Tidbits from Tim

By Tim Kendrick

I can't believe we're in October already! Where did our summer go? But, on the other hand, it's been a good summer too. The picnic & dance were both blessed with good weather. The chapter campout was very wet, but we had a good time anyway. See Gail Hiser's report on the campout elsewhere in the newsletter. Everyone had such a good time we decided to do spring and fall campouts next year!

We'll be having a ride schedule planning meeting, which is open to all, in November so if there's a ride you'd like to see on the schedule, or better yet, like to lead, plan to attend or let one of the coordinators know. The Chili Dump is just about here so get your chili pots ready to go for another fun Chapter L event! Don't forget the breakfast on the following morning... Chili over pancakes, over eggs? We've seen it done...

Several folks are planning on attending E-2's Halloween Dance this year. It's being held October 21st at Pat & Joann Marston's place of business. We hope you will dig out a costume, or make one up and join us. If you need information see E-2's web site or contact Tom or Cookie Salamon. We'll also have flyers at the meeting.

As many of you know this is my last article as Chapter L's CD. Roy & Kathy Richard will take over as of November 1st. The date has shifted a couple of months earlier than we used to do it due to a change in the fiscal year definition from GWRRA. The new staff will take over at that time also.

Anita and I want to offer a very heartfelt thank you to our staff and everyone else who helped Chapter L enjoy another successful year. The chapter is in a good financial position and the membership participates in many activities and socially gets along very well. This is the classic definition of a healthy chapter.

We will be staying on the staff in 2007 as Ride Coordinators, Web Master and MFA Instructors as Roy & Kathy take over the reins. One of the disadvantages of being CDs is all the stuff you have to haul to every event. We're looking forward to being able to actually ride our Gold Wing to chapter events in the future.

Thanks again for your support.

Tim

M.A.D Mrs. CD (Motorist Awareness Division)

By Anita Kendrick

I can not believe that it really is time to write my last newsletter article as Mrs. Chapter Director. It has been a wonderful experience for Tim and me. We have had an opportunity to meet the most incredible people and make lasting friendships and add new people into our list of "family". I just want to thank all of Chapter L for their support. We always tried our best, but as we are human we still made some mistakes. Those mistakes were always greeted with love and support by all of you, thank you!

We were blessed with an awesome staff during our two years. You always supported us and held out a hand when we needed it. As a manager of a large group of nurses I realized early on, that I was successful because of my staff. I can honestly say the same for being Chapter Director. GWRRA is an incredible organization and I think Chapter L is a great tribute to all it stands for.

Tim and I also had support from many folks from Chapter E2, A2 and X2. Thank you all! Last but not least, thanks to the State staff, especially, Dave & Kathy King and of course Roger & Penny Hurley. There is a special place in GWRRA heaven for you guys. Your patience and guidance has been non-stop.

As we turn over the keys to the house to the new owners, we wish them every success. Roy & Kathy, you are headed for a great adventure. Tim and I are looking forward to being there for you. We know that you will enjoy the view....

Sincere thanks to everyone and
Ride Safe....

Anita "Mrs. T."

Notes from Our ACD

By Roy & Kathy Richard

The long hot days of summer 2006 are gone and the much more comfortable fall riding season is here. Fall weather is my favorite time of the year, especially an October Indian Summer day with the fall foliage. The month of September started out with the Region D Rally Labor Day Weekend at the county fairgrounds in Lebanon, Indiana. On Thursday afternoon Aug.31st a thunderstorm rolled in with clouds and heavy rain. By Saturday, it was

warm and sunny. A record number of bikes participate in the escorted parade through the streets of Lebanon, which ended up at the City Park for a pizza dinner.

