Riding with Roy & Kathy

By Roy & Kathy Richard

February has been another busy month. We attended the February First of the Month Dinner Ride led by Fred & Lori Manning to The Claddagh Irish Pub in Mason. The Chapter L members that attended enjoyed the delicious menu items and large dining room accommodations.

We attended a Cabin Fever Rehearsal at Randy & Gail Hiser's house. Chapter L captured 11 awards and recognitions at Columbus. I would like to recognize Carl & Cris Hauser on their participation in the District Couple of the Year competition. They will always be number one to us. Also I would like to thank Randy & Gail Hiser for coordinating Chapter L's participation.

During February, we attended Chapter A-2, E-2 and F's monthly gatherings. And also attended Safety Saturday in Beavercreek sponsored by Chapter J (Dayton). There were 5 very informative presentations given: a question and answer session conducted by Ohio Patrolman Dan Moore, a Motorcycle Insurance session given by K.C. Fread, a Co-Rider Seminar presented by Linda Frank, an Emergency Crash Scene Response session given by Chuck Geggie, and a Motorcycle Ohio information session conducted by Darrin Ebright.

Upcoming events in March include the First of the Month Dinner Ride to Molly Malone's Irish Pub with "the wearing of the green" led by Judy and Bear

O'Rourke. Chapter L's gathering is at Green Township Senior Citizen Center Wednesday March 21st with our annual Bake Sale fundraiser. Plan on attending and buy a baked good for home, work or both.

Get ready for the riding season and attend Tech Day on April 14 at Jack Elsen's. We attended the planning meeting for the Memorial Picnic and the Multi-Chapter ride February 18th. Mark your calendars now to join X-2, A-2, E-2, and L for the Annual Memorial Picnic at Keehner Park on April 22nd. Each Chapter will have sign up sheets for salads, desserts, appetizers, and side dishes. The picnic will start at 12:00 PM. The CD's will be grilling and each Chapter will sponsor a game for prizes. There also will be a tribute to past goldwingers.

The Multi-Chapter ride has been scheduled for Saturday May 12th. Each Chapter will ride that

morning to Buck Creek State Park at Springboro and plan to arrive at 12:00 PM for a picnic lunch. At 1:30 PM, a multi-chapter ride will commence with the final destination Young's Dairy for ice cream. The Chapters have rented a shelter and there is plenty of parking. Each rider will be responsible for his or her picnic lunch, chairs, and drinks. See attached flyer more details.

Watch the Chapter L Weekly Update for current dates, times and locations for upcoming activities. See you at the next Chapter L gathering or GWRRA event.

January Chapters F & J Bowling Results:

The results are in for the 7 bowlers from Chapter L who participated at the Chapter F and Chapter J bowling parties in January. There were 9 winners at Chapter F's bowling games: the winners for Women High Game were Gail Hiser (1) and Kathy Richard (3); Men High Game was Randy Hiser (1); Women Head Pin was Gail Hiser (3); Women Low Score were Gail Hiser (1), Pauline Boderone (2), and Kathy Richard (3); Men Low Score Randy Hiser (2) and Roy Richard (3).

Chapter L had 4 winners at Chapter J's bowling games. The winners for Men High Game was Randy Hiser (2); Men Head Pin Randy Hiser (1); Women Low Game Gail Hiser (1); Men Low Game Randy Hiser (3). Chapter L came in second (111.4) to Chapter S-2 for High Chapter Average.

I want to first thank everyone for the nice thoughts and cards that were sent to us on the passing of my Grandmother. She was 98 years old and lived a great life. I always said to her that I "hope I live half your age." God willing, I only have a little longer to go.

Reminder – ERC course, Saturday, March 17 at Scarlet Oaks– we still have openings.

I don't know about you, but I'm getting antsy to ride. As the weather gets warmer, so does my blood. Remember, when going out on nice days, we all have to be on the look out for new potholes in the roadway. Some of them can be crater in size and swallow a motorcycle in a heartbeat. Be on the look out...rims are expensive.

Have you ever been sitting at a traffic light on your motorcycle and the light just won't change? And it won't change? And it won't change? Try calling your Local City government office or Traffic Engineering office. Explain that you are having trouble at a particular intersection and you might persuade them to make an adjustment to the sensor that will help correct the problem.

As we begin another season of riding, remember... Friends for Fun, Safety and Knowledge

Let's Ride!

Hi Everyone, Once again GWRRA comes thru for me again. What a great organization! I can't begin to tell you how grateful I am for Jim & Brenda.

Elmer was schedule for an angiogram on Monday the 19th. I wanted to take the day off to take him, he said I needed to go to work (for I needed the money) he said he would drive himself to the hospital. I told him he couldn't drive himself to the hospital so he said ok I'd just cancel and make another day. I told him I had already made arrangement for Tom to take him (my family is always there to lend a helping hand). Thanks Tom for always being there.

