### Riding with Roy & Kathy

By Roy & Kathy Richard

This year's summer riding season is going fast, and July had plenty of rides for people to get out into the countryside.

GWRRA local chapters this year supported the 2 day MS Bike Tour event. Carl & Cris Hauser did a great job organizing helpers. Carl attends meetings all year long to communicate the needs of the annual bicycle ride for Multiple Sclerosis. The area chapters' (L, A2, X2, E2, S2, J and F) members gave support to the bicyclists by providing checkpoints for directions, providing extra eyes at busy intersections, and providing communication for first aid. Carl & Cris also led the dinner ride on that Sunday to Los Ponchos Mexican Restaurant on Colerain Ave. Thanks again, Carl & Cris for all you do.

The next weekend, on Sunday, Chapter L members met at the Mt. Airy Forest Arboretum for the annual Chapter L birthday picture. This year is Chapter L's 23rd birthday. There was a short delay in getting the gate open to access the area but it was worth the wait. Thanks to everyone that took the time to

share in getting a group picture with bikes, and a group picture in the gazebo by the lake. There were 25 friends and members with 10 bikes in attendance. Thanks to Jim Pennington for being the photographer. After the picture, a group went on to Walt's Barbecue on Colerain Avenue for lunch.

The weather for the picnic ride led by Butch & Judy Royse on Sunday, July 27th could not have been more picture perfect. After a beautiful ride through southwest Ohio and southeast Indiana country side, everyone had a picnic at the pavilion on Rich & Linda Elsen's farm. Everyone not only enjoyed the ride and picnic; but they had a special treat of ice cold watermelon! And to top off the day, a doe and 2 fawns made an appearance! Thanks Judy, Butch, Rich, & Linda.

A special thanks to Judy Royse for supporting the Keli M. Fultz Foundation fundraiser for Justin King who has cystic fibrosis. This is an annual benefit on the first Saturday in August. Thanks you for your support to help this young man and his family with his medical expenses.

Something new on this year's ride schedule is a Pig roast. Denise French has been making plans for the get together on Saturday August 23rd at the Windy Ridge Farm, St. Leon, Indiana from 10:00 AM until?????. Be sure to mark your calendar to attend. RSVP Denise or signup at the meeting to bring a covered dish or dessert.

Chapter L will celebrate its 23rd birthday at the August 20th meeting. All past Chapter Directors are invited to attend. Cake will be served.

Other events on the ride schedule are Region D Rally in Tiffin, Ohio (August 21 - 24), Labor Day weekend rides (August 30 - September 1), Harvest Home Parade (September 4), Chapter L Chili Dump at Rich & Linda Elsen's farm (September 13).

As many of you know the updates have been filled with requests for prayers and support for so many members and GWRRA friends. Continue to take time to write a note or make a call and let them know you care. And a special thank you to Brenda Pennington and all the chapters for keeping us informed. May God Bless everyone in our GWRRA family.

## **ACD's Wing Words** By Jim & Brenda Pennington

**Gas Prices:** A couple weeks ago I pulled into the local Kroger store to get gasoline for the bike and was really surprised how much over \$4.00 a gallon I was paying. To fill up the Wing which was nearly empty, it was almost \$ 25.00! Thoughts started running through my head about how economical it is to ride the motorcycle. The next day, my thoughts were confirmed when I filled up Brenda's van which only gets 17 to 19 MPG. The pump stopped at a number that was over \$ 74.00 just to fill it up. Then, last night, I saw a tremendous drop in gasoline prices at the same Kroger station – down to \$ 3.65 a gallon. That is only a temporary retreat in fuel prices across the board but I thought again that since the price has dropped, that may help our attendance at our Chapter "L" meeting this month. Something else that would help our attendance is to ride your motorcycle to our events and activities and save gas money too!

**Birthday:** This month on our regular meeting day, is our 23<sup>rd</sup> Chapter "birthday" "anniversary" or whatever you want to call it. We would love to have you in attendance, please mark the 3<sup>rd</sup> Wednesday of August on your calendar and then plan on coming. We plan on having a cake as well as coffee and soft drinks will be available too. If you have any memorabilia from the early days of "L" bring it for display. We hope to see you at the gathering this month.

