## Riding with Roy & Kathy

By Roy & Kathy Richard

Our calendar for August started with a visit to E-2's meeting. E-2 passed around pictures of our new GWRRA banner that they borrowed for their parade Float. It looked great! We were glad they were able to use it. The promotion helps every chapter.

Randy & Gail Hiser had told us about the NASCAR theme out at "Little Farm on the River" the August 3rd weekend. We decided to visit their camp site, and check out Randy's famous NASCAR collection. As we pulled into the campground, we could see very tall flag poles with racing flags. We headed that direction, and found more NASCAR items than some hobby stores have. And the most unique item was a metal race car fire pit that Randy designed and built. Be sure to make it out for the Chapter campout in September. You never know what you might see at Gail & Randy's campsite for the Halloween Theme!

Saturday August 4th, we attended the 9th annual Cystic Fibrosis Keli M. Fultz Foundation benefit. We joined fellow Chapter L members Butch Royse, Judy Wyckoff and Bud Smith. You couldn't beat the admission price which was free for an all you can eat delicious lunch of pork Bar-B-Q sandwich or hamburger or hot dog, sweet corn, deserts, drinks, etc. Judy Wyckoff conducted several fun games for all ages. Money was raised for the foundation from the sales of chances for the many door prizes (4x4 quad runner and a Gas Grill, etc.), and an auction of many valuable items (autographed Bengal and Colts items, Ohio State Corn Hole Game, Bengal's Beer Keg Refrigerator, etc.). All-in-all they raised over \$10,000 which goes to help pay the medical expenses of Justin King. Be sure to mark your calendars for the first Saturday in August next year.

Sunday August 5th was the First of the Month Dinner Ride. Because of the hot weather, Dave & Jackie Heim had everyone meet at City Barbeque in West Chester. Everyone enjoyed the good food and company. Thank you, Dave & Jackie.

The following week, 17 Chapter L members met at Rich & Linda Elsen's Farm on Friday evening to help clean and setup for the Saturday Chapter L picnic. Because of the hot weather, the Chapter coordinators agreed to start the picnic at 4:00 PM. The Weekly Update and phone tree blitz got the word out of the time change. The weather did moderate which made for a more comfortable gathering. There were over 60 GWRRA members,

family, and friends in attendance. Rich Elsen and Tom Burns looked great! Everyone was glad to see them out and about after their surgeries. Judy Wyckoff organized several games for the picnic (the M&M toss, Water Balloon toss, Ice Cream Eating Contest) and little kids, as well as a few big kids, loved playing with those super soakers. Thanks to all of the Chapter L members that helped with the Picnic.

Chapter L celebrated its 22 birthday at the Wednesday August 15th gathering. Former Chapter Area Reps and Directors in attendance were Tim & Anita Kendrick, Carl & Cris Hauser, Mike & Judy O'Rourke, Rich & Nancy Hesse, Jim & Pauline Petroviak, Bill Tieke, Lois Pettit, and Jim & Brenda Pennington. A Video titled "Lessons of the Geese" was presented and Birthday cake was served. Jim & Brenda Pennington announced that they had purchased medallions for the "Couple of the Year" at Wing Ding. They presented Bear & Judy O'Rourke (Chapter L 2007 Couple of the Year) with these medallions and instructed them to start a tradition of passing the medallions onto the next Chapter Couple. Jim & Brenda had informed us at the coordinators meeting that they were working on a new banner for Chapter L. With Ron Walter's embroidery skill and Jim's design, a beautiful royal blue with gold embroidery banner was presented to the Chapter. This generous gift from Jim & Brenda will be treasured for years to come. Thanks! Jim & Brenda for all that you do for Chapter L. Your dedication and support are always appreciated.

We want to thank Butch Royse & Judy Wyckoff for planning and leading the Labor Day Weekend Ride and Randy & Gail Hiser for planning and leading Chapter L's participation in the Harvest Home Parade. Plan on participating in one of the many GWRRA Chapter activities. The next Chapter L meeting is Wednesday September 19th.

