### Riding with Roy & Kathy

By Roy & Kathy Richard

The riding weather has been great and the ride schedule has plenty of rides and activities.

Kathy and I had plans to attend both the Ohio Buckeye Rally in Marietta and Wing Ding 30 in Greenville, SC this year. However, Kathy ended up in the emergency room with a case of the shingles. Obviously, our plans for riding and summer activities have had to be put on hold or changed. Kathy would like to thank everyone for the cards; letters, emails and phone calls with get well wishes.

At Buckeye Rally in Marietta, Roger & Penny Hurley retired as Ohio District Directors. Kathy & I would like to thank Roger & Penny and the District Staff for all of their hard work and dedication to the Ohio District and all local chapters. John & Linda Frank were announced as the new Ohio District Directors.

The June Chapter L gathering was full of fun and surprises. The "Fun" coordinators asked everyone to bring a picture of their wedding to the gathering. Were you able to identify (guess) all of those Gold Wingers in the pictures? My-my how we have

changed! I actually had dark hair once upon a time. Phil & Lois Hollingsworth passed out miniature candy bars to everyone that attended. The gals received a bottle of scented shower gel and the guys received a small bottle of bubbles with a white dove on top. Did you find all of the Summer Olympics events and discover the secret message in last months newsletter word puzzle? Bringing your completed copy and giving it to "Bear" awarded you an extra door prize ticket. Also, the special prize drawing this month was for those who had signed up to help with the MS Bike tour. The winner was Mike O'Rourke. He won a brand new folding camp chair. Be sure to sign up for a chapter ride or event to be eligible for a special prize drawing at next months gathering (must be present to win).

Other activities on the calendar this month include Wing Ding 30, Dessert Ride (July 2, Butch & Judy), MS Bike Tour (July 12 & 13, Carl Hauser), 1st of Month Dinner Ride (July 13, Cris & Carl Hauser), Michigan Rally, Waskly Wabbit Wun (July 20, Chapter S2), and other area chapter gatherings and activities.

Mark your calendars for the annual picnic which will be a hog roast at Denise French's Indiana farm on Saturday, August 23rd. We're looking forward to this new location for the annual picnic. Watch the weekly update for additional information.

Enjoy summertime and ride safe.

### **ACD's Wing Words**

**By Jim & Brenda Pennington**

June went by rather quickly and so did the Ohio Buckeye Rally. Several of us "L" ions rode to Marietta for the Buckeye 08 Rally and Summertime Fun at the River. Of course Chapter "L" had gate security on Friday and Cris & Carl had their usual fun of patting down the unsuspecting attendee before allowing them to pass through the gate. We rode to the rally with Carl & Cris Hauser, Denise French. Roy & Kathy were going to go but Kathy came down with a case of painful shingles, so they cancelled their plans. Tim & Anita Kendrick had to drive because they were hauling their audio equipment for the entertainment. Gail Hiser also drove because Randy was out at the Kentucky Speedway doing his "thing." Dave & Marva Pettit, our displaced members of "L" met us there and

continued having all the fun with us during the rally. Brenda and I attended the early morning Master's Breakfast and it started to rain as we were leaving after breakfast. Thanks to Gail who loaned us her car to drive there since rain was in the forecast. Rain dampened our spirits only for a short time but "Happy Hour" made up for it.

There were fewer vendors at the rally this year due to conflicting dates and perhaps gasoline/diesel prices, but the fun abounded. Many were able to meet the new Region D Directors, Ron & Diana Miller. Also this was the last Buckeye Rally for Roger & Penny Hurley. They turned over the District reins to John & Linda Frank who have been on the Ohio District Staff for several years in the position of District Rider Educators. Congratulations go to John & Linda as they take on this new challenge.

Several members were stepping out of the District Staff and new staff is being selected at this time. Jobs on the staff are not understood by all Ohio members unless you have been there. The Ohio District Staff under Roger & Penny worked hard putting together the Cabin Fever and the Buckeye Rallies and we want to thank every one who worked to put on successful events over the Hurley years. Roger & Penny are not stepping aside as we were told at closing ceremonies. Ron & Diana Miller, our new Region D Directors, have appointed them as Assistant Region Directors, so we will still be seeing Roger & Penny at GWRRA events.

July and Wing Ding seem to go together. We are ready to hit the road to Greenville, SC and Wing Ding 30. It seems like a shorter ride this year as we do not have to go to Billings like we did last year. We will be there for the International Couple of the Year Selection process since we were in it in 2006 – 2007. The Region D Couple, Ken & Rita Moffit from Michigan are our representatives who will be in the selection process. We have been to several Regions and met several of the Region Couples who will also be in the selection process. Knowing those couples, it looks like a terrible task to judge this one. We will be leaving and riding down via some back roads hopefully avoiding the major Interstate highways around Knoxville and Asheville.

