## **Riding with Roy & Kathy**

By Roy & Kathy Richard

Happy 22nd Birthday Chapter L. On Saturday July 14th twenty two Chapter L members (Jackie, Dave, & Toni Heim, Fred & Lori Manning, Phil & Lois Hollingsworth, Dan & Diana Daulton, Tim & Anita Kendrick, Jack Elsen & Pauline Boderone, Bob Strout, Butch Royse & Judy Wyckoff, Bud & Peggy Smith, Jim & Terry Goss, and Roy & Kathy Richard) met at Colerain High School for a group picture. The weather cooperated with sunny skies and mild temperatures. The group of bikes (3 trikes, 9 wings, and 2 bikes) formed an "L" and the number 22 was formed with helmets for a 22nd birthday picture. Afterwards, everyone went to Walt's Barbecue for lunch. Plans are already being made to do a group picture for next year and lunch at Walt's on Colerain Avenue again.

The annual MS Bike Tour was held at the Roberts Center and University of Dayton on July 7th and 8th. The weather was hot that weekend for the 900 bicyclists that participated in the Multiple Sclerosis fundraiser. Carl Hauser organized the goldwingers who provided help at intersections and higher traffic areas along the 50 and 75-mile daily routes. Great Job, Carl! Thanks also to the many volunteers from our Southwest Chapters that gave support to Chapter L for this event.

A dance committee met this month and decided to move our annual dance to Saturday January 26th. The theme will be "Puttin on the Ritz". Watch for additional details later and be sure to mark your calendars for a night for dinner, entertainment and dancing.

At the July Chapter meeting, Jim & Brenda Pennington were presented with their flag that had been flown over the Capitol Building in Washington D.C. on July 3rd. A flag case was also presented to Jim & Brenda to honor their time as International Couple 2006-2007 and their theme of the flag and patriotism.

Also at the meeting, Kathy Richard presented Chapter L with a check from Western Hills Honda for \$300.00 for their sponsorship of our float in this years Harvest Home Parade on Thursday September 6. Part of the funds went towards the purchase of a GWRRA banner which Debbie Winkler & Elmer Jauch displayed to the Chapter. A Thank You card was passed that evening for all members to sign to show appreciation for the generous contribution from Western Hills Honda.

Be sure to patronize their business and make sure to thank them next time you visit their store.

The next event on the calendar was the Waskley Wabbitt Wun fundraiser sponsored by Chapter S2. Phil & Lois Hollingsworth joined Kathy and I for a great ride to Yellow Springs. There were 103 people for roast beef, potatoes, green beans, cole slaw and desert lunch and 70 bikes rode out in search of the elusive waskley wabbits. Be sure to join in on the fun next year and get your detective skills sharpened to find those elusive wabbits.

We also attended Chapter E2 and X2's meetings this month as well as the Otterbein Retirement Community's annual fish fry; it was a great day for all of the outdoor activities and the all you can eat fish dinner was great. We also want to take a moment to wish the best and speedy recovery to Rich Elsen and Tom Burns. Rich underwent heart surgery and Tom had liver surgery this month. Both are doing well and recuperating at home. Be sure to drop them a card or give them a call.

Chapter L will celebrate 22 years at the August 15th meeting. A special video is planned and birthday cake! Be sure to join us for the fun. Other upcoming events include First of Month Dinner Ride, Region D Rally in Lebanon, Indiana, and the Labor Day Weekend Ride. Mark your calendars to attend the Annual Chili Dump Saturday, October 13th at the Elsen Farm, Be sure to join us for the Chapter Picnic on Saturday August 11th. The next chapter meeting is Wednesday August 15th.

### **Chapter Celebrates 22<sup>nd</sup> Birthday**

By Jim & Brenda Pennington

If you have read the abbreviated Chapter L History which is on the Chapter Website (QCWR.org), you will notice that the Chapter's first meeting was April 13, 1985. OK, so why do we celebrate August as our Chapter's birthday? That is a good question and here is the answer: That is the date we received our GWRRA Chapter L Charter.

