to be home for our son's (Grant) Graduation ceremony Monday and Tuesday. Thanks again Butch, Becky and I really appreciate it.

To all who went this year and to those considering next year I think I may have figured out how to tour Pennsylvania next year. It may take a little creativity but I think we can pull it off.

God Bless Chapter "L"

Jeff and Becky Weddle