On Sunday Sept. 10th, while Kathy was visiting our daughter Karin in Seattle, I planned the First of the Month Dinner Ride to the Coachlight Inn in Aurora, Indiana. After a ride on some back roads of southwest Ohio and southeast Indiana, we stopped at Little Farm on the River before continuing onto the Coachlight. We visited with Fred & Lori Hicks who had been riding around the countryside and had also stopped for a break at the campgrounds. Chapter L members who rode to Little Farm were Bud & Peggy Smith, Randy & Gail Hiser and Bill & Carl Potts. Joining us at the Inn for dinner were Carl & Cris Hauser, Dave & Terri Kuhn, Gary & Donna Kuchera, Debbie Winkler & Elmer Jauch, Bill & Diane Ferneding with friends from (IN G-2).

September 16th was the annual Chapter Dance held at the Elsen farm. It was a beautiful evening for dancing under the moonlight. On Wednesday Sept. 20th Chapter L had a special reception for Jim & Brenda Pennington, GWRRA International Couple of the Year for 2006. It was a good thing that the chapter has its new meeting location, because the previous location would have been much too crowded for the large number of well wishers that attended.

On Friday Sept. 23rd, The chapter had a campout at Little Farm on the River. The evening started out with heavy rain showers but it didn't dampen anybody's spirits. Saturday afternoon we hung some tarps at the pavilion, which made for a cozy location for the deep fried turkey dinner, games, visiting and a dance (with DJ Rich Elsen and assistant). On Sunday morning there were blue skies and warmer temperatures. Randy & Gail Hiser did an excellent job of planning a fun filled weekend. We are looking forward to another campout or maybe two next year.

We attended A-2's annual Baked Goods & Craft fundraiser meeting. Finally, we had a work party on Thursday Sept. 28th to re-rope the tarps on the shelter house at the Elsen farm. The old ropes were beginning to break. The new roping will hold the tarps for several more years. Helpers included myself, Andy Andrea, Dave & Jackie Heim, Randy & Gail Hiser, Carl Hauser, Tim Kendrick, Bill Potts, Phil Hollingsworth,

Next month's Chapter L activities include a Day Ride to Indiana Chapter K's annual Hobo Stew

dinner, First of the Month Dinner Ride, Chapter L sponsored Horizon program, Stag Ride, Tall Stacks "Parade of Tall Stacks" cruise, annual Chili Dump and Chapter meeting. Watch for the Weekly Reminder for dates, times and ride information about upcoming Chapter activities. If you haven't signed up for an upcoming ride, call the ride leader or coordinator or sign up at the next Chapter meeting. Keep attending our southwest Ohio section chapter meetings and activities and get your orange Ohio Passport cards signed. Only a few more months remain to get your completed card turned in for the drawing. Three lucky winners will be drawn for a prepaid registration to either next year's Cabin Fever, Buckeye Rally or Region D Rally. Enjoy fall and ride safe. See you at the next GWRRA activity.

Greetings fellow riders. September 23, our camping weekend, was the first day of autumn. Fall is everyone's favorite time to ride. The weather is not too hot or too cold and the vistas are breathtaking. So we wanted to throw out a few reminders related to the fall riding season.

- School is back in session. Remember to watch for the kids and stop for the buses.
- The sun is setting earlier now so remember to have a clear face shield or clear glasses along on your evening ride.
- When riding towards the west, that late afternoon sun can be brutal. Slow down in the curves and give more distance in traffic. If heading east in the evening with the sun at your back, be aware that other motorists can not see you as the sun now blinds them.
- The evenings are cooler, so remember to dress appropriately or bring an extra jacket in case you're out longer than expected...we love it when that happens.
- Hypothermia can happen in cool weather too, so be sure to stay hydrated. Stop for hot coffee or a cup of soup if you are getting to cold. Walk across a parking lot to keep the blood flowing.
- Fall Foliage, point A - be careful of wet leaves, they are very slippery.
- Fall Foliage, point B - watch out for the sightseers, they are unpredictable. You might catch them stopping without notice or drifting into your lane because their attention is on the splash of reds and orange at the top of the next hillside.

- Fall Foliage, point C - get out and enjoy this beautiful time of year.