**Wing Ding:** Looking back at July, it was a busy month with Wing Ding at the beginning of the month. The Region D Couple of the Year, Ken & Rita Moffit, were selected as the International Couple of the Year for 2008 – 2009. Region D has the honor again this year and we wish them success in their year as ICOY. Talking about Wing Ding, Carl & Cris Hauser, Denise French, Fred & Lori Manning, Randy & Gail Hiser, Jack & Cheri Pearson, Steve & Tanya Albert were there in Greenville, SC with Brenda and me. It seems like we didn't get to visit all of the vendors because we kept running into friends from other Districts, Regions, etc. It seems like we would walk a few feet and then stop and talk to people we had met somewhere throughout our travels. We saw our new Region D Directors, a few of the Former District Directors in Region D, Butch Micheau as well as Roger & Penny Hurley and lots of the current Ohio District Staff. We had several great meals during Wing Ding and one that was very memorable due to the style/atmosphere of a certain

restaurant by the name of the Beacon! If you did not go to Wing Ding, you missed a very large gathering of Wings and lots of Friends for Fun, Safety and Knowledge. Next year's Wing Ding is going to be in Tulsa, Oklahoma. See information in upcoming Wing World Magazines for further details.

**Changes:** In a couple months there will be changes in the Chapter "L" Staff when Roy & Kathy step down as CD's. Many staff positions will change and we will need members to volunteer for those positions for the next year -- some have been serving for quite a few years and would like a break. Check the calendar/ride schedule to see where and when you can participate with our Chapter "L"!

See you down the road!

### Historian

Jim & Brenda Pennington ACD's

Well here it is in 2008 and Chapter "L" is having a 23<sup>rd</sup> anniversary gathering on August 20<sup>th</sup> – as explained below, Chapter "L" had its very first meeting in April 13, 1985. That was not our official starting date; we had to wait for a ride up to Celina, OH to receive our GWRRA Charter from our Assistant State Director at that time, Jim Trent. So it was in August '85 we left a Denny's Restaurant on Colerain Avenue and rode in the rain to bring that official Charter back to Cincinnati. There were quite a few on that ride but we have only a couple photos of that extremely wet day. Now 23 years later we look back and find there were many rides, many happy times and some sad times with members passing away! Time marches on. Bill Wergowske was the first Area Representative (now called Chapter Director) and Elmer Jauch was the first Assistant Area Representative.

Elmer resigned in October of 1985 and Jim & Brenda Pennington became the new Assistant Area Representatives. Bill Wergowske resigned in May of 1987 and Jim & Brenda Pennington became the new Area Representatives. Chapter L had over 400 on the membership list for the southwestern part of the State of Ohio and it was evident that only about 1/3 of the members were able to attend because of the traveling distance.

Kathy Peck represented Chapter L in 1987 as Chapter Queen, and then was chosen as Ohio State Queen and Region D Queen, which led her to compete in Knoxville at Wing Ding. Chapter L's support was so great at Wing Ding that we received an award for having the most pre-registered in attendance (68!).

That same year Chapter L was giving support to Indiana G-2 in neighboring Lawrenceburg and Kentucky G just across the river. Chapter L also began to have labor pains and soon delivered 2 brand new chapters: Chapter A-1 (now A-2) and Chapter E-1 (now E-2). Since many of the Chapter L staff left to start the two new Ohio Chapters, Chapter L's staff was nearly depleted. With the true Chapter L enthusiasm and having Fun, Safety and Knowledge in our minds, we soon had one "L" of a great corps of officers to continue serving Gold Wing riders of the Queen City.

In October of '93, our progeny (A-2) delivered a rambunctious new Chapter, X-2, our "grand-chapter"... and we were proud as "L!!" As we go forward in the year 2008 and beyond we envision a great year of riding our Gold Wing motorcycles, attending rallies, joining in rides, activities and events with the GWRRA members of one "L" of a great chapter. "L" yes!

Special thanks to the Chapter "L" leaders -- 1985... Bill Wergowske, 1987... Jim & Brenda Pennington, 1991... Jim & Pauline Petroviak, 1993... Bill & Yvonne Tieke, 1994... Dick & Lois Pettit, 1996... Mike & Judy O'Rourke, 1998... Rich & Nancy Hesse, 2000... Tom & Pat Runck, 2003... Carl & Cris Hauser, 2005... Tim & Anita Kendrick, 2007... Roy & Kathy Richard.

