Riding with Roy & Kathy

By Roy & Kathy Richard

Hello, Gold Wings! I hope everyone is enjoying the summer. June was another busy month. We had a great time at the Chapter Campout at Little Farm on the River. We enjoyed fishing, "eating", swimming, "eating", sitting around the campfire, playing games and "eating". The zip lock bags of breakfast, fudge and smoothie were great for camping; I'm going to try them at home too. Saturday evening, the skies were threatening, but the heavy rain, hail and blowing winds missed us. Because of the stormy weather between Louisville and Cincinnati, Chapter E2 cancelled their ride to the campgrounds for desert. Sunday evening took a shuttle the Grand Victoria buffet. The buffet dinner was our June First of the Month Dinner "Shuttle" Ride. Thanks again Randy and Gail for organizing the weekend. Plan now to attend the next Campout in September. Make your reservations as soon as possible, or contact Gail Hiser for information.

The following week, we traveled to Wisconsin (4 wheels) to celebrate our grand daughter Lilah's first birthday and her great grandma's 90th. She was walking along furniture at the farmhouse, and did manage to take a free standing step or two that weekend. However, since then she has gotten the hang of it and is now walking everywhere. That same weekend was Chapter E2's annual Cruise In at Quaker Steak and Lube in Milford. Chapter L's Bud Smith won 1st Place for 1500 class and Pauline Boderone received a certificate for Special Hybrid Class for her Mini Trike.

Because my back was bothering me, we followed the Ride to the Buckeye Rally in Marietta in the truck. Making the trip to Marietta on Thursday were Carl & Cris Hauser, Tim & Anita Kendrick, Dave & Marva Petitt, Jim & Brenda Pennington and Bear & Judy O'Rourke with grandson Nathan. Bud Smith & Peggy Muchmore joined us Friday evening. Dan & Diana Daulton drove over for the day on Friday, and Debbie French drove over Saturday afternoon, and stayed the night. Chapter L had gate duty first thing Friday morning. The Chapter takes this responsibility very seriously, and we had to frisk several non-Rally attendees (see newsletter picture) before allowing them to enter. After our duties were complete, we strolled the fair grounds, visited the vendors, played many of the games, placed bids on the silent auction items, and participated in many other Rally activities.

I had to help Roger put lotion on his Legs!

The chapter L group tried the local cuisine at The Galley Restaurant and Tempico Mexican Restaurant. Friday afternoon, Jim Pennington led a ride on Ohio 26 (Ohio's version of Deal's Gap) to Fly, Ohio for pie, but there was NO PIE IN FLY! After the closing ceremony Sunday morning, we departed for home. Chapter L would like to give a "BIG Thank You" to Roger & Penny Hurley and the District Staff for their hard work to organize the Rally.

Chapter L's gathering was held on Wednesday June 18 at the Green Township Senior Center. The meeting started with Jim & Brenda Pennington carrying in the American Flag to the music of Lee Greenwood's "God Bless The USA". We announced that we ordered an American Flag which will be flown over the US Capitol Building in Washington, D.C. in July with letter of Authenticity to be presented to Jim & Brenda, as outgoing International Couple of the Year, at next months Chapter gathering. Also, during the meeting Pauline Boderone was presented with a bike horn and was instructed to honk as a warning for those around her. Pauline backed a golf cart into a popup camper at the campout, and knocked it off its supports that in turn tossed those inside out of bed. Please clear a path when Pauline honks her horn.

This is the 50th anniversary of the Cheviot Kiwanis Harvest Home Parade and Elmer Jauch made arrangements for Chapter L to participate. The Chapter is building a float and inviting any local member to ride their bike behind the float. The first planning meeting at Elmer & Debbie's home made us realize that it would take some time and money to complete the project. Kathy contacted Western Hills Honda and asked Greg Evans if they would like to help sponsor our float. Greg indicated that they would be delighted and that if his schedule permits that he will present a check to the Chapter at the July meeting. The Chapter appreciates Western Hills Honda for their sponsorship; please show your appreciation by patronizing their

business on Harrison Avenue. Watch the Chapter weekly update for date, time and location of float and parade activities.

Attending this years Union Central Life Insurance Company Concert on the Green was Roy & Kathy Richard, Butch Royse, Judy Wyckoff, Donna Withrow and Howard Ploegsma. We all ate a picnic dinner, and enjoyed the music by Eric Kunsel and the Cincinnati Pops Orchestra. However, during the intermission, the rain was coming and they cancelled the second half of the concert. We rode south on Hamilton Avenue, and rode right into heavy rainstorm. We pulled into a car wash in Mt. Healthy to get out of the storm. We put on our rain gear, and waited for the storm to pass. We will try again next year.

Watch the Chapter L Weekly Update for current dates, times and locations for upcoming GWRRA activities. Be sure to look for Signup sheets at the membership table at the next Chapter gathering for rides and activities. See you at the next Chapter L gathering or GWRRA event.

WORDS TO SURVIVE BY

1. KNOW AND BELIEVE THAT YOU ARE INVISIBLE TO ALL OTHER DRIVERS.
2. When approaching any intersection, assume cars traveling in the opposite direction are going to turn left and run over you. Be prepared to take evasive action.
3. ALWAYS-ALWAYS have an escape route out of a situation to avoid the consequences of other peoples' mistakes. Keep looking for the gap that you can use when someone else screws up.
4. Adjust your speed to your reaction time. At the end of a tiring day it will be much longer than it was on the way to work at 8:00 AM, so ride with bigger safety margins.
5. Check BOTH directions when the light turns green. Maybe only one time in 10,000 will someone run the light? For a high mileage rider that could be more often than most.
6. Drivers that are using their car phones are not using their brains. Watch out for them.