Check out the following websites to help plan your next day or weekend ride. The USDA Forest Service Fall Color Reports at www.fs.fed.us/news/fallcolors (the bottom of the page allows you to get fall color updates by state). Chapter Treasurer

By Pat Runck

Booooooo! It's October already and that is definitely scary. This is the month that Tim has been dreaming about because on October 31st his tenure as Chapter Director is officially over and the reins will be

handed on to Roy Richard. Personally, I would like to extend my thanks to Tim & Anita for leading Chapter L over the past two years. It is an incredible responsibility with lots of fun overshadowing the occasional headache. I have enjoyed serving on their staff as Treasurer and as November starts a new person will be taking over these duties. New people on staff are what keep a chapter alive and vibrant. Please welcome the new staff members with a big "L"YES! for stepping up as some of us step out. Tim & Anita – thanks for all your efforts as Chapter Director and Roy & Kathy – wishes for success in accomplishing your future goals for Chapter L. Only those who have served in this capacity can truly understand the responsibility of being a Chapter Director. Chapter L has been truly blessed with great ARs/CDs and hopefully Roy has been able to attract yet another well-qualified person as an ACD. These will be exciting times for Chapter L as we turn another page in our chapter's history!

Last month we all enjoyed a great celebration and reception for GWRRA's newest International Couple of the Year – Jim & Brenda Pennington. I think we actually surprised them a bit. One hundred twenty-two family and friends came out to help them celebrate and it was a fun night. Fred

Manning returned the Chapter L Traveling Door Prize filled with all kinds of great stuff to eat like tea, coffee, cookies, pancake & waffle mix, jams & jellies, hot chocolate and sugar cream candies. Sounds like a perfect package to bring to the breakfast after this month's chili dump. September's "L"ucky winner was Karla Bevens from Chapter S-2 in Springfield, OH. Congratulations on winning this special door prize and we look forward to seeing you again this month. You could be the next winner of the traveling door prize – all you have to do is pick up your tickets at the door for attending the meeting or bring a door prize to be eligible to win. Don't forget to say "HI" to Debbie Winkler at the door prize table.

Lois Hollingsworth was the lucky membership draw winner in September and she rang L's Bells and won \$15.00. Lois wanted to donate the money back to the chapter but I had already completed the check. Thanks for your generosity, Lois. Don't forget your valid GWRRA membership card in October; drop it in the jar at the sign-in table and you might get to ring L's Bells this month for a chance to win \$5.00, \$10.00 or even \$15.00!

We had a load of door prizes to give away in September. Due to the reception line for Jim & Brenda we delayed giving away the door prizes until the end of the meeting and it seemed that the numbers just went on and on. Thanks to the following people who generously donated door prizes in September: Walt Bohanan, Roy & Kathy Richard, Dave, Jackie and Tony Heim, Rick & Bobbie Harless, Elmer Jauck & Debbie Winkler, Carl & Cris Hauser, Randy & Gail Hiser, Judy Wyckoff, Ed Ely, Joan Herrick, Karen Tomlin, Andy & Janet Andrea and Tom & Cookie Salamon. Thanks a "L"ot!

Don't forget that Chapter L's next meeting is at 7:30 PM at the Green Twp. Senior Center on Wednesday, October 18th. And remember...together we can have one "L" of a good time.

Pat

Pins & Patches

Hi Everyone! We sure had a good time last weekend on the Chapter L Campout despite the rain. Tom is looking forward to the Stag Ride and I'm looking forward to the Tall Stacks Cruise next weekend. We are both looking forward to attending

the Chili Dump. These are just a few of the rides and events that are scheduled for this month. You may want to consider purchasing an extra Chapter L shirt to have on hand for the many fund times ahead. Also, we just received a supply of large and small GWRRA patches in case you're looking for one for your vest. Just stop at our display table at the next Chapter L meeting. We look forward to seeing you.