We will give you a full report when we return from Wing Ding 30.

**Jim & Brenda**

## Chapter Educator

By Dave Heim

Dave was on vacation so here is a repeat of an article that he did Last Year 2007. This article is worth repeating

When you ride, surface conditions, traffic and the weather are always changing. You have to be constantly aware of a lot of things. Daydreaming when you're riding a motorcycle isn't a good idea. Things happen fast out there on the road, and you have to be prepared for them. Here is a good five-point reminder for riding safely in traffic.

### SIPDE

**S --- Search around** you for potential problems.  
**I --- Identify** any possible hazards, such as turning cars, railroad tracks, etc.  
**P --- Predict** whether this hazard will or will not endanger you.  
**D --- Decide** how to avoid the hazard.  
**E --- Execute** the proper action to carry out your decision.

This **SIPDE** system is a basic key to safe motorcycling. Use it effectively and you'll be on your way, covering many safer, happy miles on your motorcycle.

**Increasing your visibility to others:** What's the most usual explanation from the automobile driver who just turned in front of a motorcyclist? "Gee, officer, I didn't see him." It's a sad truth, we're not as big as a Mack truck, but we are visible. However, too often, motorists don't see us because they aren't looking for motorcycles.

**You have to attract their attention:** Wear bright clothing and utilize retro-reflective material whenever appropriate. The biggest thing that a following driver usually sees is your back. Make it stand out. Always signal your intentions. Change lanes or make a turn using your turn signals. You want to be sure that the people around you know what you are about to do. And it helps to assist your turn signals with hand signals at times. Remember to cancel your signals when you've completed your maneuver, otherwise drivers are getting false information from you, and you could cause yourself trouble. Don't be shy about using your horn in some situation. If a driver is dozing, or about to pull an unthinking maneuver, give him a BEEP. You want to make him aware of what he is doing, and of your presence.

**Helping you to see others:** The other half of the visibility battle is being alert and seeing everything around you. Use your eyes effectively. Keep them moving. Don't get fascinated by the 53 Corvette off to your right, or go rubber - necking at an accident scene. If your eyes are locked on one thing, you may be ignoring some situation that could affect your ride. Look ahead. Look to the side. Look in your mirrors. Look over your shoulders. Keep looking! Anticipate the oncoming, left-turning driver, the reckless fool coming up behind you, the car poking its nose out of the driveway, the guy beside and a little behind you who's moving across the lane divider. Never let your eyes fix on an object for more than two seconds. Keep looking around. It's one thing to see another to have the time to react. No tailgating. When you're riding in town at speeds under 40 mph, always keep at least a two - second gap between you and the car in front. Out on the open road with higher speeds, you should adjust your gap to three or four seconds or more.

## Pins & Patches

By Tom & Barb Burns

Hi Everyone! Could you use a new flag for your motorcycle? We have available several types of flags. How about a Chapter L, American or POW flag? Are you a Veteran or have a family member in the service? We are also able to order flags for every branch of the service. So don't forget to stop by our display table and check out the pins, patches and flags. We look forward to seeing everyone at the August Chapter L meeting.

## Chapter "L" Ride & Event Calendar

By Judy & Butch Roysse

June has been a really busy month with the Bristol Motor Speedway Ride, Indiana Rally, Chapter Campout, the Buckeye Rally, and Honda Hoot. I was all ready to sit back and relax and then I looked at the July calendar. Just looking at the July schedule makes my head swim. It is every bit as busy as June was.

July started out with Cris & Carl's ride to Wing Ding and other places. As soon as they got home Carl had to get all of us ready for the MS Bike Tour. This one had to be a little tough for him since it is totally different this year. Look for articles on both events in this newsletter.

Right after the MS Bike Tour is our Chapter Get Together on July 16<sup>th</sup>, and it is followed by X~2's Gathering, on July 19<sup>th</sup>. Watch for more details in Brenda's weekly update.

Then on July 20<sup>th</sup> we will have our chapter photo shoot, followed by what else???? Lunch. We will get more information from Kathy when she is feeling better. She is fighting a case of the shingles. I understand that is really painful. We are thinking of you Kathy.

The next weekend brings us Honda Homecoming. Butch and I plan to go up on Saturday the 26<sup>th</sup> for the Ride for Kids, which benefits the Pediatric Brain Tumor Foundation. If you would like to ride along with us just let us know at 513-894-4446 or [jaws48@fuse.net](mailto:jaws48@fuse.net). We will have to leave really early because we need to be there around 8:15 AM. You can hang around and see me win the Gold Wing they are giving away.