We (about 25 of us) rode to Celina, Ohio to meet with the Assistant State Director, Jim Trent. It was raining that day and we were pretty well soaked (before Frogg Toggs) but we arrived safely and were excited about our ride for the charter. We had lunch together and the Charter was then presented to Bill Wergowske, the first Area Rep of Chapter "L".

The original Charter should be with the Chapter archives in the possession of the Chapter Director. A renewed effort was made in 1995 by GWRRA in Phoenix to assure that every GWRRA Chapter had a current Charter and that Charter was signed by the Executive Director in Phoenix and the current 1995 CD, Dick Pettit.

The succession of good Chapter Directors has formed Chapter L, the “Queen City Wing Riders” into a FUNtastic GWRRA Chapter in Southwest Ohio. The future of Chapter L is promising as its members are great volunteers working together!

We're looking forward to many more years with Chapter L as a great organization or as the original thought was “Friends for Fun, Safety and Knowledge.”

We hope to have a great turnout for the August meeting and it would be nice to have each and every Former Chapter Director present. Hope you can be there!

## Chapter Educator

By Dave Heim

When you ride, surface conditions, traffic and the weather is always changing. You have to be constantly aware of a lot of things. Daydreaming when you're riding a motorcycle isn't a good idea. Things happen fast out there on the road, and you have to be prepared for them.

Here is a good five-point reminder for riding safely in traffic.

### SIPDE

**S --- Search** around you for potential problems.

**I --- Identify** any possible hazards, such as turning cars, railroad tracks, etc.

**P --- Predict** whether this hazard will or will not endanger you.

**D --- Decide** how to avoid the hazard.

**E --- Execute** the proper action to carry out your decision.

This **SIPDE** system is a basic key to safe motorcycling. Use it effectively and you'll be on your way, covering many safer, happy miles on your motorcycle.

**Increasing your visibility to others:** What's the most usual explanation from the automobile driver who just turned in front of a motorcyclist? “Gee, officer, I didn't see him.” It's a sad truth, we're not as big as a Mack truck, but we are visible. However, too often, motorists don't see us because they aren't looking for motorcycles.

**You have to attract their attention:** Wear bright clothing and utilize retro-reflective material whenever appropriate. The biggest thing that a following driver usually sees is your back. Make it stand out. Always signal your intentions. Change lanes or make a turn using your turn signals. You want to be sure that the people around you know what you are about to do. And it helps to assist your turn signals with hand signals at times. Remember to cancel your signals when you've completed your maneuver, otherwise drivers are getting false information from you, and you could cause yourself trouble. Don't be shy about using your horn in some situation. If a driver is dozing, or about to pull an unthinking maneuver, give him a BEEP. You want to make him aware of what he is doing, and of your presence.

**Helping you to see others:** The other half of the visibility battle is being alert and seeing everything around you. Use your eyes effectively. Keep them moving. Don't get fascinated by the 53 Corvette off to your right, or go rubber - necking at an accident scene. If your eyes are locked on one thing, you may be ignoring some situation that could affect your ride. Look ahead. Look to the side. Look in your mirrors. Look over your shoulders. Keep looking! Anticipate the oncoming, left-turning driver, the reckless fool coming up behind you, the car poking its nose out of the driveway, the guy beside and a little behind you who's moving across the lane divider. Never let your eyes fix on an object for more than two seconds. Keep looking

around. It's one thing to see another to have the time to react. No tailgating.

When you're riding in town at speeds under 40 mph, always keep at least a two - second gap between you and the car in front. Out on the open road with higher speeds, you should adjust your gap to three or four seconds or more.

Thanks to Butch Royse and as always, Friends for Fun, Safety and Knowledge

Our annual Chapter Picnic is on August 11<sup>th</sup> at Rich & Linda Elsen's farm. In August we'll be celebrating our 22<sup>nd</sup> birthday! Come join us for birthday cake at our August 15<sup>th</sup> meeting as Green Township Senior Center...

In September you can look forward to seeing Chapter L's float in the Harvest Home parade! A small group has been quietly working on this for some time. They'd appreciate it if you came out to show your support. That's enough from me – get out there and **RIDE WITH L!**

### 2006 International Couple of the Year

Jim & Brenda Pennington

Thank you for the support and love you have given and shown to us during the past year as we served GWRRA as the International Couple of the Year.