Cabin Fever 2007: It's never too early to make your hotel reservations for Cabin Fever. I spoke to the Holiday INN at Worthington, Ohio and the following information was noted: We cannot block rooms for our Chapter. If you plan to attend Cabin Fever and have a special request for a room such as Handicapped, smoking, adjoining rooms, or pet friendly room, then call now 614-885-3334 and be sure to ask for the Goldwing Road Riders rate which is \$78.00/night. If you want a two-room suite (living room with sofa bed and bedroom with a King Size bed), the rate per night is \$189.95. There were 3 suites left when I called. Cabin Fever this year is February 9th, 10th, and 11th 2007.

"APPLE DUMPLINGS"

From Sue Bowers Chapter "K"

4 med. to lg. Granny Smith Apples
2 cans of 8 - Crescent Rolls
1 Can Mt Dew
1 1/2 cups sugar
1 tsp. Cinnamon
2 sticks butter (the real thing, not oleo)

Peel and quarter apples, then wrap each quarter in a crescent roll. (I roll out the dough a little). Cover each apple completely, if possible, without tearing dough. Put in a 9 x 13" baking dish, (glass only). Combine sugar & cinnamon, melt butter and stir in mixture. Spoon over apples and dough. Pour can of Mt Dew over all. Bake @ 350 for 45 minutes or until golden brown. Hints: Put a catch pan on lower shelf of oven, in case of boil over. Also, if you plan on using this recipe for a potluck, be sure to bake in a dish that has a spill proof cover. ENJOY! Note: Sue told us Sunday that she uses only 1/2 can of Mt. Dew.

Chapter "L" Ride and Event Calendar

By Roy & Sheli Williams

Hi everyone, can you believe it's October, another riding season about to end soon. This year has gone by so fast, as well as the upcoming changes within our own chapter's family. Roy and I want to thank Tim & Anita for entrusting us with the honor of coordinating the ride schedule for the past 2 years. When they asked us to continue as the Ride Coordinators after Carl & Cris entrusted us with that position, we were honored. We have certainly enjoyed the job and hope that we have served the Chapter well. We believe that change is good, which is another reason why we declined Roy & Kathy's invitation to continue as the Ride Coordinators for the next 3 years. We believe that new faces and new ideas are needed to keep a self-governing group healthy and vibrant. We want to encourage all of our Goldwing Friends to volunteer and help whenever you can, speak up and offer to work on a committee. This is a great group of people that we are so lucky to call our friends and hope that Roy & Kathy enjoy their upcoming years as Chapter Director. We are so proud of them and the commitment they have made to this Chapter.

As we end our term as Ride Coordinators, Roy and I would like to take the opportunity to thank all of you who have taken the time to plan, organize and lead rides. We think that our chapter has one of the busiest ride schedules around and has something for everyone. We have enjoyed and appreciated all the help that we have received from everyone, especially Jeff & Becky Weddle, who were our mentors in this position 4 years ago. We also want to offer our best to Roy & Kathy, as they begin writing their own chapter in "Chapter L's" history.

Campout Recap

By Randy & Gail Hiser

Thanks to those you joined us at Rich & Linda's Little farm on the River. They were: Site 45 - Tom & Barb Burns, Site 46 - Cal & Cris Hauser and Rick & Bobby Harless, Site 47 - Dave & Terry Kuhn, Site 48 - Mike & Judy O'Rourke, Site 49 - Bill & Carol Pott, Site 50 - Randy & Gail Hiser, Site 51 - Phil & Lois Hollingsworth, Site 54 - Tim & Anita Kendrick, Site 92 - Mike, Pam Scherzinger & Jeff (Pam's Son), Cabin 93 - Roy & Kathy Richard and Bud & Peggy Smith, Cabin 94 - Jack Elsen & Pauline Boderone, braved the elements to go camping. We also had three dogs (Duchess, Casey & Clancy); three visiting ducks and a visiting mouse in cabin #93.