### ROAD RAGE

According to the American Automobile Association, road rage has been increasing by 7% per year since 1990. An Australian study estimates that about half of all traffic accidents in Australia may be

due to road rage. A study by Lex Research in the U.K. indicates that of Britain's some 2.8 million company car drivers, about 83% have been Victims of some form of road rage during their working life. About 21% reported having been run off the road and 18% have been physically threatened by another driver!

Some attribute the rise in rage incidents to the recession and social and economic frustration. Gary Fite, Public Relations Manager for the Royal Automobile Club of Queensland, reckons that in many cases the cause of the anger that touches off rage incidents are bad driving. With an estimated 1,800 reported incidents of violent road behavior in the U.S. in 1996, it's a situation to be taken seriously.

The incidents that trigger a Mad Max syndrome in the average driver are usually simple matters of discourtesy—for example, loud music, over-use of the horn, tailgating and changing lanes with-out signaling. These, of course, are usually just the trigger points. The actual causes can be traced back to all forms of stress, from being called into the boss's office for a friendly 'chat', to having just been dumped by your girlfriend. Pretty much, road warriors are the result of a flashpoint of all the accumulated stresses in one's life.

A 1995 study performed by the Road Safety Unit of the Automobile Association of Great Britain found that 90 % of the drivers surveyed had experienced "road rage" incidents during the preceding 12 months. In this study, 60 % of drivers admitted to losing their tempers behind the wheel during the previous year, and 1% claimed another motorist had physically assaulted them. In early 1996, the AAA Potomac club commissioned a study from The Gallup Organization to investigate driver concerns. The study found that Washington area motorists felt more threatened by aggressive drivers than by drunk drivers; 40 % of the respondents said that aggressive drivers "most endanger highway safety," while 33 % identified drunk drivers as the primary risk. As for avoiding the Mad Max syndrome, here are a few tips from Dr Ricardo Martinez, Administrator of the U.S. National Highway Traffic Safety Administration, to help you through your journey

- Don't take traffic problems personally
- Avoid eye contact with an aggressive driver
- Don't make obscene gestures ("that makes you a player and suddenly it begins to escalate")

- Don't tailgate
- Use your horn sparingly (the polite honk can be misinterpreted)
- Don't block the passing lane (some drivers think you're doing something to them when you do this) don't block the right hand turn lane.

## Rider Education Changes

... As announced by Melissa Nordeoff, GWRRA Executive Director, on September 4, 2007

It seems that every few years, things all around us change. Over the past year, we have had many changes in the ranks of our Volunteer Officers and now I have another one to announce. **Bob & Sue Lorenz** have decided it's time to retire from the Rider Education Division. Bob has been the Director of Rider Education for 7 years and been a part of the Rider Ed Program for 12 years. He has worked hard at building a relationship with GWRRA and SMSA, improving the Rider Ed Classes, and spent many hours building and coaching a team of great educators to provide our Rider Ed Classes at Wing Ding and elsewhere. As you probably know, when Bob came up against a challenge, it was not a matter of **can** it happen, but **how** it is going to happen.

I am happy to announce that **Mark & Mary Zingery** have decided to lead our program to the next level. Mark & Mary purchased their first Gold Wing and joined GWRRA in 1993. They quickly became involved in Rider ED. Mark has been a Chapter Educator, District Educator and an assistant to Bob Lorenz. Mark started riding motorcycles when he was 14 and is now a Master Instructor Trainer for GWRRA. Please wish them well and help them as you helped Bob.

## News from National

### Family Member Cards

We are pleased to report we've made progress on being able to print optional co-rider cards within a family membership (-02s, -03s, -04s, etc.) The cost

of these additional cards is a modest processing fee of just \$5 each. Although Family Members have always been able to participate without a card of their own we recognize that some GWRRA Members' value having their own "proof" of membership. Let your Members know to call 800-843-9460 or 623-581-2500 (Phoenix) to order or send a written request to 21423 N 11th Avenue, Phoenix, AZ 85027.