7. Mirrors are important. If they don't show anything but your elbows, buy some that do. Always use your mirrors.
8. Use other people's mirrors, too. Look into the mirror of the car in front of you. That way you can see where they are looking and how attentive they are. If you can see them, chances are better that they can see you.
9. Trucks and vans often have a hard time checking their right side blind spot.
10. Slippery oil, antifreeze, and ATF look like water, particularly in low light. Try to avoid all wet spots, but if you can't, ride over them smoothly.
11. Check under (behind) parked cars. Those legs you see belong to a child who may run out in front of you.
12. Anticipate the moves of other vehicles. Drivers don't always use their turn signals in traffic, but you MAY be able to tell where they are going by watching their heads turn just before they change lanes.
13. Treat all metal surfaces - train rails, bridge gratings, manhole covers, with the utmost respect. They offer very little traction when dry, and almost none when wet. Ride over them as smoothly as possible.
14. Ride in a gear that will allow you to accelerate quickly if you need to get out of a tight spot.
15. Never lose your temper when riding.... If you do, STOP, take a breather, and then resume your ride.
16. Always be on the lookout for, and expect, the unexpected.
17. Avoid racing with other motorists.
18. IF YOU'RE NOT SURE, DON'T!

Hi Everyone, Happy Father's Day to all our fathers. Wow, what a great turn out we had at the June's meeting! Thanks to the following who donated door prizes: Randy & Gail Hiser, Rick & Bobbie Harless, Roy & Kathy Richard, Tom & Barb Burns, Jim & Brenda Pennington, Jack & Pauline, Elmer & Debbie. They were really good gifts, (even though some thought it meant more work.☺) Thanks to

Lois Hollingsworth for the great CD's, "A Tribute to Reds Broadcasters".

And the lucky winners were: Walt Hart, Tom Hatfield, Elmer Jauch, Gail Hiser, Fred Manning, Kathy Richard, Brenda Pennington, Steve Albert, Karen Childs, Barb Burns, Walt Bohanan, Tom McKiernan, Andy Andrea, Joe Schmidt, Rick Harless, Jack Elsen and Lois Hollingsworth. Kathy Richard won the Membership Draw. She won \$5.00 and donated it back to the Chapter. Thanks Kathy. The Traveling Door Prize was brought back by Greg Hauck. And the lucky ticket holder was Tom McKiernan, who won an Emergency Safety Kit for his bike. What a perfect gift to receive.

The Lady Riders held their Parking Lot Practice on June 6. Gibby from S2 did a fantastic job setting the course up for the ladies and even set up a trike course for me. The attendees were Jackie Heim, Judy Wyckoff, Donna Riley, Karen Tomlin and I. Also joining the ladies in the course was Dave Heim, Butch Royce. Our "Helping Angels" were Gibby, Elmer Jauch, Ron Cawein, Walt Bohanan, and Marshall Goodman. Thanks, Angels! We are looking forward to having other Parking Lot Practices in the up coming months with Gibby. More details to follow. A big thanks goes to Gibby for his hard work and expertise.

We are still planning to do the Thursday night ride for the Lady Riders beginning on July 12th. This ride will be for all Lady Riders but anyone else who wishes may join. Be sure to look for Brenda's weekly updates. Don't forget the Harvest Home Parade on September 6th. All Chapters are welcome. The float is making progress. Everyone is welcome to come help.

Don't forget to tell that special someone how you feel! Hugs and Kisses to all.

The Buckeye Rally was a great time once again, except there's no pie in Fly...(see Jim Pennington for an explanation ☺) Marietta is a very nice town and a great place to hold the rally. If you can get away next year I highly recommend it.

S-2's Wabbit Wun is fund-raiser happening in the next few weeks. I'm sure they would appreciate our support.

The Michigan District rally is on a new date and in a new location this year. The rally site has moved to West Branch, Michigan. More details can be found on the Michigan District web site at www.qwrra-regiond.org.

Our annual Chapter Picnic is on August 11th at Rich & Linda Elsen's farm. We'll have details on this at the meeting. In August we'll be celebrating our 22nd birthday! Come join us for birthday cake at our August 15th meeting as Green Township Senior Center... That's enough from me – get out there and **RIDE WITH L!**

Hi Everyone! Were you in a 4th of July parade or are you planning on being in a parade? Do you have a Chapter L or American Flag for your motorcycle? Well, if the answer to those questions are no, just let us know. We can order whichever flag you might need. Also, are you a Veteran or have a family member in the service? We are able to order flags for every branch of the service. Just give us a call or send us an e-mail and we will be glad to take your order. We will probably be missing for July's Chapter L meeting. They have rescheduled Tom's liver surgery for Thursday, July 12th. So, hopefully he will be recovering in the Hospital or at home. Hope to see you all in August.

THIS IS TOO SWEET FOR WORDS!

A six-year-old boy told his father he wanted to marry the little girl across the street. The father, being modern and well schooled in handling children, hid his smile behind his hand.

"That's a serious step," he said. "Have you thought it out completely?"

"Yes," his young son answered. "We can spend one week in my room and the next in hers. It's right across the street, so I can run home if I get scared of the dark."

"How about transportation?" the father asked.

"I have my wagon, and we both have our tricycles," the little boy answered.

The boy had an answer to every question the father raised.

Finally, in exasperation, his dad asked, "What about babies? When you're married, you're liable to have babies, you know."

"We've thought about that, too," the little boy replied. "We're not going to have babies. Every time she lays an egg, I'm going to step on it!"