Thank You!

The honor given us at the June meeting to carry in the flag of our country while "God Bless the USA" was being played was very touching and thrilling for us – we were so very proud that you asked us do that to begin our Chapter L meeting.

Returning home to Chapter L in July the most heart-touching experience during our tenure as the ICOY happened to us – you presented us an American flag that had flown at the United States Capital on July 3, 2007, along with an engraved triangle box to keep it in (July 3 was our 48<sup>th</sup> wedding anniversary and the last day for us as ICOY).

We say THANK YOU again for your friendship, support and love – "L yes!" you are the greatest! These few lines by Frank D. Sherman express our feelings toward each of you -- our GWRRA family of friends.

It is my joy in life to find, at every turning of the road  
 The strong arm of a comrade kind, to help me

onward with my load:  
 And since I have not gold to give, and love alone  
 must make amends,  
 My only prayer is, while I live--**God, make me  
 worthy of my friends!**

### CHAPTER COUPLE 2007

By Mike & Judy O'Rourke

We missed all the hugs at the July meeting since we were traveling, but we hope you enjoyed the patriotic pens. This month we have edibles for the birthday to complement the birthday cake. Hope to see you all there, it is always fun to see the former CD's of Chapter L as well. Twenty-two years for Chapter L doesn't seem possible, we all still so YOUNG looking, even Bear! The most enjoyable part of being chapter couple 2007 has been visiting the other chapters. We visited Chapter E2 in August and we are always treated like royalty. Whoever is chosen, as Chapter Couple 2008 will have just as much fun as we have!

Love you,

## Bear & Judy

### Pins & Patches

By Tom & Barb Burns

Hi Everyone! Granny and Gramps (AKA Barb and Tom) are feeling very old today. We even may need to take to our recliners. Ha! We are feeling ancient because our grand twins are celebrating their 5<sup>th</sup> Birthday today. Boy! Does time fly. It seems like just yesterday they were born and now they are going off to kindergarten. Sniff, sniff. Oh well, while we are recovering is there any shirt, hat, jacket, pin, patch or flag we can get for you? Just let us know at Chapter L's August meeting. We wanted to let everyone know that Tom is doing great after his surgery. Thanks everyone for your prayers, cards and gifts.

**Car & Bike Show**

By Carl & Cris Hauser

Please help chapter L support Mt. Healthy Christian Home's Fall Festival on September 8<sup>th</sup> 10 a.m. – 3 p.m. I will have a sign- up sheet at our August meeting. I need to furnish them with a list of bikes that will be entering in advance so that they will make sure that they have suitable parking for us. There will be car & bike judging along with Local Crafters, Food & Home baked Goodies and Entertainment. If you don't want to show your bike there is still lots that you can do so come and have fun with L. Thanks for your support.

**Harvest Home Parade**

By Gail Hiser

We have been working hard on the float for the Harvest Home Parade. So hard, that we are ahead of schedule. Our next work night will be on Wednesday, August 29 at 7:00 PM at Elmer Jauch's home. Then final touches will be applied on Wednesday, September 5 – the night before the parade. If you are going to ride your gold wing in the parade with us, please be at Elmer's home on Thursday, September 6 no later than 4:00 PM. We will ride together to the staging area. Area streets will close at 5:00 PM. So we need to be in place before they close the streets on us. As of this writing the staging area is still unknown. Sign up at the August Chapter L meeting and you will be notified of the location when we find out. Thanks for all the help with the float building and riding in the parade. We have a Great Spirit of fun amongst us all. "L" YES we do!

## Last Campout of the Year

By Gail & Randy Hiser

So sad to see the summer ending! Our last campout of the year will be on Friday, September 28 – Sunday, September 30. By now everyone should have his or her reservations in. Gail will be passing out the food lists at the August and September meetings. Remember that it will be a Halloween weekend. Let's all bring a pumpkin so we can carve it on Saturday (or at least one per site) and decorate our sites for Halloween. Also bring lots of candy to pass out to the kids as they go trick-or-treating from campsite to campsite. Wear your costumes too. It will be the first weekend that the Haunted House on the Farm will be open. Let's go and see who gets the most frightened.