Jim & Brenda arrived early to sit with Elmer. They talked, prayed, and laughed as Elmer tried to sweet talk the nurse into letting him go home. I quote "Like h*ll you will." Jim & Brenda stayed until he was in his room and comfortable. So he was kept for the night under watch. Jim kept me informed on every thing they did to Elmer, Thanks Jim you don't know how relieved I was to know that you and Brenda were there to watch over him and to get all those update. THANK YOU!!

This was the first meeting that Elmer has missed in a long time; He wanted to go so I said ok go ahead and go. He said it's going to look a little funny you staying home and me going. Later that night he

said I'm glad we stayed home! He is sore but doing well. Thanks to all for all your cards, E-Mail's, phone calls and especially your prayers.

Thanks to Peggy for filling in for me at the door prize table. We had 70 friends and family at the meeting. Thanks to all for their donations! Carl won the traveling door prize.

As I am typing this article, Elmer is sitting next to me. He has asked me to thank everyone for all his or her prayers, cards, calls and E-mails. He was really taken in by all this!

Thank~You!

Chapter "L" Ride and Event Calendar

By Tim & Anita Kendrick

March is finally here and the Ride Schedule is beginning to pick up a bit with activities. Judy Wyckoff is leading a ride (probably on 4 wheels) to Boggstown to enjoy the Boggstown Cabaret on the 24th. Chapters K and F have fundraisers this month as does Chapter L (our annual Bake Sale).

April is really busy with the first rally of the season we typically attend, Spring Fling, and many other events. If you need to work on your bike Tech Day is in April also. Jack Elsen once again is opening his facility for us to work on each other's bikes. If you need parts or accessories (i.e. Chrome) let Jack know as soon as you can so he can get ordered whatever he doesn't have in stock.

The annual Gold Wing Memorial Picnic is in April again this year. We're going to switch to the shelters closer to the restrooms for the folks who had trouble with the walk last year. This is a really good event which is well attended by our 4 local chapters.

There are several education opportunities this month also, including ERC, TRC, MFA and a parking lot practice.

We hope you can find something of interest and Ride with L!

Pins & Patches

By Tom & Barb Burns

Hi Everyone! Our display table will be missing this month due to the Chapter L Bake Sale. We hope you will be busy bidding on those delicious tasting treats at March's meeting. You might want to give some thought while we are away to your Chapter L Spring attire. It won't be long before we're back on those bikes again. I'm certain that the lovely snow and rain has to stop sometime. In the meantime could you use a jacket or additional shirt or two? How about some pins or patches? Just give us a shout and we will be happy to help you. We are looking forward to seeing you at March's meeting and bake sale.

Chapter Couple 2007

By Mike & Judy O'Rourke

It was a glorious night for the Irish at Molly Malone's on March 4. Green was everywhere, even on Carol's shamrock earrings and vest, Roy's green top hat, Fred's underwear hat, Pauline's vintage green sweater and Kathy and Bear's shamrock hats, among other GREEN apparel on everyone. The Guinnesses, Jamesons, Snakebites and other Irish liquid added to the camaraderie and, before long, the group was singing Irish songs from "McNamara's Band to "When Irish Eyes are smiling" led beautifully by Pauline.

The owner even entertained us with an Irish ballad. It was a memorable night thanks to the Richards, the Smiths, the Penningtons, the Beebers, the Potts, the Harts, the Hisers, the Meyers, Butch & Judy, Jack & Pauline, Steve Albert and the O'Rourkes. (Maybe we should be culturally diverse

and do German food, Chinese food, Japanese food, etc....)

We visited E2's meeting in March and J's meeting in February advertising the Bake Sale. The J and J Auctioneers are ready and, hopefully, those wonderful baked goods will bring in substantial money to the treasury. Checks, personal or payroll will be accepted!

Mike (Bear) & Judy

Down Memory Lane
Aka Chapter L History
By Jim & Brenda Pennington

Chapter L's First Baked Goods Auction took place in March 1996 – 11 years ago! In her March 1996 newsletter article Notes from the Polar Bear by Judy O'Rourke we read: "Don't forget the Baked Goods that will be auctioned off by our off-duty auctioneer at our next gathering. Come and enjoy this first-ever event affectionately referred to as the Baked Goods Auction, or whatever you want to call it! Just bring enough money to go home with a sweet treat for Thursday!"

Ron King served as the first bake sale auctioneer and \$324.00 was reported by Treasurer, Lori Hicks saying, "you can sure tell that Chapter L has a sweet tooth."

From ACD Rich Hesse's article he said, "Thanks to all the ladies who did such a fine job of baking those great treats. Ted Enzweiler gets the award for submitting the highest bid. I hope you enjoyed the basket of cookies Ted."

Historian's note: In the 10 years prior to March 1996 the chapter had a White Elephant Sale fundraiser each year. This was a lot of fun and monies were raised for the treasury. A change was needed and the Baked Goods Auction was begun and has proven very successful for a yearly Chapter L fundraiser.