National will no longer be accepting any updates to a Member's record from anyone except the member. We have had many circumstances where the information given to us was the wrong information. The Members must update their own information on line, by phone, email, or snail mail. A few might feel they are being inconvenienced, but we really are trying to make sure their private information is secure and accurate. (Remember all the identity theft problems that have recently become so rampant?)

### **Officer Title Changes**

Getting back to the basics. After 30 years, its time to go back to the basics and simplify some of the titles in the field. Over the past several months, Members and Officers have gotten confused as to who works in the Phoenix Home Office and who doesn't. To help clear up the confusion, we have removed the "International" and "National" designation from the volunteer officer's titles. The program directors will be called just that – "Directors." For example: "Rider Education Director". Only those that work in the Phoenix Home Office may have "International" or "National" in their title.

### **Rescue Plus**

For a limited time Members can receive a discount on Rescue Plus by renewing their GWRRA Membership and Rescue Plus for three years. They will receive \$5.00 off per year. This is a savings of \$15.00. Imagine for the peace of mind a Roadside Assistance Program for \$60 for three years. Be sure to pass this on to your Chapters. We suggest putting this in your Regional, District and Chapter Newsletters to get the message out to the Members.

## **Chapter Treasurer**

## Chapter “L” Ride and Event Calendar

By Tim & Anita Kendrick

I don't know about you, but I'm really tired of this heat... Anita and I haven't been on the bike in several weeks due to the heat so we're looking forward to fall weather and better (and safer) riding conditions.

We've got a busy fall ahead of us with lots of good rides and events on the schedule. The Fall Campout, Chili Dump, Stag Ride, Hobo Stew and E-2's Annual Halloween Dance to name a few. We also have fund-raisers from several SW section chapters ahead.

On November 3<sup>rd</sup> we'll be hosting a Medic First Aid class at Mt. Healthy Christian Home. This is an updated program with new CPR standards of care. The old certification is now obsolete so refresher courses will no longer be offered for it. Contact Judy Wyckoff if you're interested in attending the class.

In January the Chapter Dance “Puttin’ on the Ritz” will be held at Green Township Senior Center. This fund-raiser is a remake of the dance we originally planned for Sept. 15<sup>th</sup> with a new look, new theme, new location and a full meal. The snow will be flying before you know it, so get out there and **RIDE WITH L!**

### LOOKING BACK

By Historians, Jim & Brenda Pennington

What did we do as Chapter L ten years ago in September 1997? Let's look back and see who the officers & coordinators were and if you can remembers any of these times:

- 13<sup>th</sup> annual picnic at the Elsen Farm beginning at 1:00 p.m.
- 20<sup>th</sup> Mike & Judy O'Rourke led a ride to Arnie's in Indianapolis IN
- 26-28 annual chapter camp-out at General Butler State Park in Carrollton KY
- Butch Royse, Lew Hall and Rich Hesse completed a “guys” ride out West.
- Judy O'Rourke's famous “word of the month” was *countenance* because of where Rich Elsen's glow was after winning Best of Show with his motorcycle & trailer at the Region D Rally (he also won at the Ohio Buckeye Rally too)
- 2,081 was the total Region D rally registrations and included 16 from Chapter L
- It was Butch Royse's first time to attend the Honda Hoot in Ashville NC (and he hasn't missed one since then). Mike “the Bear” & Judy O'Rourke were the Chapter Directors

Rich & Nancy Hesse were the Assistant Chapter Directors Joe "Rider" Schmidt was Rider Education, Ken Jauch was Pins and Patches, Pat Runck was Newsletter Editor, Lori Hicks was Treasurer, Tom Runck was Ride Coordinator, Butch Boeing was Special Events (MS-150), Rick & Bobbie Harless were Membership, Sunshine was Pauline Petroviak, Ron King was Technical, Ways & Means was Betty Royse, Rally Coordinator was Bob Childers, Phone Tree was Tril Childers, Public Relations was Nancy Hesse, and the Chapter Couple was Tom & Pat Runck,

- We were meeting at Dante's Restaurant on Rybolt Road

This information was taken from the September 1997 newsletter. Hope you enjoyed looking back with us and enjoying some of our Chapter L History.