## Jim

**New:** At the Buckeye Rally, Carl & Cris Hauser were visiting the vendors and came across P & M Graphics. This vendor was making custom window decals for various individuals and chapters. Carl found me and we visited his booth and discussed decals for Chapter "L". Later after the rally was over, I talked to CD Roy and told him about it. We decided to purchase 100 of the decals and make them available to our chapter members. The order was placed and they arrived so we will have these decals for sale at our Birthday meeting on August 20<sup>th</sup>. Come and check them out and buy a couple for your vehicles – including one for your Wing's windshield.

### LIMITS

One of the most important concepts taught in any of our courses is that to ride safely, responsible motorcyclists know and ride within the limits of their abilities. To ride safely, one must know the limits of their abilities, their motorcycle's capabilities, the environment in which they ride, and the traffic laws. Once a rider understands this, they must take responsibility for operating within those limits. One must always remember the original concept of staying within their limits. Don't be in such a rush to jump ahead of yourself, especially if you are being pushed by external forces. When you go beyond your limits, there are two things that can happen.

One is that you could have an accident and get hurt. The other is that you could almost have an accident. Both may scare you enough that you never ride again. So, here are some pointers for staying within your limits:

Don't let anyone talk you into buying a motorcycle that is too much for you. Start small, work your way up. There are plenty of good-looking small cc bikes out there. In a year or two you will be ready to upgrade to larger and faster. Stay in parking lots if you don't feel ready for the road. Choose the days and times you ride. Avoid rush hour if possible. Don't ride faster than you are comfortable with. Tell your friends that you'll meet them at the next rest area.

Choose your route carefully. Avoid roads with construction or heavy traffic patterns. The more scenic route is nicer anyhow. Dress appropriately. The more comfortable you are, the more you will be able to concentrate on the tasks involved in riding. Carry extra riding gear in case the weather changes.

Look at a map before you get started and carry it with you. Lost on the highway is not cool and it can be scary getting on and off exits trying to find your way. If you were a passenger before, remember that you got on the front of that motorcycle in order to control your own destiny. So do it! Don't allow anyone to push you beyond your limits. Ride with other people who have taken a course, and you will have similar riding techniques. Untrained rider's reactions are harder to predict. Ride in a staggered formation and always give yourself plenty of room. Always expect the unexpected. The unexpected could be unpleasant. All surprises on a motorcycle should be pleasant ones. Always do a pre-ride check. Read motorcycle books and magazines to learn as much as you can about motorcycling.

## Pins & Patches

By Tom & Barb Burns

Hi Everyone! Boy does time fly. Our grand twins celebrated their 6th Birthday this month. It seems like just yesterday that Tom had their pictures printed on the front of a T-Shirt. Naturally it's his favorite shirt and it still looks like new after two years. We can still order customized shirts like the one Tom has for you. If you are interested in a shirt, all you need to do is e-mail or give us a picture. We will also need your size and any words you might like printed on it. Just stop by and see us at the next Chapter L meeting. We look forward to taking your order.

## Chapter "L" Ride & Event Calendar

By Judy & Butch Roysse

WOW! July is over and we are almost half way through August. The summer is flying by. July was packed with lots of fun Chapter L events, one of which was Butch's picnic ride that ended up at Elsen's farm. It was a great ride and we were excited that Rich & Linda could actually join us on the ride as well as the picnic. It turned out to be a beautiful day and after we had our picnic lunch we just enjoyed sitting around chatting and watching momma deer and her two fawns romp and play in the field. Thanks Rich & Linda for providing such a beautiful place for us to enjoy one another's company.

August and September will find us just as busy with Chapter L's 23<sup>rd</sup> Birthday Gathering on the 20<sup>th</sup> and then the pig roast we have scheduled at Denise French's place in St. Leon, IN. Chapter Director Roy will be leading a ride to Denise's place. It will leave Wendy's in Miamitown at 10 AM. Remember to bring chairs, drinks, and a covered dish (with something in it) to share. Come ride with us or feel free to go directly to Denise's place: 9070 Osborne Road, Brookville, IN 47012. I was able to find it on Mapquest.com with no problem. Also see flyer.