All arrived safely despite the on again, off again rain. The campfire was finally light by Gail (with the help of her joy juice) after Bear and Tim tried two different methods with no luck, fire starters and charcoal. OK, it was a bit windy and it was raining. Randy & Gail had plenty of help putting up the extra canopy. Thanks to all, it gave us a dry place to sit under. But the lightening was too much for most of the group. Sitting under a canopy with metal poles seemed like a perfect lightning rod. Jack & Pauline sat out in the rain with ponchos on under a patio umbrella that Randy put up for them. They hadn't eaten their supper yet so Pauline was cooking metts over the fire. Mike, Pam & Jeff Scherzinter braved the rain cooking their hot dogs while holding an umbrella. Phil & Lois and Randy & Gail sat under the canopy. Randy did a wonderful job keeping the fire burning until 11:30 PM despite the rain and wind.

Saturday brought more rain and wind but not as bad as Friday night. It rained a total of 5" Friday according to Rich's rain gauge. The rain made for some good sleeping; the pitter-patter of rain on the rooftops can put anyone to sleep. The fire was brought back to life for the day. Fishing in the rain was a bit disappointing to Roy & Pauline (her first time) but Phil landed a 23" catfish. Notice I said landed. Most just watched or relaxed until 11:00 AM when the corn hole bags started to fly in the pavilion. Thanks to Rich for the use of the shelter, boards & bags. There were eight teams: Randy & Phil, Mike S. & Jeff, Mike O. & Judy, Bill & Carol, Jack & Pauline, Kathy & Cris, Bud & Peggy, and Dave & Terry. The winners were Mike S. & Jeff (who let those E-2 people in?). As the corn hole games went on, various people would go back and forth to the campsites but always stopping by to make sure the fire was still burning. Throw another log on the fire seemed to be the most activity of the day. Next came more relaxing time to chat, play Rummikub or Scrabble and bring supplies to the pavilion for dinner. At three o'clock the turkey oil was turned on and the birds were prepared. Around three forty-five the birds were lowered into their hot bath of boiling oil. All campers brought their side dishes, drinks, plates and utensils and waited for the golden time of dinner. Todd & Kathy Burns and Elmer Jauch & Debbie Winkler joined us. Rich & Linda Elsen (the least we could do is feed them), Tammy and Tony that work at the campground joined us for dinner too.

The two birds came out of the fryer looked good enough to eat. That is a good thing, because that is what everyone was waiting to do. After a group

photo and some Randy foolery, (see photo on Front Page) we got down to the business of polishing off the dinner table; 48 lbs. of turkey, 10 lbs. of french fried potatoes, 2.5 lbs. of fried onion rings, 1 huge cast iron skillet of fried potatoes & onions, 1 – big dish of potatoes & mushrooms, 1 – 13X9 potato casserole, 3 – 13X9 Mac & cheese casseroles, 1 big bowl of pasta salad, 1 – 13X9 pan of mixed vegetables, 1 big bowl of mixed fruit salad, 1 big bowl of grape salad, and desserts: 3 cakes, 12 cup cakes, 3 pies, brownies and cookies. Sorry if I missed your dish. There was just so much on the table it must have been hidden from me. After the meal was all gathered up, either in our tummies or back to the campsites, (Throw another log on the fire) we went on a hayride to let our food digest. Glow bracelets were past out but it was still too light to see them. The Campground Director went with us so she could make us sing songs all the way. Pauline really enjoyed the old time songs. (Throw another log on the fire) Time to get ready for dancing. This was good exercise after that huge carb meal. Since the fire has been kept going with no one to enjoy, we all went back to the fire ring to eat some popcorn which Judy & Randy cooked for us over the fire. Gail had been taking notes all day. What was she up to? Now was the time to find out! Tom Burns received a big sized snake & ladder game because he just sat around. This will give him something to do. Cris Hauser received a domino game because she had the lowest score (That is a good thing) in Rummikub game. Bobby Harless received a checkers game because she might be better at that than the Rummikub game. Terry & Dave Kuhn received a squeeze ball to take out their frustration out on because they had the lowest score in corn hole (1). Mike & Judy O'Rourke received a bag of candy corn because they were the first ones out of the double elimination corn hole game. Mike also received a lighter to help him light his fires. Bill & Carol Pott received two decks of cards. They are really a pair, a couple of cards themselves, and we had to deal with them camping next to us. Phil Hollingsworth received a fishing game so he can practice how to catch a fish the right way. Lois Hollingsworth received a traveling game because she had to go home to take care of the dogs. Tim & Anita Kendrick received a spiked ball, hoping that they had a ball camping. Buddy Smith received a mirror so he could reflect on this weekend. Peggy Smith received a supper word find book for winning the scrabble game. She is really good with words. Roy Richard received a stick of lip balm that said "This Sucks" with a fish on it because he fished the longest with no catch. Kathy