### CHAPTER COUPLE 2007

By Mike & Judy O'Rourke

It has been an interesting month! Once again, thanks to Rich & Linda Elsen for their hospitality at the Chapter L Picnic. It is always a great time on that beautiful farm. The Harvest Home Parade brought tears to my eyes, seeing those Gold Wing motorcycles and watching the children's faces light up when they saw them. Gail, Jackie and I were riding in the back of the truck that pulled the float that held the International Couple, Jim & Brenda. Unfortunately, Bear was bedridden with two blood clots and couldn't be there. Thanks to Elmer for driving the truck!

This is short; I feel like Kathy Bates in *Misery* trying to keep Bear in bed!!!! We missed the Bike and Car Show, I hope the donations exceeded last year!!

## Bear & Judy

## Pins & Patches

By Tom & Barb Burns

Hi Everyone! It's hard to believe that the kids are back in school already. Where did this summer go? It won't be long until the leaves turn their fall

colors and we start to feel a cool nip in the air. We are certainly looking forward to all the Chapter L fall rides and our grandkids sporting events. Could you use a Chapter L jacket to keep you warm at the Chili Dump or at those outdoor soccer matches? Just stop by our table at the next Chapter L meeting and we will take your order for a new Chapter L jacket. We look forward to seeing you at September's Chapter meeting.

## Riding with the Newbie

By Denise French

I have been asked to write an article about my experience on the ride this past weekend to Leavenworth Inn. 11 members of Chapter L went on the ride; we consisted of 4 motorcycles, 2 trikes and 1 four wheel vehicle. 10 members are "old members" (I'm not referring to age, but experience) and I was the newbie.

The ride through Kentucky was nice beautiful country roads until we hit the "curves from hell", but I found out by watching the bikes in front of me, I knew how to handle them. On the entire ride the other members were teaching me how to ride and I don't think they even knew it. I started off talking about my physical experiences, but that's not what made the ride so enjoyable, it was the members of Chapter L.

I was worried that I would hold up everyone, because of my skill level. Several members told me to stay in my comfort zone and don't rush. The whole group accepted me at the level that I was

able to ride and never complained. The acquaintances that I had prior to the weekend have turned into good friends and family (especially when you share a suite). I didn't pack a Chapter L shirt for the weekend (I didn't get the memo), so 2 members gave me a shirt and wouldn't expect payment for it. I saw the genuine concern and caring for another member and a total stranger when we came out of Wyandotte Caverns (it was suppose to be handicap accessible, but wasn't).

One evening after Turtle Run Winery we were sitting on the deck, having good conversation, drinks and snacks and a couple that we didn't know who was also staying at the Inn came by and they were immediately asked to join us. No one is a stranger long with this group. It was a beautiful night, the stars were out and a full moon was spotted on the second floor of the Inn.

I learned a lot this weekend, the two most important being the trike needs to be raked and Chapter L members are the greatest. Thanks to Butch Royse, Judy Wyckoff, Jim & Brenda Pennington, Fred & Lori Manning, Carl & Cris Hauser, Bud & Peggy Smith for all the fun and laughs this past weekend. So my advise to any Newbie out there is to sign up for a ride with the "old members", you'll have a great time. Oh, be prepared to eat—often.

## Harvest Home Parade

By Gail Hiser

Everyone loves a parade! The streets were crowded with on lookers. We received many "thumbs up" and claps as we rode down the streets of the parade route. Some people were even jamming to our music 'Wings of Gold'. Elmer Jauch drove Bear's truck which towed our float. (Bear was in bed with blood clots in his legs. We surely missed him very much.) Gail Hiser and Judy O'Rourke rode in the back of the truck waving and

making sure the flags stayed off the generator. Jim & Brenda Pennington rode on the float along side their shiny bike, waving and smiling all the way.