The next day, July 27<sup>th</sup> is a day ride led by Butch. If you have ever been along on one of his rides, you know he puts together a great route. We'll have more information for you and our gathering.

The following weekend is the first weekend in August and we have moved our First of the Month Dinner Ride to Saturday August 2<sup>nd</sup>. The destination will be a fundraiser that I have been involved with for the last 10 years. The event is to raise money for a young man named Justin King who suffers from Cystic Fibrosis. We recently learned that he is in need of a combination lung and liver transplant, so the family's need is great. This event will start at 4:00 PM and will wrap up around 8:00 PM and will be held at 5727 Cotton Run Road, Middletown, OH 45042. Admission is

free and so is the food and drink. We simply hope that you will make donations by purchasing raffle tickets and through auctions. This is a really worthy cause and I promise you that you will have a great time. You can just show up or ride out with Roy & Kathy. We will let you know those details later. August 9<sup>th</sup> will bring us to a day ride led by Tom & Barb Burns. You will get more information about this ride from Brenda's update also. Thanks Brenda!!!!

And, last but not least, the 23<sup>rd</sup> of August promises to be a great time. Denise French is inviting us all to a pig roast at her home in St. Leon, Indiana. Can't wait for that, Denise.

**By Debbie Winkler**

Hi again, It was good to see everyone at June's gathering. We had 39 friends and family. There were many away at Honda Hoot and some were out due to sickness, so our number was down. But we still had a great time.

Thanks to everyone who donated door prizes: Roy Richard, Brenda & Jim Pennington, Jack Elsen & Pauline Boderone, Fred Manning, Bud Hensler, Steve Albert, Lois Hollingsworth, Gail & Randy Hiser, Peggy Smith and Elmer & Debbie.

Congratulations goes to door prize winners Brenda Pennington, Randy & Gail Hiser, Howard P., Carol Pott, Steve Albert, Phil Hollingsworth, Elmer, Joann Marston, Dan Dalton, Fred Manning, Bud Hensley, Jack Elsen, Jim P., Bear, Lois Hollingsworth, Tom Heitfield, Bill & Kathy Martin.

Our Sunshine Girl, Pauline gave praise to Barb Burns. As you know, Tom is undergoing Chemo and Barb is right there by his side, every step of the way. Keep Tom & Barb in your prayers.

Carol Pott talked about the Bike Blessing and how honored Pastor Ken was to be able to bless all the bikes for this season's riding. He is looking forward to next year. Tentatively, the Sunday after Mother's Day in May 2009 is scheduled, so please keep this in mind.

Tony Heim, once again did a fantastic job with The Price Is Right. This month, it was a quart of oil. The contestants were: Diane Dalton, Pat Marston and Jim Pennington. Diane guessed the price of \$5.89 and the actual price was \$5.99. Just think ... a girl, out-pricing the guys ... on O I L!!! Way to go, girl!!

I would like personally to send out congratulations to Roger & Penny Hurley for an outstanding job as District Directors. It was an exciting three years.

And, then also congratulations to John & Linda Franks: they are our new OH District Directors.

**Debbie & Mr. B.**

**Community Service**  
**By Bud & Peggy Smith**

Hi everyone it has been along time since I wrote an article. I have been busy working and miss everyone. Peggy has been keeping me up to date on the things that are going on. I hope to get back on the saddle—I mean back on the Gold Wing in the fall. I won't be working as much and will have more free time.

I did get to go on the camp out in June and had a great time. I want to thank everyone for helping me with Peggy's party. She will be 50→ next month. I just wanted to do a little something for her. I especially want to thank all who brought food and other items. It made it easy for me since I had to work and did not get there until Saturday. I want to especially thank Gail (I tip my helmet off to you) for helping me with everything.

I also wanted to thank everyone in our chapter and surrounding chapters for the can goods (food) they brought in last month. It was so wonderful of everyone to extend themselves to another family. It is tough times for many people but this is a man I met or picked up on the side of the road with a sign that said, "I will work for food". He now has a job, a place to live, something to drive and the feeling he has a chance to get back on his feet with wife and children. This family was so impressed, overwhelmed, and could not believe the generosity of the food that you gave them. I had 2 large buckets that Peggy put together with your donations. It is what our group is all about. Helping others is what it is all about and to extend our "Wings" to others in need -- should make all of feel GREAT.

So if anyone else knows of someone who may need an extra something to get by, Please let Peggy and I know. WE would love to help out.

We continue to help out at the One Way Farm. Peggy and I took out some things to them this month also. I would like to thank everyone for his or her support with them. They love when we bring them the left overs from things like the chapter picnic. The kids are great there and enjoy the things that we bring. The staff there is wonderful

and always is grateful when we bring them things. Roy and Kathy have been great in taking things to them also with my busy schedule.