Richard received a package of magnet letters because she needs more practice to play scrabble. Jack Elsen received his own umbrella so he won't need Randy's patio umbrella. Pauline Boderone received a package of #1 shaped post notes because this was her first time fishing. Mike Scherzinger & Jeff received a box of microwave popcorn for being the winners of the corn hole game. Elmer Jauch & Debbie Winkler received a package of highlight markers. Hope this was the high light of their fall. (It was the first day of fall on Saturday) Duchess Hauser (the dog) received a squeaky toy for being the loudest dog. Clancy Pott (the dog) received a rope chew toy because he was the littlest dog. The Casey (the dog) received a twisted rope pull toy because it was the biggest dog. Linda Elsen received a blue bear for bearing with us this weekend. We all had a bear-y good time. Rich Elsen received two signs for the pool area. (Something about "P" and suits) Then came the stories and jokes. You just had to be there to appreciate them. There was even discussion of camping twice next year if it can be put on the ride schedule.

Sunday brought plenty of sunshine. Breakfast was cooked on Randy & Gail Hiser's site with all hands helping to prepare: 2 lbs. bacon, 1 LB sausage links, 1 LB sausage patties, 1 LB ghetta, 4 dozen eggs, 30 pancakes, 1 sticky bun bunt cake with nuts, 1 dutch oven peach cobbler, 1 package of Oreos deep fried (very yummy) and 10 packages of biscuits made into 100 donuts with holes. (Tom Burns is an expert in hole making) After another great meal it was time to pack up to go home but most stayed to let things dry out in the beautiful sun. Tom & Pat Runck stopped by to say hello and visited awhile. Tim & Carl got ideas from Randy's trailer for mounting Tim's ham radio antenna onto the trailer. Some played Rummikub while listening to the Bengal's game on the radio, while others chose to watch the game in a couple of the motor homes. Someone wanted pizza! So Randy & Gail made 18 pizzas over the fire, which by the way was still burning. (The fire not the pizzas) About 4:00 PM the rest of us (Hiser's, O'Rourke's, & Kunh's) were ready to pull out. Dave could not get the motor home to start. Randy brought over the battery from the trailer; Bear brought over his toolbox. Upon a closer look, the negative cable had come loose. With that fixed we all said our final good byes and headed home.

You missed out on all the fun, if you stayed home because of the weather. And you know, wherever there are gold wingers there is plenty of food. Now

back to our regularly scheduled diets until the next camping trip. P. S. The donuts have been requested to be made at the Chili Dump breakfast! Make sure you come and try them.

Randy & Gail

Thanks for the Party

By Jim & Brenda Pennigton

To the Officers, Coordinators, and Members of Chapter L –

Thank you, each one of you, so very much for everything done towards the success of our "welcoming home party" at Chapter L's meeting. We were totally surprised, overjoyed and overwhelmed with the entire evening. It is with sincere appreciation that we thank you for the \$400 monetary gift to help with travel expenses this year, the personalized photo album, cards and all the kind words as you greeted us in the reception line.