Leading the pack of bikes was Jim Beeber and following close behind him was Andy Andrea, Walt Bohanan, Ron Cawein, Karen Tomlin, Ted & Lois Enzweiler, Randy Hiser, John Pearson, Dan & Diana Daulton, Kenny Jauch, Debbie Winkler and lastly there was Buddy Smith with his flag flying in the breeze. Jackie Heim rode in the back of the truck for a short distance, then jumped out and took some great pictures from the sidelines. Then she hopped into Kenny's side car for the rest of the trip.

After the parade we continued onto Skyline for dinner. Float and all still in formation. Only John Pearson turned and went to the wrong Skyline. Sorry John! Next time, just follow the group. When we arrived at Skyline, we learned that Randy's clutch went out. After dinner and after cooling off, all function of the clutch returned to normal. Special thanks go to Western Hills Honda for their support in our float. Also in lending us one of their quiet Honda generators so we could play our music. Thanks also to Tom Winkler for loaning us speakers and setting up our sound system. The song was perfect in every way. Thanks goes out to Jack Elsen for the use of his trailer, Bear O'Rourke for the use of his truck, Floyd Jackson for washing Bear's truck and Diana Daulton for her expert sewing of our International signs. Thanks also to Pauline Boderone, Roy & Kathy Richard, Fred Meyers, Dave & Tony Heim, Butch Royse, Judy Wyckoff, Peggy Smith, Angie Beeber, Janet Andrea, Cheryle Pearson who helped in the float build even though they were not in the parade.

Thanks to the rest of the float builders too: Elmer Jauch, Debbie Winkler, Randy & Gail Hiser, Jim Beeber, Dan Daulton and Andy Andrea. If I missed someone, I am sorry. I tried to keep notes but I missed a few nights. We started to work on the float in June. So you see this was a big, big project. Thanks Elmer & Debbie for letting the float sit at your house all summer.

## Harvest Home Parade

By Debbie Winkler & Elmer Jauch

Elmer & I thought it would be a good idea to bring back the parade. It has been five years since the last one. The Harvest Home Parade was also the perfect opportunity to show off the International Couple (Chapter L's Jim & Brenda Pennington). What better way to show how proud we are of them!

We don't know what we would have done without Gail & Randy Hiser. Special thanks for all your hard work and to Gail for all her planning, organizing and keeping us focused for the Harvest Home Parade.

Many hours were involved in the planning, cutting, fitting and finally putting everything together for the float. The final project turned out super. A big thank you to all the workers that donated their time and talents: Gail & Randy Hiser, Judy Wyckoff & Butch Royse, Jackie, Dave & Tony Heim, Dan & Diane Dalton, Roy & Kathy Richard, Jack & Pauline, Jim & Brenda Pennington, Jim & Angie Beeber, Janet & Andy Andrea, Bear & Judy O'Rourke, and Cheryle Pearson. Special thanks to Diane Dalton for sewing all the letters on the sign.

We also want to thank all the riders that joined in to help Chapter L celebrate Jim & Brenda! They were: Ron Cawein & Karen Tomlin, Gail & Randy Hiser, Lois & Ted Enzweiler, Walt Bohanan, Dan & Diane Dalton, John Pearson, Judy O'Rourke, Jackie Heim, Bud Smith, Jim Beeber, Ken Jauch, and Andy Andrea.

We want to thank Western Hills Honda who sponsored our float and also donated the generator for the music. A big thank you to Tom Winkler for

taking time out of his busy schedule and making the music happen. What a great group to work with! Everyone pitched in and did whatever needed to be done.

Elmer and I would like to say how much we appreciate everyone's hard work for helping us in bringing back something that is near and dear to our hearts: the Harvest Home Parade. Congratulations, Jim & Brenda, we love you.