E-Mail Weekly Updates
By Brenda Pennington

Hope you're enjoying getting the weekly e-mail updates. We are trying to eliminate the "I didn't know about it" attitude with the hope that more of you will participate in the listed events and

activities. Please keep me informed when your e-mail address changes – or if you are just getting on the e-mail system so we can add your name and address. We normally send it out late Wednesday and so you should have the information Thursday morning. And, if you don't have email we'll call you if you want us to -- no kidding! L yes! Whatever it takes to keep the fun going and members satisfied.

Cabin Fever Numbers are in!
By Gail & Randy Hiser

30 were in the parade + 2 E-2 members helped us out. There were 2 additional "I" members in the audience. If we had known they were there we wouldn't have needed E-2. 32 chapter members in attendance on Friday night. Can you believe that! What a group!! Plus many others were with us in spirit too!!

A very special couple (Carl & Cris) competed in the C O Y competition. They were very good and represented our Chapter extremely well. Thank you for your whole hearted effort. We're all so proud of you! You will always be winners in our eyes.

6 participated in the Boxer Short Contest
4 participated in the Hat Contest
1 participated in the Slipper Contest

Numerous members played the chapter games which were held in the open ballroom. Play together, stay together. A few peddled in the trike drag races. You go girls!!!

3 new Cabin Fever attendees got measured, went in the barn, were oogied boogied, went under the blanket in Tom's room and 2 saw the Big Yellow Moon. (Not Jack's white moon! Thank goodness)

Speaking of rooms, some dressed for the parade in Randy & Gail's room and then we all gathered in Elmer & Debbie's room to line up. Carl & Cris gave a tour of their room at the Homewood Suit Inn to a few before dinner. The no-talent was practiced in Roy & Kathy's room. I think we now have a chapter dog too. Bud & Peg Ray's dog liked it better with us. X-2's dog went to 'L'. The after – it – all party was held in the connecting rooms of Bear & Judy and Tom & Barb. We do like to get around.

While X-2 was performing their skit for the audience, a few of our 'L' members waited in the

holding area and tied their shoes together and hid their boots. All in good clean fun.

To have fun is to participate. If you don't participate you can't win. And participate we did!!!

The grand total of 11 awards were brought home by Chapter 'L' YES.

1. Debbie Winkler was recognized for leading the line dancing class.
2. First place in grand parade for large chapter (L's Memory Scrap book)
3. First place in the individual best theme dress – Christine Albert
4. Second place in the boxer short contest – Gail (anyone need some LED lights, slightly used?)
5. First place – Gail and
6. Second place – Judy O' in the hat contest
7. Runner up in the trike drag races – Anita
8. Second place in the puzzle – again – Randy & Gail. Roy & Kathy need lots and lots and lots of practice. Over 6 minutes compared to our 2min 52seconds.
9. First place - \$10 in identify the pictures – Randy & Gail. This was more of a group effort. When a chapter member walked by they would tell us the one that they knew. So we bought everyone who was at lunch on the way home a drink.
10. Third place in the no-talent talent show – Chapter 'L' with "Fred's Hat Society" not bad for the first time entry!!!
11. Diane Daulton won a flower arrangement made by Georgia as the final door prize.

At the closing ceremonies, Tom Taggart turned to Randy & I and asked, "You didn't do anything this weekend did you?"

Gail & Randy

Winter "PMS" (Parked Motorcycle Syndrome)

I have to admit I've had it bad this winter. While I am lucky enough to live in the south, we have had a very cold, cloudy, and rainy winter, which has left my motorcycle parked much too long. I now have greater empathy for you folks that live in the colder climates.

So, I've asked others, "What do you do in the colder months to ease your PMS?" I've gotten a lot of great responses. Many districts have a winter

event with education and games on the schedule. Chapters usually schedule some indoor events, even cross-chapter socials. Individuals spend the time catching up on their Motorcycle Magazines. Reading up on some great rides inspires some to start planning their trips for the coming year. Others said they found these winter days are a great for reading up on gear, accessories, training, and the message boards, while others say they check their maintenance records, riding gear, and overall bike health.

For us this winter weather has given us that extra needed time to get the ball rolling with the Lady Riders SIG. We have been working on plans for Wing Ding. So far, we have a Lady Riders Meet & Greet on the schedule, as well as, a seminar on basic motorcycle maintenance and mechanics. Do you have an idea for a Lady Riders event?

We have been showing up at the State and Region events, talking to ladies about Lady Riders, finding out who they are and what their interests are. Have we met you? We are getting our GWRRA Lady Rider's Website up and running. Check it out at <http://sig.gwrra.org/LadyRiders/>. What do you think?

We are working at getting the rest of our Region and State Coordinators in place. Are you interested? Do you know someone that's interested?

We are working to have a presence at many of the Region and District Rallies. Would you like to see us at your District or Region Rally?

We have a space on the message board for your questions and comments. Do you have a question you'd like answered?

<http://bbs.gwrra.org/scripts/board/discus.pl>

Remember when those warm days break and you get a chance to steal away for a couple of hours of quality with your bike or trike, don't forget these items: Is your bike ready? Is your gear ready? Are you ready? Now enjoy the ride!

Thank you,