The entire evening was well planned and everything coordinated perfectly and that can only happen when the members of the Chapter work together as a team – and a great team you were that evening! We are proud to know each one of you and to be part of this large family of motorcycle enthusiasts called GWRRA. We are so blest to have the opportunity to share this special time in our lives with each of you!

May God Bless You and keep you in the shelter of His wing.

GWRRA International Couple of the Year 2006-2007

October 1st of the Month Dinner Ride Recap

led by Butch Royse.

Fifteen of us had an absolutely beautiful day for a ride. Bright sunshine with a few clouds and 73 degrees is about as good as it gets. Those along for the ride were Dave & Jackie Heim, Andy & Janet Andrea, Randy & Gail Hiser, Bill & Carol Pott, Bob Strout, Neil & Brenda Hardebeck, Walt & Diane Hart and Judy Wyckoff.

We left Wendy's in Miamitown at 2 PM, headed into Indiana for awhile and ended up at Houston Woods for a potty break. Then we headed east through Gratis, Carlisle, Franklin and Springboro. Our final

destination was to be Mac D's Pub in Wilmington (yeah that is where Peggy Smith works). Yes, I said was to be. We tried to call them all day to let them know how many people would be in our party, but never got an answer. We arrived to find them closed.

Yeah, you are saying we should have done a pre-ride. Well, we did on Wednesday. Butch and I had dinner there and tried to make a reservation for Sunday and they said to call them early in the afternoon. Walt suggested that next time we do the pre-ride the morning of the ride. Thanks Walt. All suggestions were greatly appreciated.

We took a brief tour of Wilmington and I pointed out Clinton Memorial Hospital as well as the family practice office where Peggy works. Butch did a quick search on his trusty GPS (I thought that stood for Great Places to shop) and located a Max & Erma's, so we headed that direction. Low and behold we ended up at the Roberts Center/Holiday Inn where the MS 150 ended up. Max & Erma's is in that complex.

Much to the delight of many of us, they had several TVs with the Bengals vs. the Patriots game playing. That delight turned to gloom by the middle of the 4th quarter. We left before the game was over and were glad to do so. It was getting pretty ugly.

We headed for home and soon had to take a detour due to an accident. We rode some of the MS 150 route, bringing back fond memories. The remainder of the ride home was uneventful, but after dark, since Mac D's being closed delayed us for awhile. But everyone arrived home safely. Thanks to all for a great day and to Butch for planning and leading a great ride. Beautiful day, beautiful country and wonderful friends, all on our beloved two-wheelers, how awesome is that?

Hey shutterbugs! Thanks to all who have sent pictures of L Events for the 2006 Scrapbook! Keep them coming, please. If you have digital pics, you can send them to me at: heyitster@cinci.rr.com. If you prefer, save them to a disc or have them developed and bring to our Chapter meetings. Thanks again!

Lady Rider SIG Update

By Cris Hauser

There have been several changes in the Lady Rider SIG Leadership this Fall. Here is a copy of the letter I received from the New International Coordinator for the Lady Riders SIG, Alice & Gary Meyer.

Hello Ladies,

We wanted to take a few minutes to talk to you about the GWRRA Lady Riders Special Interest Group (SIG). There have been some recent changes in the Special Interest Groups. One of the major changes is that all SIGs are now a part of the Membership Enhancement Division (MED), under the leadership of June & Derrell Agee (med@gwrra.org). Another recent change is new International Coordinator for the Lady Riders SIG, Gary & Alice Meyer. We have been involved with the Lady Riders SIG since 2003.

We are excited about growing the Lady Riders SIG as a compliment to the GWRRA Organization and Local Chapters. We would like for the Lady Riders SIG to be an area where women can come for a variety of issues and needs, whether that is for rides, education & knowledge, or just fellowship with other ladies like themselves. We are interested in hearing your ideas, concerns, and comments.

Thank you, **Gary & Alice Meyer**

Also I wanted to include another bit of info that I thought was interesting on the misconception about SIGs.

Good morning to all Region Directors,

While attending the Region "E" Rally this past weekend I found there is a misconception of the GWRRA Special Interest Groups and I need your help and assistance in helping to clear it up.