That brings us to Labor Day Weekend, August 30, 31, and September 1. There are rumors that the Memorial Day Shamrock rides were so successful that we may try it again for this next holiday weekend. Look for more on that at our Chapter Gathering and in Brenda's weekly update. Next on the agenda, is the Harvest Home Parade on September 4th.

Sunday, September 7<sup>th</sup> will be our 1<sup>st</sup> of the Month Dinner ride led by Dan & Diane Dalton, destination TBA. Mark your calendar – September 13 – Chapter L's Chili Dump!!!! Always a great time. Fire up that Chili pot and bring something else to share. Oh, and don't forget to bring an appetite. Look for more details in article. The end of September, the 26<sup>th</sup>, 27<sup>th</sup>, and 28<sup>th</sup>, brings us our next chapter campout, at The Little Farm on the River. Watch for Gail's article on that bunch of fun.

### **Recapping our trip to Wing Ding in Greenville, SC**

By Gail Hiser

The road to Wing Ding brought many interesting times. Carl Hauser did a wonderful job leading Cris Hauser, Denise French, Randy & Gail Hiser. Rain fell on us a couple of times, but we were ready for it with our rain gear on at all times.

Saturday was our first stop in Logan, WV for an overnight stay, so we thought. Cris woke up Sunday morning with the room spinning. So plans were changed to let her rest another day. Thank goodness we were by a Wal-mart! What better place to spend our time in out of the rain so Cris could rest.

Monday we left Logan on the way to a couple of different places. The Hauser's & French were stopping in Asheville, NC to visit the Biltmore Estates on Tuesday. The Hiser's went on to Mooresville, NC to visit behind the scenes of NASCAR garages on Tuesday.

All were reunited in Greenville, SC on Wednesday. There we were met by Fred & Lori Manning. They had an eventful trip too with their bikes back tire's

tread separating in KY. They rode to TN before they could get it fixed. Also meeting us was Steve & Tonya Albert. They also had an eventful trip by the way of a wrong turn taking them to GA. Steve should listen to Tonya next time. Last but not least we met up with the Pennington's. They had to drive the car due to health reasons.

Most of Thursday was spent at the rally site. Being it was the Pennington's 49<sup>th</sup> Wedding Anniversary, Lori had made arrangements for us to eat at the "Beacon" in Spartanburg, SC. The "Beacon" was featured on Food Networks, 'Diners, Drive-Ins & Dives'. You must go there next time you are close. Even Fred had a hard time eating all his food! Believe it or not, he had hush puppies left over.

Friday we were back at the rally. Randy, Fred & Lori test rode some Trikes. Since the Pennington's drove their car, we asked if they could take home some of our things. This freed up room in the trailer for shopping later on in Pigeon Forge, TN.

Saturday we said our sad good-byes to everyone. We were the only ones to stay until closing on Sunday afternoon. We went back to the rally and Randy rode more trikes. We attended a seminar and took one last look at the venders to fill out our day.

Sunday we checked out of the hotel. We attended the closing ceremonies. Here are some of the details: 11,264 were in attendance, 295 new members were recruited, 100 pints of blood were donated to the Red Cross, there were 849 bikes in the grand parade-only 685 gold wings-no record, over 400 attended seminars. After closing we tagged along with some of E-2 who were going to Asheville, NC. We were going basically the same way on our way to Pigeon Forge, TN.

We arrived home Monday late night after stopping at the hospital to see our new step-grand daughter. Madison Marie Rich was born at 2:01 AM, 7 lbs, 5 oz, 20 inches long. Big Sister, Haley, Mom, Crystal and Dad, Adam were all happy with her arrival.

### **Chapter 'L' Campout September 26-27-28, 2008**

We will be camping in the top section of the campgrounds. There are still 3 sites and 2 cabins available.

It will be another fun filled weekend with your Gold Wing friends. A day full of B I N G O is planned. Then after supper we will be having a flag burning

ceremony. If you have an old flag that needs to be discarded honorably, you can give it to Randy & Gail Hiser or Jim & Brenda Pennington.

As with any Gold Wing gathering, there is sure to be lots and lots of food. Please let Gail know right away if you are going, if you have not done so already. She needs to know how many are coming in order to plan the food for the weekend.