GWRRA Special Interest Groups (SIG's) are not in competition with the Regions, Districts or Chapters, they are our GWRRA Members with special interests. Special Interest Groups have been formed because many of our Members wanted to share their SPECIAL INTEREST with other Members who have the same interest, thus, we have the Lady Rider SIG, Trike SIG, Classic Wing SIG, Cyber Wing SIG, Camping SIG and RV SIG. These SIG's do not have Officers or Chapters separate from our GWRRA Chapters, they are the GWRRA Chapter Participants. The only distinction, they are CHAPTER PARTICIPANTS with a SPECIAL INTEREST.

I would greatly appreciate your assistance and support in getting the word out to your entire District and Chapter

Directors about our GWRRA Special Interest Groups. Ask them to promote and support these groups. The GWRRA Special Interest Groups will become a great tool in Recruiting and Retention for our Organization, in the Regions, Districts and Chapters. Remember that the Special Interest Groups are offering our Members another avenue to enjoy their GWRRA Membership. You may be asking how can you help in promoting and supporting the Special Interest Groups? One way you, as a Region or District Director, can help to promote the Special Interest Groups is to include them when you are planning you Rallies by setting aside room for the Special Interest Groups (SIG's) to display and hand out literature about the Special Interest Groups and to offer them seminar times. Another way would be to support and sponsor them for a District or Region Special Interest Group dinner or ride. Don't you think a group of Lady Riders riding through a town showing off their bikes and GWRRA patches would catch the attention of other Lady Riders (recruiting)? Wouldn't the Lady who has lost a spouse want to stay in the Organization, or join when they see there are other Lady Riders involved in our Organization (retention)? There are many other scenarios that I could get into, but I think you can get the picture.

Your assistance in promoting the GWRRA Trike Special Interest Group is needed as I have found many of our members think they have joined the GWRRA Trike SIG Group and in reality have joined the TRI Group. These are two different groups and we must help all our GWRRA Members understand that that the GWRRA Trike Special Interest Group is just that..."a GWRRA Special Interest Group". The GWRRA Trike Special Interest Group is another benefit of our organization as it enhances the enjoyment of our GWRRA Members by offering them a way to participate with other Members who have the same interest "RIDING AND ENJOYING THIER TRIKES". There is no membership fee to participate with the GWRRA Special Interest Group.

When you become a GWRRA Member you can automatically participate with the GWRRA Trike Special Interest Group. The GWRRA Special Interest Groups have been incorporated into the International Membership Enhancement Division and have the full support of this Division and GWRRA. Please help us in promoting and supporting the Special Interest Groups, as they will in turn be helping and supporting our Organization, your Regions, Districts and Chapters with recruiting and retention.

If you have any questions, comments or suggestions regarding this request please contact me at med@gwrro.org Your assistance is greatly appreciated.

Warm Regards,

June and Derrell Agee

Now that I have totally bored the men with the lady rider info. Right Tom R? I have some good news to share. Our own Chapter L Brat, Tony Heim has an article on page 50 of Wing World. This is pretty impressive. Make sure that when you see him at the next Chapter L meeting or event that you let him know that we are proud to have a Chapter Brat, who is now a published author in Wing World.

See you at the meeting.

Future Gold wings

By Cris Hauser

I would like to Thank Joe & Terri Rosemeyer, Bud & Peggy Smith, Roy Richard for attending the Fall festival at Mt. Healthy Christian Home back in September for their Car & Bike Show. The event was a success for the home. Joe & Terri's bike won best of show for the bike class.

The kids had a blast sitting on my trike. One lucky little girl got a ride around the building. Pictured below is Tricia Noland.

The boys were so excited about seeing the bikes they even brought their bike helmets just incase they were allowed to get a ride. They had to leave before the show was over so I told them that I would schedule another time to take them around the building. Pictured below are Alex, Jake & Daniel Guinigundo.
